Our Purpose

The organized unit of UNITED METHODIST WOMEN shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

The Emblem

The official emblem for the United Methodist Church combines the cross and a flame symbolizing the Holy Spirit. The emblem for United Methodist Women likewise the cross and flame.

The cross and flame are ancient symbols of the church dating back to the days of Christ and Pentecost. The shape of the emblem is fluid and free-flowing, suggesting change and mobility. As organized groups of women, this has been our heritage - one of the sacrifice, witness, and service. The emblem serves as continuing reminder of both opportunity and obligation.

(II Timothy 1st "6a MEB)"...I now remind you to stir into flame the gift of God which is within you.

The Service Center

The SERVICE CENTER of the Women's Division distributes program resources and materials about the Mission Studies, spiritual growth studies, and other informative materials especially for United Methodist Women, local church is sent annually to all local units of United Methodist Women and pastors. Additional copies are free upon request.

The Recipient of the Dedication of the 2012 Annual Report

Our Annual Report is dedicated to a woman who holds many titles and jobs. She is active in United Methodist Women -- local unit president and conference officer as well as several other UMW offices. She is also a Member of the Board of Laity, Associate Lay Leader, Certified Lay Speaker -- to name a few.

Along with her church involvement, she also has time to volunteer in her community -- Lexington City Council, Davidson County Community College Foundation Board, Friends of Lexington Library, former Community Resident Counsel for the North Carolina Piedmont Correction Center for Women, former member of the Lexington City Board of Education, and the list goes on

Our woman has a passion for writing. She is the author of three books. *African Americans of Davidson County; A.T. Evans; Tales of a Traveler; Lost in the Shuffle; Stories that Need to be Told*. On July 24, 2012 she won First Place in the North Carolina State Bar Fiction Writing Competition. Her story, *The Piddling Shed*, will be published in an upcoming issue of the North Carolina State Bar Journal.

She has time for church work, community work, writes books, and works as a paralegal. She also has a wonderful family. She married her high school sweetheart, Robert Freeman. She has one son, Tavon. She also has one adorable granddaughter, Harper. We've seen this lady, so we have a cheer for her.

Minutes of the 39th Annual Meeting
Lake Unalaska, NC
September 7. 8, & 9, 2012

"UMW Under (Re)Construction"

Registration began Friday, September 7 at 2:00 p.m. at Lake Junalaska, NC, for the 39th Annual Meeting of the Western North Carolina Conference United Methodist Women.

Meditation Time was provided in the Chapel all weekend.

Gathering Praise: Rhonda Smith & Karen Terpenning led the United Methodist Women in "Gathering Praise."

Call to Order the Annual Meeting, Mildred Carter, President: At 7:00 p.m., President, Mildred Carter, declared the 39th Annual Meeting of the Western North Carolina Conference United Methodist Women in session. President Carter welcomed everyone and stated that she was so glad that they had chosen to come and celebrate with us this weekend and that will make the PURPOSE come alive. President Carter introduced Rev. Dr. Jack Ewing, Executive Director of Lake Junaluska, who came to bring us greetings.

Greetings from Lake Junaluska: Rev. Dr. Jack Ewing welcomed everyone and said, "as always, Lake Junaluska is glad to have the United Methodist Women come to the Lake." Lake Junaluska is undergoing a lot of changes, improvements, and upgrading. Dr. Ewing noted that they have 120 new rocking chairs which are all facing the lake. His hope is that all the women will get a chance to enjoy these rockers over the weekend. Among other changes is new furniture in the lobby at the Terrace Hotel, along with upgrading the rooms. He encouraged everyone to visit the gardens and inspiration point just below Lambuth Inn.

President Carter introduced Rev. Samuel Moore, Jr., Albemarle District Superintendent, who brought greetings.

Greetings from Rev. Samuel Moore, Jr.: Rev. Moore welcomed everyone in the name of our Lord and Savior. He reminded us that in this time of transition we are here, but the accomplishing of the mission is before us. The children in the land of Canaan thought they could not defeat the people, but just as the people of Israel, with God before us, we can accomplish the task. He said that the church wish to partner with the UMW, that we can all be the hands and feet of Jesus and transform the lives of women, children, and men. His prayer is that we will trust God and allow God to lead us to follow Jesus, make disciples, and transform the world.

President Carter noted that the Albemarle District, who is the Host District, greeted you at

Registration and at Stuart Auditorium. They have done a lot of hard work getting ready for this weekend. They will continue to be an important part of this meeting. They will be easy to spot as they are wearing blue denim aprons. President Carter introduced Shelby Ford, Albemarle District President.

Greetings From Shelby Ford, Albemarle District President: Shelby brought greetings from the Albemarle District and told us that her team had worked very hard and had fun getting ready for this event. We can contact the pages for any need we may have this weekend. They will all be wearing their blue demin aprons and yellow hats.

Ginger Hightower, Head Page, introduced the pages as follows:

Nancy Diggs	Joan Sells
Wanda Steele	Jane Cauble
Elaine Hall	Addie Laney
Debra Helms	Linda Deese
Samantha Alexander	Nancy Dail
Melida Rivers	Marsha Morey

Shelby Ford presented special crosses, made by Virgil Dial, to Bishop Goodpaster, Dixie Liggett, Jennifer Davis, and Tonya Lanier. One will be given to Pam Carter tomorrow.

Presentation of Program: Tonya Lanier, Vice President, welcomed everyone to **"your"** 39th Annual Meeting. It feels so good to be here with Western North Carolina United Methodist Women, and what better place but here at Lake Junaluska. Your Program Committee has been meeting and planning for many months to make sure that everything is ready for your arrival. I long for you to discover the thing that first connected you to United Methodist Women. She urged us to take this Re-construction thing seriously... and realize that God is not through with you yet.

Tonya introduced the Program Committee and stated that it has been a pleasure to work with this group of women. They are as follows: Mildred Carter, Shelby Ford, Elizabeth Lookabill, Ann Aldridge, Sandy Heironymus, Julia Willis, Martha Phillips, Virginia Robinson, Sherry Sink, Janice Lentz, and Maureen Carr. She thanked the Albemarle District for all their hard work and stated that they are here to help you with anything you may need this weekend. She says the Lake Junaluska Staff has been a great help and it was a blessing to work with such a professional group. She reminded everyone that you may order CDs, DVDs and tapes of each session through JUMP at Lake Junaluska. You may put your prayer request in the Chapel any time this weekend. The new Districts will have a time of celebration on Saturday afternoon and you are encouraged not to miss this.

Announcements were given by the following ladies:
Ann Aldridge, Program Resources: encouraged everyone to visit the Program Resource Room which will be open 12:45 - 1:45 p.m. and 4:00 - 5:00 p.m. Saturday.

Sherry Sink, Membership Nurture & Outreach: reminded everyone that you can still do your walk for mission until the end of this year. Walk for mission forms will be on the web site Monday and she encouraged everyone to attend late night on Saturday evening.

Martha Phillips, Social Action: reminded everyone of the Social Action issues, Human Trafficking, Domestic Violence, Poverty and issues of immigrant rights. We will have a Legislative Event May 4, 2013 and we will be hearing more about this in the future.

Virginia Robinson, Mission Education & Interpretation: Hands on opportunity is Gift to Mission Cards and any kind of kits you have brought with you. If you are hosting a missionary tomorrow please be sure to have your green tags and green ribbons.

Agenda: Tonya stated "Madame President, on behalf of the Program Committee, I present the program as printed in the Program Book with no changes". President Carter stated "Coming from a committee this needs no second." APPROVED.

Program Participants: Tonya Lanier announced that the program participants are listed on Pages 12, 13 & 14 of the Program Book. They are as follows: Bishop Larry Goodpaster, Rev. Samuel Moore, Jr., Rev. Alec Alvord, Rev. Gayle Ford, Rev. Pam Carter, Dixie Liggett, Jennifer Davis, Morgan Smith, Karen Terpernning, Rhonda Smith, and Jane Smith. You are encouraged to read these bios.

President Carter told us that Bishop Goodpaster will be with us another 4 years. A Special Mission Recognition pin was presented to Deborah Goodpaster. In her absence, Bishop Goodpaster accepted the pin. Also, one was presented to the Bishop.

Vice President Lanier stated that "They say that vending machines and wet babies only like change. Let's add our name to that list. Nothing changes if nothing changes. We can move forward and maintain a high level of service to women, children and youth and the end result will create a stronger, more resilient and spiritual sound UMW. We are under re-construction, but we find peace because we know the Master Carpenter who is handling this job. Thanks for your presence and we will have a wonderful time this weekend because you are here. Blessings peace and love. Now let us center ourselves for worship."

Call to Worship: Jamie Smith, Northeast District, led the Call to Worship and Sheila Barrell, Salisbury District, presented the Prayer Calendar and led in prayer.

Morgan Smith, granddaughter of Jennifer Davis, performed a Liturgical Dance to the music "There Will Come a Day" by Faith Hill.

The Message:
Bishop Larry Goodpaster, Bishop of The Western North Carolina Conference, thanked Mildred Carter, President, and stated that it has been a joy to work with her these last years as we moved ahead. He stated that all the District Superintendents and his Assistant, Sally langford, are here and have been at Lake Junaluska for a couple of days working and waiting on us to arrive.

The Bishop read the Scripture from II Timothy Chapter 1 beginning with the 3rd verse. He stated that he was grateful to the United Methodist Women for their continuing commitment to Christ and to His Church and His mission in the world.

He said that in this transition we have chartered a course that takes us in new directions, not to alter the mission, only our ways of organizing to accomplish the mission. He says "I believe that God is already doing and is about to do even greater things among us." As we renew our commitment and rekindle our passion for the gospel of Jesus Christ, remember God is never finished with us. Just as roads we travel change and we learn to adjust, it seems as if they have always been there. It's the nature of change. As we move from 15 to 8 districts and we have radical changes, at the heart of this shift is an invitation to our church, attendees and hangers on to rekindle the fire that once burned in the heart of Methodists to revive God's gift.

From the Scripture read, Paul reminds us that God does not withdraw any gift. Those gifts become ineffective if they are neglected or allowed to waste away. We take them for granted. How shall we engage in this re-construction work? What will guide us in our work? How might the gift of God be revived in all of us? All the ingredients and building blocks are available.

The first ingredient is to "Be grounded in Scripture." For the United Methodist Women we have Bible Studies. Read the whole Bible fully, not just the parts we like.

The second ingredient is "Growing in the Spirit." The United Methodist Women has many resources for Spiritual Growth. John Wesley understood early on that each person must be engaged in daily prayer and scripture reading.

The third ingredient is "Going in Service." Our history is closely entwined with mission and with reaching out into our neighborhood and community, as well as places around the globe. The challenge is to turn our study into service, our structure into participative mission work.

We must do something in the name of Christ that gets us out of our study rooms, out of our comfortable chairs into a world filled with hurting people. Paul tells us that God did not give us a spirit that is timid. God gave us a spirit that is powerful, and loving and self controlled, and that is the spirit that will lead us into the future for Jesus Christ.

Benediction: Barbara Hart, North Wilkesboro District.

Saturday Morning, September 8, 2012

Treasurer's Report, Julia Willis, Treasurer:
The Treasurer's Report for the year 2011 was given by Julia Willis as follows:
Madame President, United Methodist Women of the Western North Carolina Conference, and honored guests.....
this seems like a broken record, but it's a good record... for the eleventh consecutive year, the Western North Carolina Conference of United Methodist Women was number 1 in the nation in our giving! We met our $820,000 PLEDGE and exceeded it by $500....sending Women's Division $820,500 in undesignated Mission Giving (the Five Channels).

In 2011, we were number 1 in the nation in the following Giving channels & categories:

Special Mission Recognition
Gift to Mission
World Thank Offering
Total Undesignated Mission Giving
TOTAL GIVING
and
Call to Prayer & Self Denial

Thanks to all of you and those back home in your local units. **YOU MAKE MISSSION POSSIBLE!**

Total Giving through the 15 districts from local units was $1,033,844
Of that Total Giving, undesignated Mission Giving was $921,031
Designated funds totaled $112,813...for projects such as...
Call to Prayer & Self Denial - $56,603
General, National & International Missions- $24,214
Which included Bethlehem Centers - $14,148
UMCOR Projects - $14, 207
College Scholarships $2,835

Special Offerings that became part of the funds used to meet our pledge:

Conference Annual Meeting Love Offering - $24,831
Spiritual Growth Offering - $7,604
School of Christian Mission Offering - $1,945
6th Walk to Mission - $11,362

The 2011 Financial Goal was "To increase the Number of local unit's Giving in ALL Five Channels of Mission Giving by 10%." This goal we did not accomplish ...our increase was only 1%.

Our current 2012 Financial Goal is "To increase Personal Pledges by One Dollar." Be sure each member of your unit has given an extra Dollar this year or that your unit will remit an extra dollar for each member you have on roll before December 1st. Let's try to meet this goal!

