

Western North Carolina Conference 2017 Vision

Growing as a community of women who are one in Christ

Living the Vision - In an effort to fully realize our Conference Vision we encourage each United Methodist Women member to:

- 1) Be intentional. Be purposeful. Be a mentor.
- 2) Make a friend, be a friend, bring a friend.
- 3) Be welcoming, be open to each other's needs and remove barriers.
- 4) Listen, listen, listen! Let ALL voices be heard.
- 5) Accept, understand, change and surrender.
- 6) Try new things - don't be afraid to fail in new programs, events and endeavors.
- 7) Give ownership.
- 8) What's the value? Find what matters – including but not limited to; the reading program, social action, hands-on-mission, spiritual growth, leadership development...
- 9) Share all you can, learn all you can, give all you can
- 10) Be authentic in your efforts
- 11) Be "Limitless" (mentor, empower and let go)

Sincerely,

Your WNCC UMW Team
