Choose to serve at one of the National Missional Institutions located in our conference. Serve alongside other United Methodist Women in fellowship and love. What do others have to say about our Ubuntu Day of Service?

Working in fellowship and with a goal is always a joy.

This is a day I look forward to every year.

Enjoy serving to help others and know that our Father God blesses our work

What a joy to connect with wonderful women working together.

Ubuntu is always a special day for me. It is a day of service, fun and fellowship.

I so want to do it again! And again!

Ubuntu—the idea is an extension of what I treasure most about UMW—the opportunity to be in community with others that demonstrate what our organization is based on—mission and doing for others.