The Hands-On Project for this meeting is Gift to Mission Cards. To be sure your local unit is participating in the Gift to Mission and Gift in Memory channels, you still have an opportunity to purchase those cards in the Program Resource Room this afternoon. Stamps are also available for sale for cards you want to place in the dedication baskets during communion service tomorrow. Participating in all five channels of Mission Giving will help us reach our conference pledge of $820,250 by December 1st.

As we look ahead to 2013, the Conference Financial Goal will be "To Exceed our Total Conference Pledge to Mission Giving."

The 8 districts 2013 A&MD Total Budget is $80,000. This is about $27,000 less than the previous year. Over the past several years most districts have over budgeted their A&MD needs; some resulting in larger than needed balances in their bank accounts.

The 8 districts Pledge to Mission for 2013 is a total of $917,000.

At the time this budget was being created, none of the 8 new districts had officers or finance committees to submit district A&MD request or pledges. Both of these figures were calculated on historical spending, a typical budget, total pledges for the previous year, and the anticipated membership within each new district. For 2013 these are merely guidelines for the 8 new districts.The budget process begins in the District Finance Committees, and then goes to the District

Executive Committees for approval. Since there were no new district officers as yet, this process was circumvented this year. The Conference Finance Committee, composed of all District Treasurers, all District ME&Is and the Conference elected officers met in August to discuss, analyze and question the District Budgets, as well as the proposed Conference Budget. After approval by the Conference Finance Committee, the budget went to the Conference Executive Committee for further discussion and approval. It is now presented to you for final approval.

Madame President and members of United Methodist Women, the Conference Executive Committee recommends that our 2013 Conference Pledge to Mission be $820,500--an increase of $250.

President Carter states: "Coming from a committee, this needs no second. Any discussion or questions.
All in favor "yes" ... All opposed "no"... and it carries.

Madame President and members of United Methodist Women, the Conference Executive Committee recommends that our Total Conference Administrative Membership & Development budget for 2013 be $185,042.50--a decrease of $37,087.50.

President Carter states: "Coming from a committee, this needs no second. Any discussion or questions...
All in favor "yes" ...All opposed "no" ... and it carries.

This is a total budget of $1,005,542.50 for 2013.

Thank you for all YOU do to support mission through UMW and your commitment to Make Mission Possible

Report of Committee on Nominations, Lisa Bacon, Chairperson:
The Committee on Nominations has been very busy this year and is already scouting for the 2014 slate. Thank all of you that talked with us when we called and gave prayerful consideration and saying yes.

Pat Shoffner was presented to the Executive Committee in July as an interim to fill an unexpired term on the Committee on Nominations and was elected at that time.

Madam President and members of the United Methodist Women, the Conference Committee on Nomination presents the names of the following nominees for election at this meeting:

Term beginning January 1, 2013
Nominees for a 2 year term for 2013-2014 are:
Rebecca Wright - Mission Coordinator Education and Interpretation
Vicki Walker - Communications Coordinator

Nominees for a 4 year term for Committee on Nominations 2013-2016 are:
Sibyl Long and Susie Parks

Nominees for Charter for Racial Justice are:
Jenny Spradley - District President
Patricia Settle - Executive Committee

After going through due process according to Robert's Rules of Order they were elected by acclamation.

Mission Education and Interpretation, Virginia Robinson, Coordinator:
Virginia reported that we have 839 local units at the end of 2011, but we can add many more. 41% were Mission Today units which is an increase of 3% over 2010. 65% gave in all 5 channels of giving, which is an increase of 1%. 38% participated in mission studies, an increase of 5%. We are increasing our numbers and that is great. I know that everyone is working in their local units to be a Mission Today unit. All that your unit has to do is complete 12 of the criteria with 6 of those that have an asterisk. But remember, you must first make your pledge and then meet your pledge. Now think, when you purchase a Gift to Mission Card this weekend, address the card, stamp it, and drop it in the basket during communion, or if you brought a birthing kit to send to the Mission Response Center you have fulfilled No. 22 of the Mission Today criteria by participating in the Conference Hands-on opportunity. You are on your way now and still have 3 months. It is very easy to do. Our Mission Today goal for 2012 is to have an increase of 5% over 2011. Only 16 more units need to become Mission Today units to meet this goal, It can be done. Let's bring up our percentage for 2012. You still have plenty time to complete this goal.

National Organization of United Methodist Women, Dixie Liggett & Lynne Gilbert:
Dixie Liggett says "I have probably had the shortest term of service as a Director of Women's Division that anyone has ever had."

Four year ago at the Southeastern Jurisdiction Meeting in Norfolk, I was elected the first alternate to Women's Division. Sadly, Earlene Gladney of the Memphis Conference died in May 2011, and I then became her replacement.

My first thought each time I attended a Board Meeting was "What experience or learning from here can I share back home with local women?"

At the Board meeting in New York City last October, we had a whole evening workshop with Stephanie Sellers, the author of the book *RADICAL WELCOME*. I have since shared a portion of that workshop with three local units. In March at the Board meeting in Dallas, I was able to visit the Wesley-Rankin Community Center in West Dallas, an area once known as the "Devil's Doorstep." The Center started in 1902 as the Greater Dallas Board of City Missions to serve immigrant families. In 1935 a Methodist woman named Hattie Rankin read in the newspaper that a young man from the West Dallas neighborhood, Bonnie and Clyde's neighborhood, was sentenced to execution for crimes he had committed, and she wondered what must his mother be thinking. Hattie Rankin showed up on the mother's porch and said "I've come to pray with you." Hattie started Sunday School classes for the neighborhood children in the backyard of noted outlaw "Pretty Boy" Floyd Hamilton's home. She ministered to Hamilton, even writing to him after his conviction and sentencing to Alcatraz Prison. Hattie raised funds to build a mission that later became known as Rankin Chapel. Hattie reached out to the mother of Clyde Barrow, who promised to come to worship and bring with her "a gang of people who never saw the inside of a church." The Dallas City Mission was moved to the neighborhood, joined with Rankin Chapel to become the Wesley-Rankin Center. The director of the Center told us that one of the small houses in the area had been known as "the suitcase house" because suitcases of clean clothes were left on the back porch for gang members to grab on the run through the area. I remember talking to Mildred Carter on the phone from Dallas and telling her "As a Director, I get to go to the coolest places. Wait until I tell my women where I've been."

I remember Janet Collins when she was a Director, standing in this spot, saying "As a Director, I never forget that I am representing You. And it is an honor and privilege". I echo that. Thank You.

Lynne Gilbert
"Dixie and I first want to say thank you for all that you do in support of mission and the PURPOSE of United Methodist Women in your local church, communities across the country, and around the world. You make a difference every day in the lives of women, children, and youth. You do that in so many ways by giving your time and energy, by learning about mission around the world, by sharing in advocacy efforts, by participating in hands-on mission projects, and through your incredible generous mission giving. We heard again this morning that we have led the nation for 11 consecutive years. As directors we have a very special opportunity to see up close and in a personal way many of the ways you are in mission around the world. So, thank you for all that you do. It has been wonderful for the last year to serve with Dixie. I am excited and honored to be able to serve for 4 more years.

On May 1, 2012 the General Conference of the United Methodist Church approved proposal

that came from the General Board of Global Ministries and the Women's Division related to United Methodist Women that we believe will strengthen our organization and move us forward for the next 140 years of women in mission. Effective October 1, 2012 United Methodist Women will complete the process of becoming its agency within the United Methodist Church for the first time in more than 70 years. Many rumors are going around about the United Methodist Women leaving the church and some say the United Methodist Women are no longer going to be in mission. **Please help us to tell the story that these rumors are far from the truth.** The truth is that from our beginning the United Methodist Women has always been, and will continue to be, a vital part of the United Methodist Church. We are organized for mission, engaged in mission, living out our purpose and turning faith hope and love into action on behalf of women, youth, and children around the world, and nothing has changed about that. We will become an independent agency, just as the Board of Global Ministry and the United Methodist Men are independent. While our structural relationship with global ministries is changing, we will keep our mission connections and work in partnership in many important ways. One exciting result of this new relationship and structure is that when the leaders of all the General Agencies of the United Methodist Church sit down together the United Methodist Women will have seats at the table. So, it is all good.

The new National Board Directors will have 25 members for the next 4 years, instead of 50, and will continue to be responsible for policy making, financing, property, and those things for the organization.

A new part of the National Leadership is the Program Advisory Group, which will meet together with the Board of Directors once a year. This new group will mean that every conference across the country is represented and will include other mission partners as we work in partnership with the church. We believe this will strengthen relationships of United Methodist Women's National Organization with every annual conference and provide a lot of great opportunities for sharing and visioning, planning and evaluating and supporting the work of the United Methodist Women.

We had our organizational meeting in August. It is a great group of women and I am looking forward to being a part of that.

Another part of the proposal adopted by the General Conference relates to increased flexibility for conferences and districts to organize their work as they see what will work in their area and local units are encouraged to do the same. To organize the work in your local unit in a way that works best for you

I just want to point you to three new resources. Two that are available now and one that is coming. Available now is the United Methodist Women Annual Report for 2011, "United Methodist Women on the move turning Faith Hope and Love into Action." Also, twelve new posters for United Methodist Women showing beautiful photos of children around the world are available. Coming soon is the new *United Methodist Women Handbook for 2012-2016*. We have seen the draft of this Handbook and it is wonderful. We are very excited about this being ready very soon.

I hope you will call on your District and Conference Leadership Teams. We are eager to support you in any way that we can. If you have questions (hear rumors) or just need help in finding resources. If you just need someone to visit your unit, please call on us as we want to provide that support.

Break: Devotion in Motion was led by Dori Thurman and Shirley Hickok.

Funny Business: The Conference Program Committee participated in a skit called "Who Moved my Line" as follows:

Mildred: Welcome to the brain storming session as our team begins to discuss something that seems to be in the mainstream of our Conference conversations right now - Lines. Let's join the conversation

Tonya: Let's begin by discussing what a line can be. A line can be a string or mark, a story, or policy, or retail merchandise. A line can be short or long...
Ann: When I am running errands and I'm in a hurry, I always look for those short lines. They are called **Express Lines** and they get me out in a hurry!
Tonya: Yes and then we have thick and thin lines...
Sherry: Yes, I've always heard there is a **fine line** between genius and madness and love and hate!
Tonya: Yes, thank you! There are literal and implied lines. Then there are directional lines...
Janice: That would be when my mom would say: "Young lady you make a **bee line** to the bathroom and wash that stuff off your face. You're not leaving here looking like that!"
Tonya: Mildred would you like to give this a try?
Mildred: Today we are talking about lines that are changing. Lines that are changing the areas of our districts. They are changing from 15 districts to 8.
Martha: There are lines that have always changed throughout history. What a about the **hemlines.** They have been all over the place - above the ankle below the knee, above the knee, way above the knee. Now it doesn't matter where it is!
Julia: And what about the **necklines!** Boat neck, v-neck, crew neck and the plunging neckline!

Mildred: now you've made me loose my **line** of thought!
Julia: Let's celebrate the 2011 **timeline** of old districts! I'll start with the **bottom line** of the Largest Increase in Undesignated Mission Giving...#3 Albemarle 3.6%, #2 Lexington 3.7%, #1 Marion 7.9%. Next we have the **bottom line** for the Highest per Capita in Undesignated Mission Giving... #3 North Wilkesboro $36.34, #2 Winston Salem $36.89, #1 Asheville $48.69.
Ann: Many local units were very busy reading many, many **Lines** in books that are part of our reading program. The district with the most units participating in the reading program is #3 Albemarle, #2 Asheville, #1 Waynesville. There are units that read line after line, and book after book, and completed all 4 reading plans.
The district with the most units completing all four reading plans is..#3 Asheville 6, #2 Lake Norman, Lexington and Winston Salem 7, #1 North Wilkesboro 10.
Children reading plans - #3 Albemarle, #2 Statesville, #1 Charlotte.
Virginia: Many women traveled across **county lines** and city limits to attend Mission Studies given in their districts. Those districts with the most ladies attending mission studies is...#3 Northeast, #2 Winston Salem, #1 Charlotte and Waynesville. There were districts that helped us increase our **bottom line** and Mission Giving by giving in all 5 Channels. Our mission money travels across **borderlines** of states and countries to help women, children and youth globally. Those districts are...#3 Gastonia, #2 Salisbury, #1 Statesville. Many units were able to check off **lines** of Mission Today criteria and become Mission Today Units. The districts with the most Mission Today units are #3 Lake Norman, #2 Waynesville, and #1 Winston Salem.
Martha: Social Action sometimes requires us to form **protest lines**, sign on the **dotted lines** of letters and petitions, and be a **life line** for those that have no voice. The district with the highest percent of Charter Club Units are #3 Winston Salem 50%, #2 Charlotte 51%, #1 Waynesville 58%.

