

Ubuntu is a unique word. A Zulu phrase, it can be translated “I am only because we are, and since we are, therefore I am.” Or “I am human because you are human.” It recognizes each human being as part of a community. It moves us to action on behalf of our neighbor. Ubuntu is a celebration of being in community with people as mission.

Register online

July 1st through October 1st.

No registration fee

www.wnccumw.org

Please register so we know how many people to prepare for at each site. Plan to arrive at **9 am**. We begin with a representative of each site telling us about their location and what they do and explaining what we will be doing.

Bring a bag lunch (except if serving at Pfeiffer University where lunch will be provided).

Water will be provided at each location. Feel free to bring coffee if you would like.

PURPOSE

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.