Martha Phillips presented Jo Pyatt, of the Marion District, with the Social Action Award for 2012. All of her adult life Jo has been trying to bring about changes for social justice. She has been involved in many social projects over the years. Jo started the Lambs Ministry. She came up with the name from the scripture where Christ told Peter that if he loved him feed my lambs. Jo spends 2 afternoons a week volunteering for Hospice, along with many other things. Jo is a very popular program presenter for local units. Primarily her programs are on social issues.

Sherry: We have added a new award this year. It is the Walk for Mission. Some people walk for their **waistlines,** but United Methodist Women members walk to the **finish line** for Mission. The top 3 in this event is #3 Winston Salem $1,537.20, #2 Lake Norman $2,001.00, #1 Asheville $2,911.40. Membership highest net gain was #2 Gastonia +15, #1 Lake Norman +64.

Tonya: A handful of women began an organization that has transformed many lives around the world. We cannot let the changing of district lines affect our Mission. There is one line that is common among the United Methodist Women of our conference. It is a sign that we enjoy being together and working together. Can you guess what it is? It's a **laugh line!** So grab your sister's hand as we join **Telling the Story of Mission:**

Virginia Robinson: As we continue our mission portion of the 2012 Annual Meeting, we are United Methodist Women under (Re)Construction. Our Mission personnel across the conference join with us today to re-construct the WesternNorth Carolina Conference from 15 districts to 8 districts. We join together so that we might tell stories of mission. Today is all about our Mission Guests. We want them to be treated as our guests.

Honored guests entered the auditorium.

Virginia Robinson: Welcome to the Mission Session of the Western North Carolina Conference 39th Annual Meeting. I want to share some details about our honored guests this morning. There are deaconesses, US-2's, Church and Community Workers and other mission personnel. We have with us retired missionaries, General Board of Global Ministries Staff, Women's Division Staff and Deaconesses. They have worked for a total of over 900 years serving in the field of mission. We also have with us past United Methodist Women Presidents and Mission Coordinators for Education & Interpretation with many years of service to United Methodist Women.

Introduction of Mission Speaker:
Rev. Pam Carter is an ordained elder in the Western North Carolina Conference. She has served in several churches throughout the conference, and currently is the Mission Specialist of the Western North Carolina Conference. Pam has a passion for Haiti and has been there over a dozen times. She is married to Rev. Dr. Ken Carter and together they have two daughters, Liz and Abby. Ken was elected Bishop in July and the Carters have moved from Lake Junaluska to Lakeland, Florida, where Bishop Carter presides over the Florida Conference. Virginia presented a Special Mission Recognition pin to Pam.

Pledge Service:
Julia Willis, Conference Treasurer, and District Treasurers presented a Pledge Service highlighting M&M Girls (District Treasurer's) who were dressed like M&M's in the 5 colors of Conference mission giving. They were red, orange, green, blue and yellow.
For our PURPOSE, M&Ms is ME AND MISSIONS....M&Ms. That's what United Methodist Women is about.

Red M&Ms might represent the Wesley Community Center in Amarillo, TX.
Orange M&Ms could be to fight food insecurity and battle hunger by United Methodist Women in Midisi, Africa.
Green M&M's might represent migrant workers on Johns Island in Lowcountry, SC.
Blue M&Ms could be just over these Blue Ridge Mountains to the west in Knoxville, TN at Wesley House Community Center.
Yellow M&Ms might represent Asian and African women.

These 5 projects we've highlighted are such a small sampling of mission work sponsored by Mission Giving around the world. The sun never sets on United Methodist Women's giving.
These M&Ms really do get around the entire globe. M&Ms, money and missions, go hand in hand. Every time you see a bag, advertisement, a commercial or one of those M&M character dispensers...it should be a reminder to you that M&M is not only great chocolate or peanut candy...it's ME & MISSIONS.

The Love Offering today is in honor of the Western North Carolina Conference 15 districts.

Scripture: Ecclesiastes 3: 1-18 was read by Sherry Sink.

Mission Address by Rev. Pam Carter:
Rev. Carter thanked the United Methodist Women for having her here and for supporting her husband for his candidacy to the episcopacy.

"I am here to share with you how mission has changed my life, it's made my life rich and full of meaning and purpose, alive and fresh. How it's challenged me and connected me to wonderful people who also have a love of missions. And, I can honestly say that I believe I've made a difference in the world, as I have served God's people and specifically in Haiti.

When my youngest daughter went to college I found so much time on my hands and did not know what to do with myself. A lady named Alice White, who was a member of the Church that my husband was serving as pastor, was getting a team together to go to Haiti. Alice and her husband had opened a clinic in Haiti 30 years ago. I agreed to go to Haiti with this team.

I was to be a part of an intake team. This is people who are not doctors or nurses, but would help with getting patients ready for the doctor to examine them. Once we entered the village, it was like nothing I had ever seen. There was trash and filth everywhere and it was very overwhelming. After a few days, I settled into a routine and thought I could manage this. By

mid-week I thought I was doing okay. But everything changed when a very sick baby was brought in that had almost died due to the lack of water, the lack of nourishment and really the lack of hope. The baby's name was "Lovely."

That baby lived because someone did something that mattered and made a difference. But, they did something else, they invited others to join them in this work.

One friend, a retired pediatrician from Virginia, built *an orphanage and school* with the funds from his father's estate. It now serves the needs for 500 children a day in Haiti. Another friend, a pediatrician from St Louis, heard about a peanut butter concoction that would help save the lives of malnourished children. She got the recipe from a friend at the university near her, took a handful of peanuts, a hand grinder and made that first recipe. This year she just completed a $2,500,000 factory that is producing medical peanut butter. She is using Haitian farmers to grow the peanuts, Haitians to harvest the peanuts, Haitians to produce the products. She estimated that this year 80,000 children will be served by this malnutrition program.

That day in the clinic, with Baby Lovely laying before me, I realized a truth that we often forget. In our culture we can make a difference. I'd seen with my own eyes, how one woman had taken a step to make a difference. And, evidence of what they had done was a tiny little baby named Lovely would live. In that moment I vowed that I would do everything in my power to help the baby Lovelys of this world."

Saturday Afternoon: "As Time Goes By"
Lynne Gilbert, Women's Division Director: We will hear from the Class of 2012 Deaconesses commissioned and from Jennifer Davis who will help us think change is fabulous and we will celebrate our new Districts.

Another change adopted by the General Conference is to place the responsibility for the deaconess and home missioners program with the United Methodist Women. This year we have 4 newly commissioned Deaconesses. They are as follows: Carol Bruder, Eva Gunnings, Sybil Perrell and Ruth Williamson. In a panel discussion, they explained the role of a deaconesses and shared information about their ministries.

President Carter presented Special Mission Recognition pins to all 4 Deaconesses.

Jennifer Davis, Director of Discipleship Ministry for Western North Carolina Conference: "Do You Hear What I Hear":
Jennifer thanked the United Methodist Women for having her here this weekend and for having Morgan (her granddaughter) here to dance.

Jennifer read the Scripture from James 1: 19-27.

We don't all hear the same thing, even though it is said to us at the same time. As you talk about United Methodist Women under (re)construction it means that there has been a change. Something has been in place and now a change is coming and we are redoing it. As the Bishop said last night "It's all about mission." Coming from the Bishop's words. #1 Be grounded in scripture. If you are grounded in anything, you are rooted in something and from that you will grow. "Do you hear what I Hear." That's what I hear. God has been working in my life as in your life. Until I went to Disciple Bible Study, I did not know how grounded I was not. When you sit in Disciple Bible Study with 15-16 people who can read the same passage and each can hear something different. #1 Grounded in scripture is a big deal. #2 Be growing in the Spirit. If you are grounded in scripture, you are going to be growing in the Spirit. #3 Going in service - We have got to do sumpin! with what we have heard. Talk with somebody, touch somebody, share a story, let somebody share a story with you. Feed a child. The easiest connection we can have is in a school.

Stages of change:
First stage is denial - you don't see the change coming: therefore, you are not prepared for it. Here it comes!

Second stage is resistance - Fear fuels resistance and you think you will not be moved. After a while you move on.

Third stage is exploration/acceptance - This is when you say I'm in because I want to be a part of it. There is commitment.

How to make this shift - You must be true to yourself. This says I am being the one who God intended me to be. Then, you must have a "Hell's Angel's Hardee's" experience. Jennifer told the story of meeting about 10 men and women in Hardees that she thought was a Hell's Angel's gang. These people turned out to be wonderful Christian people. Do not judge people by what you see on the outside. You need to look at the inside. Relationships are not built on the outside. They are built on connecting from the inside.

Become an "ABMW" (Angry Black Mountain Woman)." You need to be mad enough about Sumpin' to do something about it. Do whatever it takes to change this world and bring people to Christ. Go! Do Sumpin'!

Jennifer passed out index cards and asked that we write on them our thoughts and what it means to us to hear them say "It's all about the Mission." She will collect the cards tomorrow. It is not just about the United Methodist Women or the United Methodist Church. It's about a crying, hurting, desperate world, people who don't even know the name of Jesus.

Jennifer gave the following Benediction:
May God bless you with discomfort at easy answers, half truths, and superficial relationships, so that you may live deep within your heart. May God bless you with anger at injustice, oppression, and exploitation of people, so that you may work for justice, freedom and peace. May God bless you with tears to shed for those who suffer from pain, rejection, starvation, and war, so that you may reach out your hand to comfort them and to turn their pain into joy. May God bless you with enough foolishness to believe that you can make a difference in this world, so that you can do what others claim cannot be done. In the name of Jesus Amen!

President Carter introduced the members of the Transition Team who were appointed to help reorganize the Districts. They were as follows:

These new officers have been called by name: Rebecca, Vicki, Sibyl, Susie, Lynda and Sandy. When we are called, it is to be servants. New officers may be wondering "What do I have to offer?"

All officers, new and continuing, sing verse 1 of hymn "What Gift Can We Bring?" and listen carefully to the words.

When we come as servants, we do not come with our own agenda. We come expecting to be told what to do.

First: The Congregation will sing verse 1 of the hymn "Ye Servants of God" and again listen carefully to the words.
Second: New officers will attend District Officers Training in October and a Leader Development Event here at Lake Junaluska in January.

To new officers I ask:
Will you, as officers called by name, promise to serve God through your place on this mission team? If so, answer "With God's help, I will."
Will you support the PURPOSE of the United Methodist Women? If so, answer "With God's help, I will."

Will you make available to yourself all training and reading help for your office? If so, answer "With God's help, I will."

There are other women called by name who are continuing in their offices:
Mildred, Tonya, Elizabeth, Julia, Sandy, Sherry, Martha, Ann, Lisa, Vernie, Patricia, Pat, Michelene, Albertina, Rosemary, Kim, Dixie and Lynne...and we affirm these officers. And we affirm the women who are being called to be presidents of the new districts: Nancy, Maureen, Jane, Jane, Jill, Julie, Emily and Jenny.

To those who are continuing on this mission team:
Will you continue to study, reflect on, pray about, and take action to carry out the PURPOSE of the United Methodist Women? If so, answer "With God's help, I will."

To the congregation: I present to you the 2013 officers, newly installed and continuing of the Western North Carolina Conference United Methodist Women. You have elected these officers. You have both honored and challenged them. You have given them responsibilities that require your constant prayers and participation. Will you continue to support and challenge them with your prayers and commitment and will you be open to new ideas and possibilities that may come from these leaders? If so, answer "With God's help we will."

All will sing verse 3 of the hymn "What Gift Can We Bring."

Let us pray: Lord, these women have heard you call them by name, and they are stepping out in faith to be in mission with you. Bless them and keep them in your care. In Jesus name, Amen.

And one last word of word of advise:
Last year when I became a Women's Division Director, I received many notes of welcome and encouragement. But one note stood out. It came from Barbara Campbell, a deaconess and a former Women's Division staff person who is now actively retired at Brooks-Howell Home. Along with congratulations, she wrote "Have fun!" She was the only one who said that to me, and it opened up my commitment even wider.

So now I say to this team, "Have fun! Enjoy each other."

And as a symbol and reminder to keep your hearts open to God and to each other, I have for each of you, as you leave the stage, a small handmade ceramic heart pin.

Scripture: Psalm 118: 24, Hebrews 13: 8 and II Corinthians 5:17 was read by Carolyn Payne, Winston-Salem District.

President's Address: Mildred Carter
This afternoon at your new district gathering, you received a poem written by Dixie Tyson. The last verse of "Building Together" reads:

New friends. new lines, let's do our part,
Memories of past districts held dear in our hearts.
(Re)construction of our Conference -- Let's hammer away;
living our Purpose, bonded together, come what may.

Today, we have talked about lines, (re)construction, new ways. We have met new people and have begun to bond. We do have many wonderful memories of serving together in God's mission -- and we will continue to make memories. Tonight, I want to talk briefly about our Past, the Present and adapting for the Future.

Our past -- where do we begin?

Luke 8:1-3 is, I believe, the beginning of Women in mission:
Women who were grateful for what Jesus had done for them supported Jesus and his followers from their own means.

In 1869, you've heard the story -- six women met on a dark and stormy night at Tremont St. Church in Boston -- a beginning -- six women began this movement. When someone says to me "We only have 5 or 6 members, so we cannot do anything". I remind them of what six women can do! Small units do not realize how vital they can be.

From "A History of the Woman's Society of Christian Service and the Wesleyan Service Guild" which is out of print -- I learned some interesting facts. So here is a question for you:

When was the first Western North Carolina Conference Annual Meeting of Women's Society of Christian Service held? in **March, 1941.**

Where was the first Meeting held? **West Market Street in Greensboro.**

This was a huge change bringing together three uniting Methodist churches.

At the Organizational meeting of this body, the 495 delegates, representing 21,505 charter members heard this charge:
and I quote:
"Never in the history of the world was the faithfulness and devotion of every Christian woman more needed than today.
I charge you:

- to be true to the purpose of this society;
- to strengthen the ministry of this church;
- to study the needs about you;
- to open your heart and minds as never before to the needs of womanhood and childhood in every part of the world;
- to become active, informed world Christians.

I charge you to look to the future, not to the past. Glorious as have been the achievements heretofore, they are but stepping stones on which to rise to greater heights.

I charge you to let the love of Christ dwell in you richly. Pray daily that this new-born society may be a spiritual power for world righteousness and that in the heart of each of us may be kindled a new a passion to make the love of God known to all men". (end quote)

In its second year, 1942, the Western North Carolina Conference led all conferences in Methodism in the number of mission study classes held --1,170. The Waynesville District received special citation as the first district to have a study class in every church in the district. In 2011, 25 of 37 units in the Waynesville District participated in a mission study.

The first Love Offering was received in 1944. The amount collected was $445.00. In 2011, the Love Offering totaled $24,831.86.

In 1946, the Wesleyan Service Guild held its first annual meeting, and membership in both of these groups grew rapidly. We have a rich history, but we cannot cover all of it tonight.

What is happening Today:

You received in your tote bag my written report that was distributed at Annual Conference. This report, Funny Business this morning and reports in your Program Book inform you of many of our ministries. Please take this information back to your local unit.

Thank you, members of local units, who made possible all that we are celebrating this weekend.

We celebrate with joy all that God has done through your hard-working hands and hearts here in this Conference.

Our mission is to convey God's love. Lives of people here in our own country and around the world are changed because we care. We believe in reaching out to those in need. Before we can do this, the foundation must be laid -- the foundation of our organization is "To know God and to experience freedom as whole persons through Jesus Christ." This foundation is reinforced through Scripture, prayer, Bible studies, etc.

My Dad was a carpenter. Before building something, he always had a plan -- even if it was just a picture. My Brother builds blue bird houses. But, he researched the needs of a blue bird before beginning to build. We cannot build without a plan either. Our plans -- or building blocks -- are the UMW Handbook, Response Magazine, the Prayer Calendar, Leadership training, School of Christian Mission (or rather Mission u).

After the foundation is laid, we need to tell our mission story -- communicate, communicate, communicate, *Response Magazine* is the best source of the stories that we need to tell. Response should be read by every United Methodist woman. It is not a leader's magazine. It is for all UMW . A good use of Mission Money is to subscribe to Response Magazine for your unit.

We need to share "Where the Money Goes." No one else supports the ministry of United Methodist Women.

Membership is a concern. In 1972, we had over 40,000 members. At the end of 2011, our Conference membership was a little over 29,000.

What can we do about this?
Ask yourself, why am I a United Methodist Woman?
Turn to the person next to you and ask "Why did you join UMW?"
Raise your hand if you attended because someone invited you.

My challenge to you -- before we meet here again next September -- invite someone to join your unit of UMW. Now, if you feel that nothing is happening that will interest another woman, do something about it!

- Change your meeting time
- Start a new circle
- Start a Reading Club with books from the Reading Program

- Offer child care and/or transportation
- Adapt programs from the Program Book or Response Magazine to fit interests of your women
- Above all, be flexible.

Is UMW meaningful enough to you that you will invite someone to participate with you?

And What About the Future:
Genie Bank, former President of United Methodist Women, at a meeting in 2003 said:
"The road called Women's Division has always been under construction. We have always worked to find creative ways to tell the mission story. We have always worked to become Christ's hands here on earth as we participate in just ministries. We have always worked to help people find their voices. And we have always had committed directors and staff who have prayed, worked, loved, and had a passion for mission. Thanks be to God."

God always travels with us through new changes. How can we turn the energy we spend in resisting change into energy to make and welcome New Things in our lives? Some of us can use a lot of energy resisting New Things. We can dig our feet into the ground and say **NO!** I will not change. I will not do things any differently than I have always done them. I know none of these women are here this weekend!

Try your ministry and programs in new and innovative ways. Now is a great time to do something new!

My prayer and hope for us as United Methodist Women, as we say goodbye to our existing way of doing things, is that we can be fully open to the work of the Holy Spirit to be vessels for God's much needed justice and compassion in our communities and world.

Other Conferences going through a reduction in districts with larger geographic areas are experiencing a drop in attendance at district meetings. Please do not allow that to happen in your new district. I have attended many of your district meetings and watched you as you joyfully celebrated together. Over the years, you have formed a sisterhood, a supportive community, and you can do that again in a new place.

Hebrews 10:24-25a reads:
And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together as some are in the habit of doing, but let us encourage one another.

Nothing in the world stays the same. We cannot avoid change, but we can grow from it.

Patricia Wilson in "The Mindful Manager" writes: God does not change; God does not leave you, God can bring good from any change in your life.

Let us pray: Holy God, we give thanks for all that you have done through us that helps to make the lives of women, children, and youth just a little better. For every time we have spoken up for the one who has no voice, we give you thanks. For every dollar that we have raised and given that has brought comfort or much needed resources into the hands of those in need, we give you thanks. For every relationship we have built with fellow pilgrims on the faith journey that has strengthened their faith in you and brought them one step closer, we give you thanks. Now give us courage to face the new things you are doing in our midst. We pray for patience and wisdom. Most of all we give thanks for the opportunity to be your vessel and servant in this world. Use us for your glory and to help bring New Life to others. Amen.

Benediction:
Betty Durham, Greensboro District-- We know the story of our past, we are writing the story of our present, but we have a future that we can write a new story, the story of love, the story of hope, and the story of faith. As you go out these doors, take that story with you. Write the story for the children, for the women and youth and may God bless the work of the United Methodist Women.

Sunday morning 8:30 am - 9:30 am: Choice times for Sunday morning were "Immigration and the Bible" study in the Harrell Center Auditorium led by Rev. Alec Alvord, and singing at the Cross led by Jane Smith.

Sunday Morning Worship:
Tonya says, "I am sure you have all heard the old adage that what happens in Vegas stays in Vegas. Well, that's not the case here. What happens at Lake Junaluska Annual Meeting has to be shared with others. So, I challenge you to go back to your homes and communities and let some lady, friend, UMW sister who could not attend, know what happened at Annual Meeting this weekend." She thanked everyone for their active participation at all the events this weekend, all the ladies who have volunteered to sing in the choir this morning, Sandy Hieronymus for her talents in creating our altar, our Host District, Albemarle, for the wonderful job they have done this weekend.

She also thanked the members of the District Teams, who agreed to participate in the program and thanks to all of our Program Participants.

Jo Pyatt, Marion District, had the Call To Worship. The 2012 UMW Choir sang "Do Not Fear,

For You are Mine." Jaclyn Nelson, Winston Salem District, read from the Prayer Calendar and led in prayer

Memorial Service: Sandy Hieronymus
Butterflies are Free!
Change is part of life. Our bodies change. Our families and friends change. The world around us is in constant change. Soon the leaves will change colors. Everything seems to be in a state of (re)construction - change. The greatest change we have in life is when we accept Jesus as Lord and Savior. II Corinthians 5:17 tells us: "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here." During this worship service, we will celebrate communion and remember the great gift God has given to us through His son Jesus Christ.

We remember our loved ones, our sisters in Christ, who have passed away. Many of these ladies helped change our lives as their lives were changing too. Chrysalis is the name of the Walk to Emmaus for youth. The youth start the weekend as caterpillars and end as butterflies. The slogan is "Fly with Christ." Caterpillars and butterflies are interesting. The change that takes place within the chrysalis or cocoon is amazing. I want to share with you a portion of The Legend of the Butterfly.

A man was walking outside in the fall of the year when he noticed the cocoon of a monarch butterfly hanging from a milkweed plant. He stopped to observe this wonder of nature. One day a small opening appeared. He noticed the butterfly was trying to push through this small opening. He sat and watched for several hours while the butterfly struggled to force his body through that little hole to get free. Then it seemed to stop pushing and just lay there as if it could go no further. Wanting to be helpful, the man carefully enlarged the opening. The butterfly emerged easily. Now he waited for the butterfly to fly away. But then he noticed its body was swollen and it wings small and shriveled. It just crawled around dragging its wings by its side. It was never able to fly.

In his desire to be helpful, this man did not realize that the struggle required by the butterfly to push through that tiny opening was nature's way of forcing the fluids from its body into its wings, thus strengthening its wings to fly.

Having been denied that process, the butterfly emerged weak and underdeveloped. It never did learn to fly. It never did reach its full potential. Sometimes struggles are exactly what we need in life as we seek to reach our human potential, as we learn to fly. It is when we are pressed that we move forward. When we struggle, we grow. When we are challenged, we reach deeper to find our strength. Some of our greatest potentials are found in our struggles.

The ladies whom we remember did not always have life easy. They, just like us, had hardships, illness, sadness along with happiness, peace and joy. These ladies emerged, with the help of God, to become butterflies in Christ. We just sang these words in the "Hymn of Promise;" In cocoons, a hidden promise butterflies will soon be free! The PURPOSE of United Methodist Women states that we experience freedom as whole persons through Jesus Christ. These ladies are free through Christ.

A lady from each district placed a butterfly on the Memorial Table. A chime rang as a butterfly was placed on the cross.

As we remember those no longer with us, may we also remember our lives can be changed through YOUR Son in whose name we pray. Amen

Morgan Smith presented a Liturgical Dance to the music "Take Me to the King."

The Message: Times of Change Dixie Liggett
I don't like change. I like old things, old people, old ways. My mother told me I was born old. When Tonya ask me to speak. I asked her, "What do you want me to say?" She said, "Well, tell about the changes you've seen in United Methodist Women," And that made me feel old.

I remember when I first became a district officer, probably 30 years age, I was the Asheville District Secretary. I didn't type, there were no computers with word processors and spell check. But we had an electric typewriter at home with erasable typing paper. Then whatever I managed to type, I'd take to have copied, stuff it into envelopes, stamp them all, and take them to the post office. Today we have computers with word processors and email, and we even send the Conference Gram by e-mail. Now that's been a good change.

Thirty years ago, if there was a more urgent message to get out, we had a telephone tree. You know -- I'd get a call about something, I'd then call another person or 2 and they in turn would call the next person on the list until the message got around. We were careful to call after 5:00 pm, when long distance rates went down, and we kept careful records of which calls were personal and which were for UMW.

Now many of us have cell phones, and we can call anytime from anywhere. That's a good change.

And even better---Mildred Carter, our president, can hit just one button ..."send" ... on her computer and instantly send to everyone of us on the conference prayer chain a prayer request. That's been a very good change. So... some of our tools have changed.

We've also changed names over the years -- both the name of our organization and the names of offices. Our organization started out as The Women's Foreign Missionary Society. The first magazine was called "The Heathen Woman's Friend." Can you imagine what that would sound like today if we hadn't changed to "Response Magazine?"

The first organization name I remember was the Women's Society of Christian Service, or WSCS. And I remember when we changed our name to United Methodist Women. Now we are to be called United Methodist Women, Incorporated, or United Methodist Women, Inc.

When I first became a Conference Officer, my office was Christian Global Concerns. Now we call that the Mission Education and Interpretation. My second Conference Office was Christian Social Involvement, which now we call Christian Social Action.

I attended my first School of Christian Mission at Pfeiffer in 1981. Now we're changing the name to Mission u. (The letter "U" can mean "university" or "you -- y o u.) So we've had name changes.

And now we are being asked to change structure, from 15 to 8 districts. This is a change being done by our whole church, and we are part of the whole church. You've heard of "growing pains," but this feels like "shrinking pains." It isn't coming easily. You've already heard that we have had interim nominating committees to fill positions for the new districts, making sure that no one is being left out. I haven't been directly involved in that process -- but when I looked at the Asheville District coming together with part of the Marion District to become the Blue Ridge District -- and saw that Jo Pyatt, the current Marion District President, is nominated to be the Blue Ridge District Secretary -- I was pleased -- because I have known Jo for years at the Conference level, but now I'll have the opportunity to know her up close in the same district. I expect that when you look at your new district alignments, you'll see good, new opportunities, too.

Through all the changes -- tools, names, structure -- our UMW Purpose and our work has never changed. We still follow Jesus, as did the women in Luke Chapter 8 who "provided for Him out of their resources." Jan Brittain once said that that group of women was the first unit of United Methodist Women.

We are still organized for mission to women, children, and youth..."doing it to the least of these" as Jesus said in Matthew 25. Changes may take us way out of our comfort zone, but remembering our Purpose will keep us anchored.

At the Women's Division Board meeting in New York last October Inelda Gonzalez, our immediate past president of Women's Division, was reminding us of the mission work ahead of us. She said we are to shine light on the issues before us, specifically right now, poverty and domestic violence. She compared us to flashlights being kept in a drawer in case of an emergency. But when a time came that the flashlights were needed, they were useless because they had been too long tucked away in a warm drawer, and the batteries were corroded.

The point she was making was that we are not meant to stay in a comfortable place too long because if we stay too long in our comfort zone, we may not be able to function when we're called upon. At Regional School this year we were studying Christians in Japan, my study leader said: "never be afraid to meet Jesus in a place that is strange or different to you." And I interpret place to mean not just a geographical location, but a situation. And never think that you are taking Jesus there with you -- because He is already there.

Communion: A service of Holy Communion was led by Celebrants Rev. A. Gayle Ford and Deaconess Eva Gunnings.

The Dedication of the Gift to Mission Cards was led by Virginia Robinson.

The Litany of Commitment was led by Vice President Tonya Lanier.

The Blessing and Sending Forth was given by President Mildred Carter, and the meeting was adjourned.

Report of the Mission Education & Interpretation

The United Methodist Women of the Western North Carolina Conference are truly awesome.. No matter what is asked of the local units they continue to respond with open hearts.. The response to the hands-on opportunity at the Spiritual Growth Retreat for 2012 was phenomenal. We collected 35 layettes.. 108 health kits, 76 cleaning buckets, 361 school kits, 2 sewing kits, and 3,036 birthing kits. These numbers represent $36,490 in value. At the School of Christian Mission we collected 2,074 health kits, 192 birthing kits, 38 cleaning buckets, and 41 school kits, for a total of $30,238 in value. Combined with the collection at Spiritual Growth, the total value of kits sent to UMCOR is $68,728. Thank you for being in mission to women, children, and youth around the world.

Report of the Scholarship Committee

The 2012 Scholarship Committee met at Pfeiffer University on March 24, 2012. One of the most rewarding experiences of being in mission is the opportunity to shape the lives of our youth. We have a wonderful group of young adults following in our footsteps. We on the Scholarship Committee get to see the hopes and dreams of so many persons who are answering God's call by their choice of life plans. We were so impressed at how God has played such an important role in these young people's lives.

We awarded $27,850.26 in scholarships to ten applicants. This included eight returning students and two first year students. Five of these students will be attending Pfeiffer University, two will be at Greensboro College, and three will attend High Point University. Their future life choices were varied from Christian Education, to Ministry, to the medical profession. Once again the United Methodist Women will be impacting not only these ten lives, but possibly hundreds of people through their work. It is such a privilege to serve God through UMW and the Scholarship Committee.

Scholarship Committee Members for 2012: Mildred Carter, Julia Willis, Virginia Robinson, Jane Norman, Jenny Spradley, and Janice Lentz.

Report of the School of Christian Mission

The 2012 Conference School of Christian Mission was held Thursday, July 26 through Sunday, July 29. The theme for the 2012 Conference was "That All May Have Life". This was

our second year at Pfeiffer University and they welcomed us with open arms. So did our Hostess District, the Albemarle District led by President Shelby Ford.

There were 317 registered students and this included the one-day overview students. The students that attended were 154 full time and non-resident students. There were 149 one-day overview students and 1 teen woman. We also had 59 first timers!!!!

All full time students took the Spiritual Growth Study, "Immigration and the Bible". Our Study Leader for the Spiritual Growth was Dr. Phillip Wingeier-Rayo. Reverend Wesley Smith led the one-day overview classes on "Immigration and the Bible". The repeat study was the Geographical Study, "Haiti: Challenges and Hopes," and was led by the Reverend Pam Carter. The Social Issue Study was "Poverty" and there were 6 classes for this study, The Study Leaders for "Poverty" were Lisa Bacon, Reverend George Coates, Reverend Alexis Coleman, Reverend Heather Kilbourne, Pamela Moye, and Reverend Melissa Swofford. Sherry Sink led the one-day overview classes on the "Poverty" Study. The Teen Leader was Margo Bowman and the Teen Study was "Hope for Haiti". Margo's helper was Virginia Robinson.

Our Music Leaders were Bonnie Burkett, Sara Wasserboehre, and Jackie Kerr. Lynne Gilbert and Sara Williams were our technicians in the chapel, and this year we were able to offer live streaming in the sessions there. Linda Reep was our roving technician helping the Study Leaders in their classrooms with technical issues.

On Friday and Saturday afternoon the students had the opportunity to attend a Workshop for Leaders of Children learning about the Children's Mission Study on "Poverty", "The Girl Under the Bridge". Or, they could choose the membership workshop on "Help! Our Membership is Going Down" led by Tonya Lanier. A Poverty Simulation was offered to everyone on Saturday evening. Students took part in the simulation of families living in poverty. It was an eye opener for all who participated.

The 2012 Conference School of Christian Mission was the last of its kind for two reasons. It was the last with all 15 districts as we know it and next year the name will change. It will be called "Mission u".

Spiritual Growth Retreat

Being at beautiful Lake Junaluska is a retreat in and of itself. United Methodist Women from across the conference gathered there on June 15-16, 2012 for the annual Spiritual Growth Retreat. The theme was *Walk with Hope.* The Reverend Karen Christy Kurtz, Oak Ridge United Methodist Church, was the Speaker. She spoke on these aspects of hope in her three messages: The WORK of hope - without the words, The LANGUAGE of hope - in spite of

words, and The PROMISS of hope - through the Word. Karen's brother, Reverend J. Paul Christy, Highland United Methodist Church, was the celebrant for communion.

Beautiful, inspiring music filled Stuart Auditorium. The Music Team consisted of Jane and James Smith and Susan Lisle. They attend First United Methodist Church, Gastonia. Jane was soloist, Susan was the pianist, and James was the organist. After the first session, the Lake Junaluska Singers presented a concert. Dr. Melodie Galloway directed the 16-voice ensemble.

Many of the 919 attendance contributed to the hands-on project of birthing kits. Over 3,000 birthing kits, and other kits filled the Mission Response Center truck. These kits go to support the work of UMCOR. The Love Offering was given to Mission Giving as an undesignated gift.

We left Lake Junaluska renewed with hope and joy. We have this hope, a sure and steadfast anchor of the soul. Hebrews 6:19.

Social Action Report

Domestic Violence, Human Trafficking, Immigration, and renewing our understanding of the Charter for Racial Justice continue being Social Action Priorities for 2012 Annual Meeting. Dr. Aleese Moore-Orbih presented a wonderful program on Domestic Violence. The information and insights Dr. Moore-Orbih gave us were shared in local units, district events including district leadership training meetings, and in local churches. Increase collaboration with local women's shelters was reported by district and local units.

United Methodist Women continued their support of passage of the Violence Against Women Act and the international Violence Against Women Act. The Violence Against Women Act expired in 2011 and has been reintroduced in Congress.

2012 Report to Annual Conference of
Western North Carolina Conference

By Mildred Carter, Conference President

Western North Carolina Conference experienced another very busy year in 2011 by being in ministry with women, children, and youth around the world. You have received the blue handout from the ushers which details some of those activities. And this report highlights some of them.

We celebrate that - for the eleventh consecutive year - our Conference was #1 in mission giving in the nation!

Total Mission Giving in 2011 was $1,033,844.88. But it is not about being #1. It is about following Jesus in mission - helping women, children, and youth around the world - and next door. Thank you to all who contributed.

We learn where our money goes by reading Response Magazine - the mission magazine of United Methodist Women.

From Response, we learn that we contribute to:

- A project at Henderson Settlement in the Red Bird Missionary Conference that helps families struggling against poverty in southeastern Kentucky
- A program at Wesley House Community Center in Meridian, Miss., that provides a clinic and life skills classes that help break the cycle of poverty
- A goat project in Haiti that improves physical and financial wellness of communities.

We put smiles on the faces of children around the world.

Two new units were formed during 2011. They were Sandy Plains in the Albemarle District and Harrison in the Charlotte District. Also, University City in the Lake Norman District was re-organized.

Members of United Methodist Women enjoy hands-on projects. Over 7,000 UMCOR kits, valued at over $84,000.00, were collected at conference events in 2011.

The Conference Priority for 2012 is to "Reach Out and Touch Someone in Poverty."

We will:

- Attend School of Christian Mission
- Read books dealing with poverty from UMW Reading program
- Tutor in local schools
- Join the UMW Social Action Network
- Volunteer with local agencies that help the poor

The first event of 2012 was the Spiritual Growth retreat which was held last weekend here at Lake Junaluska. Rev. Karen Kurtz led us as we worshiped together with the theme, "Walk With

Hope." Almost 1,000 women and a few men attended. And we filled the Mission Response truck with birthing kits, health kits, cleaning buckets, etc.

I invite you to attend our School of Christian mission which will be held July 26-29 at Pfeiffer University. The theme is "That All May Have Life."

We will provide:

- a spiritual growth study on "Immigration and the Bible" led by Dr. Phillip Weingeir-Rayo
- a geographic study of Haiti
- a study on poverty with several excellent leaders
- and more

At Conference Annual Meeting September 7-9, we will celebrate accomplishments of the Conference and the 15 Districts - as we explore our theme "UMW Under (Re)Construction!" We will enjoy Funny Business reports, a mission speaker, the presence of retired missionaries, music, worship, and more. And we will meet each other in a gathering of our new district members.

A highlight for some of us at General Conference was the commissioning of 4 new deaconesses from our Conference - Carol Bruder from Asheville, Eva Gunnings from Mooresville, Sybil Perrell from Woodleaf, and Ruth Williamson from Madison.

What's new for United Methodist Women - at the National level?

General Conference did approve United Methodist Women as an autonomous organization within the United Methodist Church.

United Methodist Women support almost 200 international Mission projects, and 97 national mission projects, including Bethlehem Centers in Charlotte and Winston-Salem - and Pfeiffer University and Bennett College within this Conference.

At the recent Southeastern Jurisdiction meeting of United Methodist Women, Lynne Gilbert was elected to an additional 4-year term on the much smaller 25-member Board of Directors of UMW. So, we do have representation on the Board of Directors.

What's happening at the Conference level of UMW?

Our 15 districts are going away. But, we will celebrate their accomplishments at Conference Annual meeting in September, as usual. Also, each of the 15 districts will celebrate at a District Annual meeting in August or September. In order to re-structure district teams, a Transition Team has been set up to look at all the changes that need to be made. Interim Nominating Committees are in place for 7 of the 8 districts in the new structure. Smoky Mountain District will remain as is. The 7 districts will have an Organizational meeting in September or October to elect officers, adopt a budget, and approve Standing Rules. Since UMW operates on a calendar year, all of the changes will be effective January 1, 2013.

No less today than in earlier times, the future of UMW rests on our ability to organize around the needs of women, children, and youth. Every effort is being made to make this transition happen smoothly. Local church UMW groups will see very little change.

We continue to be a community of women whose PURPOSE is:

- To know God,
- To experience freedom as whole persons through Jesus Christ,
- To develop a creative supportive fellowship and
- To expand concepts of mission through participation in the global ministries of the church.

Our Purpose remains the same. And all of our ministry continues to support this Purpose.

My motto is: Don't look back, we're not going that way.

We are all "under construction" and we all need God and people to be patient with us.

Even though we know change is an opportunity for growth, change often seems chaotic and uncertain.

Our message never changes. And our Mission never changes! Because Our Master never changes.

Bishop, this concludes my report.

INDEPENDENT AUDITOR'S REPORT

Finance Committee and Treasurer
United Methodist Women
Western North Carolina Conference

I have audited the accompanying statement of assets, liabilities, and net assets-cash basis of the United Methodist Women, Western North Carolina Conference (a nonprofit organization) as of December 31, 2011 and the related statements of revenues, expenses, and changes in net assets-cash basis for the year then ended. These statements are the responsibility of the organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements (with the exception of investments as described in Note 2), which is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets-cash basis of the United Methodist Women, Western North Carolina Conference as of December 31, 2011, and its revenues, expenses, and changes in net assets-cash basis for the year then ended, on the basis of accounting described in Note 1 and Note 2.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The other information included in Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Investments are presented in the financial statements at market value. Investments at year-end consist of moneys held in trust by the United Methodist Foundation of Western North Carolina, Inc. These moneys are invested in pooled diversified funds. The statement of assets, liabilities, and net assets-cash basis shows the December 31, 2011 market value of the accounts. Investment income reflected in the statement of revenues, expenses and changes in net assets-cash basis is the net of actual income earned, realized gain and/or losses, and the change in market value from December 31, 2010.

Misappropriation of Funds

During the fiscal year ended December 31, 2008 a district treasurer diverted $27,651 for her personal use. The Conference Treasurer discovered the theft when checks submitted to her from the district treasurer were returned for insufficient funds by the bank. The former district treasurer has been prosecuted and is in the process of making restitution. As of December 31, 2011 $25,380 has been repaid by that former district treasurer.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

Note 1-Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the cash receipts and disbursements basis of accounting (except for investments – note 2), which is a comprehensive basis of accounting other than generally accepted accounting principles. Under that basis, the only assets recognized are cash and investment account balances, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized.

Basis of Presentation

The accompanying financial statements include the assets, net assets and financial activities of the District Treasurers, the School of Christian Mission Business Manager, and the Conference Treasurer. All significant balances and transactions among the organizations included in the financial statements have been eliminated.

Income Taxes

The organization is exempt from income taxes under Section 501 (c) (3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in these financial statements.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration of Contributions

The Organization receives the majority of its revenue from the United Methodist Women's Groups of the individual churches in the Western North Carolina Conference of the United Methodist Church.

Donated Services

No amounts have been reflected in the financial statements for donated services. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific programs and various committee assignments.

Note 2-Investments

Investments are presented in the financial statements at market value. Investments at year-end consist of moneys held in trust by the United Methodist Foundation of Western North Carolina, Inc. These moneys are invested in pooled diversified funds. The statement of assets, liabilities, and net assets-cash basis shows the December 31, 2011 market value of the accounts. ALBEMARLE DISTRICT

"Faith, Hope, Love in Action" was the 2011 theme for the Albemarle District United Methodist Women. With God's help, the work of the district team and our local units, we have had a very successful year.

On February 19th, our District Mission Study was held at Love's Grove United Methodist Church. The Mission Study was "For the Love of John" presented by Rev. Alec Alvord. Love's Grove United Methodist Women served as hostess and did a wonderful job. We collected 300 comfort kits for Hospice in the three counties of our District. We had 176 adults and 15 children in attendance.

Rev. Dawn Hand was the speaker for our Annual Prayer Breakfast, which was held at Central United Methodist Church in Albemarle. She spoke on our theme, "Faith, Hope, Love in Action." Central's musicians, Charlotte Maness, Carmella Hedrick and Tim Hedrick provided our special music. We had 199 people in attendance. Central United Methodist Women did an outstanding job hosting this event.

Our United Methodist Women who attended the Spiritual Enrichment Retreat at Lake Junaluska came back spiritually refreshed. The theme was "Peace, Popcorn and Pansies."

Several of our United Methodist Women attended the School of Christian Mission at Pfeiffer University in July. "All Things Made New" was the theme. It was a great learning and rewarding experience. We are glad that the school has returned to our District.

Our District Annual Meeting was held on August 27th at Stallings United Methodist Church in Union County. Our speaker was Rev. Laura Elliott, Chaplain at The United Methodist Children's Home in Winston-Salem. Everyone enjoyed learning more about the Children's Home. Our hands-on project was items for The Children's Home. We collected 29 boxes of school supplies and other requested items, as well as several book bags. Our 2012 Officers were installed by Pat Mills, Past District President. There were 126 people in attendance. The Stallings United Methodist Women did a great job as hostess for this event.

Thirty-four members of the Albemarle District enjoyed the Conference Annual Meeting with the theme "Jump into Mission." We had several first timers who are looking forward to attending in 2012.

Our Officer's Training was held November 5th at First United Methodist Church in Wadesboro. We had 78 people in attendance. There was much sharing of ideas. Our District did a great job with their training this year. Our Hands-on project was Bethlehem Center's Thanksgiving meal. We received $595 to help purchase turkeys. We also collected many boxes of food for the side dishes. First Wadesboro United Methodist Women served as hostess and did a wonderful job.

In September, we chartered a new United Methodist Women Unit at Sandy Plains United Methodist Church. The ladies are very excited to be a part of the United Methodist Women and are already very active.

This has been a very busy and active year for the Albemarle District. We have accomplished a great deal, with God's help. Many prayers have been answered. Lots of examples of God's love has been seen. Many friendships have been made. We pray that people's lives have been touched as we have carried out Christ's work for women, children, and youth in our community and the world. There is excitement in our District!

ASHEVILLE DISTRICT

The first event was the United Methodist Women District Prayer Breakfast, Saturday March 26th at Weaverville United Methodist Church with the theme "Faith Through Prayer." Weaverville UMW provided the space and Grace UMW prepared and served a delicious breakfast. Kathy Kennedy, Grace UMC, provided lovely worship music. An undesignated offering was received in honor of all the faithful prayer warriors. Debbie Ptttman, retired Deaconess from Brooks Howell Home, gave the message on the Lord's Prayer. How does prayer lead us to a life of faith? We can have a personal relationship with God by talking and sharing together with God in fellowship with other Christians. Rev. Linda Kelly, Pastor of Weaverville UMC, led the communion service. Grace UMW served as communion stewards and ushers. The Hands-on Mission project was UMCOR Birthing Kits. We had 213 in attendance which represented 30 churches.

The Asheville District Mission Study was Saturday, April 30th at Brooks Howell Home with the theme "Hope in Mission." Betty Swarthout, retired Deaconess from Waynesville, was our speaker. She has served in Nebraska and several other areas in the United States. Mrs. Swarthout led the group in singing the theme song "Joy To The World." There have been many changes in missions over the past 100 years. Differences in the 1910 and 2010 World Missionary Conference were highlighted. Participants discussed contemporary women in mission and sang "We Are The Church." Personal evangelism means serving wherever you can in whatever way one can. The Hands-on Mission project was the UMCOR Birthing Kits. There were 31 in attendance representing 14 churches. Two other churches had the same Mission Study and speaker. St. Paul's UMW with 37 in attendance and Central UMW had 19 in attendance. So we had a total of 87 attending a Mission Study.

The District Annual Meeting was held Saturday, August 27th at Skyland United Methodist Church with the theme "Reflections of Love." The Skyland UMW hosted the event and served delicious refreshments. Delores Meadows and Kathy Kennedy led the congregational singing. In

addition to the business session, we had a time of celebration with a power point presentation representing every UMW unit in the District, and the work of the Asheville District UMW in their communities and around the world. The presentation was accompanied by music. The Love Offering was taken to honor those who LIVE faith, GIVE hope and put LOVE in Action. We had 95 in attendance representing 25 churches.

The final event was the Leadership Training Saturday, November 5th at Black Mountain United Methodist Church with the theme "Action Through Serving." The UMW served wonderful refreshments. After opening comments, announcements and devotional, persons attended appropriate classes. There were 43 in attendance representing 16 churches. The Hands-on Mission project was UMCOR Birthing Kits.

It has been a year filled with excitement.

CHARLOTTE DISTRICT

Our year began January 11, 2011 with our annual planning session, which included setting our goals, calendar, and personal commitments.

The Charlotte District Priority has been "to work in conjunction with other WNCC Districts to assure all conference goals are met."

The Charlotte District Goals for 2011 are:

1. Add 3 new UMW units in the District
   Harrison is final and chartered; significant time has been spent with Wesley, however, they are struggling as a church and are having difficulty committing; Morningstar and Sanctuary are still to be organized.

2. Increase the number of local Mission Today units by 10% over 2010

3. Increase attendance at District events by 3%
   A) Our Mission Study -- "For the Love of God: The Epistle of John," presented by Rev. Dana McKim on February 12, at Cokesbury UMC Charlotte. A love offering was taken "to share God's love, across the world, through Mission Giving."
   B) The Charlotte District Prayer Breakfast held March 19, 2011 at Sharon UMC, hosted by St. Mark's Charlotte. Our speaker, Rev. Stephanie M. Hand, blessed us with "Something Sweet - Key Lime Pie."

C) Saturday, August 27th St. Stephen UMC Charlotte hosted our District Annual Meeting. Our theme was "Peace Across Generations." We began with the business segment, which was followed by "Seeking Silence and Seeking to Set People Free", which was presented by Reverend Ashley Pickerel of Davidson UMC. The offering was a Gift to Mission honoring the children and youth of the Charlotte District

4. EVERY District Team member completes a minimum of two local unit visitations (LUV) by October 15th. 2010 was a banner year for us relative to LUV's with all except three of our units visited. We continue to focus on communication and LUV's with expectations of every unit receiving a visit by year end.

5. Increase the number of Reading Program participants by 5%.

Officer Training for Local Unit Officers was held November 6th and hosted by First Belmont. We were majorly disappointed in the attendance and will spend more time on the importance of this during 2012 LUV's.

A District Walk for Mission was held December 3rd at the Aldersgate Retirement Center.

GASTONIA DISTRICT

"Faith, Hope and Love in Action" was our theme throughout 2011 in the Gastonia District. Our mission this year has been to live out that theme, and I believe our 66 units of United Methodist Women have accomplished that goal.

Our District Goals were:

1. To increase Gifts in Memory contributions by 10%, which we did, going from $1,275.00 in 2010 to $2,241.00 up 76%!!
2. To increase our LUV visits to 50%. We have 66 active units and visited 39 of them in 55 visits. So, we fulfilled that goal also. Hopefully, we can do even better in 2012.
3. To increase Reading Program participation by 20%. Again, we went well over our goal, increasing from 58 readers in 2010 to 90 readers in 2011, a 55% increase.

We had four very successful District Mission Team meetings. We were hosted by the ladies at Hoyle Memorial, McKendree, First Stanley, and Polkville. They all provided delicious meals and wonderful hospitality to our faithful team.

Mary Henry and the ladies at Aldersgate outdid themselves in hospitality for our 2011 Prayer Breakfast on March 5th. Rev.Dawn Hand, our "barefoot" speaker reminded us to keep our faith,

hope and love "active" and "alive" in all we do. Over 240 ladies attended and shared hands-on mission items for the Cleveland County Shelter for Domestic Violence Victims.

Since Domestic Violence Awareness was a Conference priority for 2011 we, as a District Team, wanted to do something "active" to increase awareness in our District. Under the leadership of Carolyn Huskins, our Social Action Coordinator, and Libby Mize, our Treasurer, the District Team used mission dollars to purchase acrylic brochure holders. Carolyn gathered Domestic Violence brochures in each of the three counties in our District and the Shepherdesses placed these brochures in every church in our District that has a UMW unit. We asked that they be placed in the women's restrooms so that a woman in need could discreetly obtain the information she needs to get help.

At our Annual Meeting, hosted by First UMC Lincolnton, we were served an outstanding meal, had a blast awarding our first ever "UMy" awards and were inspired by Sherry Sink, our Conference Membership Nurture and Outreach Coordinator. Attendance was around 230, a nice increase from 2010, and our hands on mission was book bags for Bethlehem Center in Charlotte. The ladies out did themselves and Renee Bromfield from the Center was thrilled.

Our District Mission Study was hosted by Faith UMC in Gastonia. Fifty-six ladies representing 22 churches attended the study. "The Beauty and Courage of Sudan", very ably led by Rev. Mark Barden.

Six ladies attended the full four day School of Christian Mission and 12 came for the one day overview.

Sixty-eight ladies attended Spiritual Growth Retreat at Lake Junaluska and enjoyed Dr. Heather Elkins. Eighteen attended Conference Annual Meeting and "Jumped into Mission."

Best of all is our Mission Giving in the Gastonia District. Our totals are up from 2010 in our five channels for giving. Only our Call to Prayer Offering was lower than 2010.

We are very pleased that 33 units, or 50% are Mission Today units, and 29 units are Charter Club units.

Even in these tough economic times, the ladies of the Gastonia District of United Methodist Women are amazing in their generosity. They always answer the call for mission giving and mission action, and they do indeed keep Faith, Hope and Love in Action in all they do!

GREENSBORO DISTRICT

The Greensboro District had a great 2011 year!!! Not only did we have great District meetings we also met and exceeded our Pledge. We increased the numbers in all 5 Channels of Giving and Mission Today.

The year started with our District Mission Study at West Market Street UMC. Martha Phillips, Conference Social Action Coordinator, led the "Joy to the World" Mission Study. Martha was a wonderful leader and the women of West Market Street provided us with a wonderful meal.

April 9, 2011 was our District Prayer Breakfast with a theme of "GOD IS"... The women of Summerfield UMC served a wonderful meal and they really went the extra mile to make it a special day. Dixie Tyson, Conference Spiritual Growth Coordinator, was our Speaker for the day. Justin Snyder, a recent Pfeiffer graduate with a UMW Scholarship, provided us with very special music. To say that it was a God filled day would barely give the day justice. Dixie's message "GOD Is"....was so blessed. The Spirit was with us that day. We ended the day with a very special Communion. As everyone left they were given an Easter egg filled with candy and the name and birthday of a resident of Brooks Howell Home with the instructions to pray for that person during the year.

Our next District event was our Annual Meeting August 16. 2011 with Julia Willis, Conference Treasurer, as our Speaker. The UMW of Centenary UMC served us a great dinner. Julia shared with us all that she had learned about Domestic Violence on her recent trip to New York with the Conference team. The theme for the night was "Stop the War Against Women." Julia also installed the District Officers for the 2012 year with a theme of "Green", since this group of women would be the last to serve the "Greensboro" District because we would be changing to the new 8 Districts from the 15 Districts.

The Greensboro District had a very special year with all our district events very well attended and we look forward to the challenges and the excitement to come in the 2012 year. Our hope is to grow into a bigger, better, all we can be UMW.

HIGH POINT DISTRICT

"Keep Hope Alive Through Faith and Love" was the theme chosen by the District Team for 2011. Our District Meetings and activities were coordinated using this topic.
Our 2011 goals followed the conference goals. We will strive to:

(1) increase the number of Mission Today units,
(2) increase new membership in each local unit,

(3) increase the number of local units becoming members of the Charter Club,
(4) increase the number of local units giving in all 5 channels.

The first district event was the District Mission Study held on February 19th at Fairfield UMC in High Point. Two classes were offered. *For the Love of God: John's Letters* was taught by Rev. Dana McKim. *Joy to the World:* Mission in the Age of Global Christianity was taught by Brenda Connelly. This study was attended by 117 ladies. We were pleased that many participants taught one of these studies at their local church during the year.

The theme for our annual Prayer Breakfast was "Empowering Hope." The Breakfast was held on March 19th at Wesley Memorial UMC in High Point, with 226 attending. Rev. Carol Hunter was the speaker.

The highlight of 2011 for the High Point District was the Annual Meeting held at Central UMC in Asheboro. Our speaker, Rev. Mark Barden, entertained us with stories, amazed us with his knowledge of United Methodist Women, and motivated us to achieve higher goals. The dinner meeting was the cooperative effort of several churches who worked together to decorate and set up tables, prepare the meal, and assist in serving and clean up. This enabled small churches that do not have facilities large enough to host a district meeting to help plan and participate in hosting. It took the burden of doing everything from the large church that offers their facilities. This was the first time we had tried this and it worked quite well. We conducted our District Walk for Mission at the Annual Meeting. Local churches, that had completed their walk, brought their offering to this meeting. Our evaluations were "out the top" for the first time ever. The evening was inspiring, informative, and rewarding, and our ladies left with a renewed commitment to United Methodist Women.

District Officer Training, our final meeting of the year, was held October 23rd at Randleman UMC. Our theme was "Follow the Road to Quality Leadership with Faith Hope, and Love". Each District Officer planned a class with handouts that would help new and continuing officers in the local units.

We have emphasized LUV visits this year. Each District Officer has diligently tried to make contact with the churches assigned to them through cards, letters, phone calls, and visits. In order to do this we have attended bazaars, dinners, and general meetings, as well as church services. It is paying off. We have two churches that plan to renew their charters and become active again.

The High Poiint District has accomplished a great deal in 2011, but we realize there is much more to do and we, the District Team, look forward to the challenge ahead.

LAKE NORMAN DISTRICT

The Lake Norman District had some exciting challenges and goals to meet in the year 2011. Raising awareness of domestic violence was a **PRIORITY.**

Our Goals were:

- Increase the number of local units giving in all 5 channels of Mission giving by 10%
- Increase the number of local units who are Mission Today units by 5%
- Increase the number of new members by 2% over last year
- Increase the number of Charter Club units by 10%

We are **Springing into Action** by using Cluster Events. Cluster Events will partner units that are in proximity to one another for a joint program, mission projects, or service. Simultaneously we can reach Mission Today goals. Cluster Events will also save on duplications of efforts. They will most importantly help us grow closer together. We have had three successful events this year. Ebenezer UMC hosted twelve churches for a program on the Charter for Racial Justice. Tucker's Grove hosted nine churches for the Call to Prayer and Self Denial. Triplett UMC hosted six churches for a Zoe Ministry Event. This ministry is an Orphan Empowerment Program for several countries in Africa.

The first event of the year was our Mission Study which was held on January, 22nd at Rocky Mount UMC in Mooresville, NC. The Study was on "Joy To The World". Ann Aldridge, Conference Secretary, led the study.

On Saturday, March 24, 2011 the Prayer Breakfast was held at Salem UMC in Denver, NC. The theme was "Combining Hearts and Hands". The Speaker was Reverend Terri Valagos, Associate Pastor at Hawthorne Lane UMC, Chaplain at NC-1DMAT, and Chaplain at Carolinas Healthcare System.

The Lake Norman annual Meeting was held at Davidson UMC, Davidson, NC on Saturday, August 27, 2011. The theme was "Staying Connected" and Jennifer Davis, WNCC Discipleship Ministries, was the Speaker.

LEXINGTON DISTRICT

The District Team began planning the work for 2011 in December 2010. We celebrated the birth of Christ sharing food and fellowship, and then spent time in committees planning events and setting the calendar for 2011.

Goal setting was the first item at the January 20, 2011 Executive Committee Meeting. They are as follows:

Conference Priority - Raise awareness of domestic violence
Charter Club - Increase participation in the Mission Today program
To increase the number of local units giving in all 5 channels of Mission Giving by 10%
To increase the number of local units who are Mission Today units by 5% over 2010
To increase the number of new members by 2% over 2010
To increase the number of Charter Club units by 10% over 2010

District Leadership Conference invited us again to have a UMW session on January 20, 2011. There were over 30 ladies attending who wanted to hear more about the United Methodist Women story. Nine team members joined in and shared the "how we do it" stories and presented a program from the 2010 program book.

Mary Welborn, District M&I Coordinator, and her Committee planned our Mission Study which was held at Macedonia UMC on March 26. Reverend Dana McKim, Pastor at Village Church at Pfeiffer University, led the Study with the theme "For the Love of God, Epistles of John." Sixty-Six ladies attended and our Hands on Project was canned foods and non-perishable items for the Upper Room Food Pantry.

On April 30th, Carolyn Briggs and Jenny Spradley attended a special session led by the Conference. This event was for training District Officers to organize memberships events to attract new membership with a focus on younger women. It was called "Relax and Renew" and they returned committed to leading such an event for the Lexington District Women.

Our Prayer Breakfast (Day Apart), and Memorial Service, led by Faye Everhart, Spiritual Growth Coordinator, was held on May 7, 2011 at Liberty UMC. The theme was "Faith, Hope, Love in Action, with special guest Speaker, Reverend Tony Jordan, from Gray's Chapel UMC in Salisbury, NC. Hands on Project was canned meats that were delivered to the local food pantries.

We had several ladies to attend the Spiritual Growth Retreat at Lake Junaluska in June, School of Christian Mission at Pfeiffer University in July, and UMW Annual Meeting at Lake Junaluska in September. Each of those who attended these events returned home refreshed and ready to continue on the good work of the UMW.

September 19, 2011 was our 37th Annual Lexington UMW District Meeting, held at Oak Forest UMC. Vice President, Kathy Everhart, led the event. Oak Forest UMW hosted the event and provided our meal. The theme was "Jump into Mission", with special guest Speaker, Mildred Carter, Conference President. President Carter also installed our Officers. Hands on Project was a Book Sale.

We held two Leader Development Events in 2011. The first at Fairview UMC in Lexington and the other at First UMC Mocksville. Each of these was well attended and we had the most ever local unit member trained for their positions of leadership at the local level.

Our first Annual Mission Walk was held at Fairview UMC We raised nearly $1,000 for undesignated missions giving.

Each member, each prayer, each dollar, and each person is so very important: thanks for being the Christian women that you are and will continue to be.

Jenny Sprakley
President

MARION DISTRICT

Our Theme for 2011 asks us to be working towards getting along with the global community. Little steps in MISSION-MINDEDNESS causes ripples through the world. Marion District UMW gathered at Morganton First UMC on Saturday, March 12th with 220 attending the Prayer Breakfast, assisted by the ladies at Linville United Methodist Church of Morganton. Rev. Dale Sneed gave the message on PEACE...FOR OUR TIMES to an assemblage of 232 with 30 churches represented. The Love Offering of $764.72 was for the Conference Priority to increase awareness of Domestic Violence. This is our largest draw of UMW and we gratefully acknowledge the Marion District for consistently turning out for the March Prayer Breakfast.

Our District Mission Study was led by our own Jo Pyatt at her church, East Marion UMC. *For the Love of God: The Epistles of John* was the study which met on May 14th. Forty eight persons attended and assisted in the host duties to help Miss Jo do an exemplary job as she always does.

Units across our district feel the pinch as we work to aid others in need. We were stretched in many ways because some of our members see school children who have no homes. Food pantries are prevalent in each county. So many units reported Backpack Ministries, aid to Hospice, and in keeping tuned to Awareness of Domestic Violence. UMW doesn't take a back seat, yet there is obvious imbalance in local mission and outreach mission. Making Peace is not just a slogan, but we believe we have to work at collecting health kits, and other kits, donating to Military Care Boxes, Samaritan's Purse, Project Christmas Child, and the giving of ourselves. United Methodist Women are very involved.

Still, we found time to attend the Annual Meeting held this year at Oak Grove United Methodist Church in Ellenboro. Their UMW shone with quilt themed decor, tasty dinner, and superb musical talent. Fifteen churches were represented with 90 in attendance. September 22, 2011 will remain in my memory forever. A show of a dozen hands indicated first-timers! The Love Offering to honor or in memory of ALL women who had influenced our lives through UMW totaled $525.01 and many awards were given out.

The Marion District was represented at the WNCC UMW Annual Meeting with the theme "Peace, Popcorn, and Pansies" at Lake Junaluska on June 17-18, We also attended Pfeiffer

University for July's School of Christian Mission and up to the Lake again in early September for the Annual Meeting.

Our Leadership Training on October 22nd at Snow Hill UMC followed closely on the WNCC Training held for District Officers in Conover on the 8th of October. Doris Morrison and her unit hosted 43 of us representing 17 churches in the Marion District. Classes were for President, Vice President, Secretaries, and Treasurers. A video was shown for Awareness of Domestic Violence to others present.

Executive Committee met after the Leadership Training and discussed the 2012 Calendar with dates for events and places to meet. We are on track to meet our Pledge to Mission and accomplish the Local Unit Visits. We have a great team for the new year. I personally have grown in the two years that I've served as District President. Thank you for the challenges.

May each of us, in following our mission, remember that John 14:27 tells us that Jesus said, "Peace I leave with you, my peace I give to you; not as the world gives, I give to you. Let not your heart be troubles or afraid".

NORTHEAST DISTRICT

We can celebrate yet another year of success for The Northeast District United Methodist Women.

We started our year off with a slate of dedicated Officers. They all worked as a team to help make our "UMW Purpose" come alive throughout our District and through our events held around the District.

We started the year with two Mission Studies, giving an opportunity to attend one or both. The first Mission Study "Joy To the World" was held at Wither's Chapel, Walnut Cove, with 43 in attendance. Martha Phillips was our Study Leader. The second Mission Study "For The Love of God" was held on March 12 at Chestnut Grove, King, with 26 in attendance. Janet Turner was our Study Leader. Both brought a deeper meaning to looking inside ourselves and where God is calling each one of us to be more open to the people around us and the needs of others.

Our 3rd event was our Annual Prayer Breakfast held at First UMC Pilot Mountain, on April 9th with around 100 in attendance. Our Speaker, Sara Williams, brought the message "Grounded in Love" with each of us remembering our baptism.

Our 4th event was our District Annual Meeting held on September 24th at Bethel United Methodist Church, Oak Ridge, with 85 people in attendance.

We continued our studies within our units with many holding mission studies not held by the District or Conference. Those in the reading program read 1,440 plus books, we had children from three churches reading. We increased our Charter Club membership. Marie Gordon reported that we had 41 "LUV" visits which was down from 2010.

Our mission projects for 2011 were a great success. We collected birthing kits, health kits, school kits, and needed items for Henderson Settlement. We sent many Gift in Memory Cards and Gift to Mission Cards. We held a mission walk following our Annual Meeting raising around $500.

We held our four regular Executive Committee Meeting in 2011 on January 8th, April 9th, June 25th, and October 22nd. Finance meeting for the budget and nominations meeting was held on June 25th before the Executive Committee Meeting.

With all the success our District had in 2011 we would never have been able to accomplish any of this without the help, love, and support of a very dedicated group of United Methodist Women across the Northeast District.

NORTH WILKESBORO DISTRICT

Our selected theme "Finding Peace...." became our mission in the New Year, as we planned programs for our Sisters in the District. Seeking God's guidance in each ministry, the Team experienced new and continued friendships as we set a goal to diligently contact each local unit throughout the year and extended invitations to all events. We had a total of 52 local unit visits.

Membership for the beginning of 2011 was 1,596. With additions and removals, we had a final count of 1,567 members in the North Wilkesboro District United Methodist Women.

The Program Committee planned and saw each of the following events bring local units together to be about God's mission for children, youth, and women.

On March 13th the North Caldwell Charge was chartered adding 10 new members.

We held our 31st Annual Prayer Breakfast with the theme "Finding Peace Through Prayer" at First Granite Falls United Methodist Church. It was hosted by the United Methodist Women and

United Methodist Men. Dixie Tyson, Spiritual Growth Coordinator for the WNCC UMW, was the Guest Speaker. Special music was provided by Beverly Curtis, Holy Tollers Bell Choir and Anna Bottoms, Pianist. Bethlehem Center in Winston-Salem was the Hands on Mission Project and a large assortment of needed items was provided by the local units. The Love Offering was "In Honor of Those Working Toward Peace."

On May 14th our District Mission Study was held with the theme "Finding Peace-Through Study, Joy to the World Mission in the Age of Global Christianity" at Center United Methodist Church, Yadkinville, NC. Brenda Connelly, retired Church and Community Worker was the Leader. The Hands-on Mission Project was health kits for UMCOR with 200 collected.

On September 24th our District Annual Meeting was held with the theme "Finding Peace - Serving." The Meeting was at Wilkesboro United Methodist Church with breakfast being served by the United Methodist Women. Rev. Mark Barden, Pastor of First Elkin United Methodist Church, was the Speaker. The Love Offering for Mission Giving was in Memory of Lynn Sloan Barnes. Our budget was approved with a Pledge of $56,000 and A&MD Budget $7,165.

The next event was Leadership Training which was held on November 5th. The theme "Finding Peace - Through Leadership," was hosted by Boone United Methodist Women. The Mission Project was School Kits and we were blessed again with the Sparta UMW Unit providing bags to fill with supplies. Following the training, the District Team participated in "Walk for Mission" raising $160 for the effort.

Our women were represented at the Conference Events. The first was Membership Nurture and Outreach pilot program that was held on April 30th at First United Methodist Church in Hickory. This program "Relax and Renew" was under the leadership of Sherry Sink, Conference Membership Nurture and Outreach Coordinator. Similar programs are to be planned in each District in 2012.

We were also represented at the Conference Spiritual Growth Retreat June 17 & 18 at Lake Junaluska. The theme of the event was "Peace, Popcorn & Pansies". This continues to be the best attended event for our District, with 85 making the trip "up to the Lake" for this spirit filled time of praise and worship.

At the Conference Annual Meeting September 9-11, "Jump into Action", we had 42 ladies from our District attending. It's always a lively experience when all district come together to celebrate God's good gifts!! God blessed our ministry. We surpassed our Pledge to Mission of $59,000 completing our year with $60,465 in Undesignated Mission Giving. Thanks be to God!

SALISBURY DISTRICT

Our theme for the year in the Salisbury District was "Faith, Hope, Love in Action" with a sub-theme for each of the District Events. Our Mission Study was held March 20th at Harrisburg UMC. The theme was "For the Love of God" John's Letters, led by Reverend Dana McKim. Our Hands-on Projects included paper products for Rowan Helping Ministries, canned goods for Main Street, and diapers for CMM. Total collected items totaled 1,944. Sixty-seven were in attendance.

This year we had a recipient for each of our three District Scholarships offered to a first-timer attending a Conference Event:

Spiritual Growth - Lucy Shinn, Central UMC Concord
School of Christian Mission - Beth Mabry, Rocky Ridge UMC
Annual Meeting - Laura Yates, Elmwood UMC

We hope members will continue to take advantage of this wonderful opportunity for growth.

We had 125 in attendance at our Spiritual Growth Event held at Mt. Olivet UMC in Concord on April 16, 2011. The theme was "'For the Love of Holy Spirit" and Reverend Dawn Hand was our Speaker. Peggy Gentle, our Membership Nurture and Outreach Coordinator, shared the love of God through the gift of her beautiful voice with Pat Gilbert accompanying on the piano. Our Hands on Project yielded 278 items sent to CVAN in Concord and 444 items sent to the Battered Women's Shelter in Salisbury. The offering of $403.65 was Mission Giving in Memory of our Deceased Sisters in the Salisbury District.

We invited Lynne Gilbert, Tech Guru and Women's Division Director, to come and share with us on May 21st on how to use Facebook for United Methodist Women. Central UMC in Concord offered their facilities which were wonderful for this type of event. Fourteen very enthusiastic attendees learned quite a bit and the meeting scheduled for two hours, lasted almost three hours. We considered it a success!

Our District Annual Meeting, held on August 18th, was well received! First UMC Salisbury did a wonderful job of hosting despite a couple of last minute quirks which were beyond their control. The theme was "For the Love of Christ." It was obvious that much thought had gone into preparation for our arrival. The food was delicious! We had 197 in attendance. Our Speaker was Ngor, one of the Lost Boys, who shared some of his life as a refugee. Special music was provided by "A Blessed Calling" trio. The Love Offering of $628.05 was Mission Giving *In Memory of Joetta Rinehart*, a Local, District, and Conference Officer, who shared her wonderful spirit with all. The offering for the Lost Boys totaled $548.55. Response was excellent for the Hands on Mission Project, which was school supplies.

The District Leader Training was held at Mt. Pleasant UMC on November 6th. What a wonderful new facility they have! The theme was "Preparing for the Future" and our total attendance was 87, which was greater than last year. We continue to grow each year. Comments were good and we encourage member to return to their units and promote the training for next year.

Our total membership at the end of 2011 was 2,262 a decrease of 4% over last year. We lost 15 by transfer, 61 by death and 114 to resignations. We gained 94 new members. Members of the Salisbury District Team made 46 LUV visits to 34 units.

We had 93 women and 43 children participating in the Reading Program, 133 representing 22 units attending mission studies, 211 units participating in Mission Today, and 17 units participating in the Charter Club.

At the Conference Annual Meeting in September, the Salisbury District was first in the 5 Channels of Giving and third in number of units visited. Our team works very hard in trying to strengthen the lines of communication between the local units and the district. However, there is much room for improvement!

STATESVILLE DISTRICT

The theme carried out in all District Meetings was "Prayer". The Hands on Mission Project for the year was non-perishable food items, which were taken to local food pantries. Approximately 600 pounds of food was distributed. Also, collected at each meeting were kits for UMCOR.

The year started off with President's Day at First UMC, Conover with 55 members present. This was a successful day of sharing with great evaluations.

Praying with Faith, Hope, and Love was the theme for the Annual Prayer Breakfast in March with 200 plus in attendance. Anna Murdock was the Speaker and Broad Street UMC was the host unit.

"Joy to the World, Mission in the age of Global Ministries" was the Mission Study, led by Brenda Connelly. This was held at First UMC, Hickory with 65 present.

St. Luke's welcomed the District for its Annual Meeting in August. "Celebrating Faith, Hope and Love in Action" was the theme and St. Luke's women had put this into practice by inviting the women and their Church's Hispanic Ministry to meet with them and learn about UMW. At that meeting all the ladies made the table decorations for the Annual Meeting.

Officer Training was held at Highland UMC.

Numbers and meetings do not tell the whole story of all that our units are participating in by serving others with their time, talents and gifts locally, in addition to world wide. Together we are making a difference in the lives of those less fortunate.

WAYNESVILLE DISTRICT

Compliments and gratuities belong to the Officers and member of the Waynesville District for a truly splendid year. It is through your efforts that at Conference Annual Meeting our District received FIRST PLACE in Mission Studies, and in the Reading Program. Both adults and children were in SECOND PLACE in Mission Today and Charter Club members. We all deserve congratulations for 100% participation in the Shepherdess visits, LUV program.

The District theme for 2011 was "Let's Get Together". The Mini-School of Christian Mission expanded our knowledge of the world with topics of: "For the Love of God" presented by Jo Pyatt and "Joy to the World: Mission in the Age of Global Christianity" presented by Betty Swarthout. Bobby Payne provided us with spiritual enlightenment of presenting Reverend Carroll Lindsey, portraying Bishop Francis Asbury. Oak Forest hosted the District Annual Meeting with Catherine Ritch Guess as our principle Speaker. A Walk for Missions was held prior to the meeting. Our Leadership Festival Officers Training was held on the first Saturday of November and had a splendid response from the membership.

We can be proud of the many hands on items that were brought to our events. UMCOR is deeply grateful and I applaud you.

Reduced membership always hits an organization hard. Not only in the participation, which is sorely missed, but it affects the amount of pledges, money, and funds supporting our missions.

The District held a Relax and Renew membership event to stimulate the need to restructure programs and stimulate increased interest in our local meetings.

We have been faithful in the District giving to missions. A Love Offering was taken at the Day Apart for undesignated giving and our "Chicken Feed Offering" was donated to the UMAR Program.

A special focus was placed on the problem of Domestic Violence with information and support offered to all local units.

The year 2011 was a year of reaching out to others. Knowing that the WNC Conference was to be reduced to eight districts instead of the present fifteen, we were anxious that our boundaries would change and Local Units would be shifted. However, we have since learned that the

Waynesville District will NOT change. We will have the same boundaries with only a name change. We are now the **SMOKY MOUNTAIN DISTRICT.**

Let us look forward to a new year in which we pray for each other, for good health, and a closer relationship with our Lord.

WINSTON- SALEM DISTRICT

The Winston-Salem District UMW was faithful and committed to fulfilling the UMW Purpose in many ways during 2011.We began with a President's/Vice President's and Circle Leader's gathering at the District Leadership Institute held at Burkhead UMC on January 23rd. This was a great time of sharing on membership, programming, and mission projects.

Raising awareness of Domestic Violence was a priority throughout the year. We passed out brochures to all units and many units held programs on the issue. At our Annual Meeting, Vickie Sigmon educated us further on this issue and challenged us to get involved in assisting victims. Our units collected toiletries, paper products, and diapers needed for victims.

We set goals for 2011 and worked hard to meet them. Accomplishments include:

1. Units giving in all 5 channels increased from 39 to 40. We increased our Pledge for 2011 to $89,660. We were pleased to meet that pledge.
2. There were 32 MISSION Today units in 2011, and our new members increased from 82 to 104.

We also emphasized LUV visits to get to know and support local units. We made 33 visits to 29 units during 2011.

We were pleased to re-charter the St. Paul's unit in Kernersville. They have 13 members and participated in all District Events. They also held an International Tea to raise money for missions.

We were also pleased to recognize teen circles at Love's, Pine Grove WS, Saints Home, and New Hope. Their mission projects include making pillow case dresses and collecting shoes for children.

One hundred forty nine ladies attended our District Mission Study, "Joy to the World", held February 26th at New Hope UMC. Rev .Mark Barden did a great job leading us on how to be in MISSION in today's world.

On May 7th, our Prayer Breakfast was held at Mt. Tabor UMC with 166 ladies attending. Our theme was "Flying High with Prayer", and Reverend Earl Wilson led us in an inspiring message. Mt. Tabor UMW was a gracious host and prepared a delicious breakfast. The UMW members brought Birthing Kits, enabling us to deliver more than 200 kits to the UMCOR Mission Response Center.

In June some of us attended the Conference Spiritual Growth Retreat, which is always a special time for us to grow in our faith and to strengthen friendships.

Our District Annual Meeting was held August 9th at Maple Springs UMW, with 235 members attending. Maple Springs UMW welcomed us and served a wonderful meal. Vickie Sigmon spoke to us about Domestic Violence and Open Arms Choir sang joyfully. We highlighted units who met Mission Today criteria and those who excelled in the Reading Program.

It was our privilege to host the School of Christian Mission and Conference Annual Meeting. About 20 of us arrived early at Lake Junaluska and stayed late to make sure everyone was greeted and assisted as needed. Many units made a financial contribution to defray the extra expense.

Twenty three member had a great time at our first ever District Mission Walk held on October 1st at The Children's Home, and we raised $1,326. The walkers are eager to do this again.

Our local Officer Training held November 13th at St. Andrew's UMC gave new Officers important information about their office. St. Andrew's UMW provided delicious refreshments.

Whether we are worshipping together, participating in Hands on Mission Project, or raising funds to support Mission Projects all over the world, The Winston-Salem District UMW make our PURPOSE come alive!
