ON THE COVER

Design by Karen Wilkerson

Interpretation by Ann Aldridge and Karen Wilkerson

This logo shows the basics of life. The scripture for our theme “That All May Have Life” comes from John 10:10, “I came that they may have life and have it abundantly.” What is the abundant life that God calls all to have?

Those living in poverty struggle for any kind of life, let alone an abundant life. Some of them don't even know when their next meal will be. Their basic needs such as food and clean water are a must for them just to exist.

The people of Haiti are challenged to have the abundant life through the oppression they have been exposed to for many years. Then you add the devastation of an earthquake. Their hope is for the basics, enough food and clean water to survive.

Moses and the Israelites migrated from place to place. What were their needs.....food and water. God opened the rocks and the water flowed. God sent manna from Heaven enough for everyone to be filled. But yet, this was not enough for the Israelites. They tried to hoard the manna and it spoiled. God was showing them, as He wants us to know today, that He will provide.

Whether living in poverty, seeing your life turn into a pile of rubble in a matter of minutes, or migrating from place to place, God wants all of His children to have life and have it abundantly. Having the abundant life is not having all you want but having all you need. We as Christians must be aware of the basic needs of those around us. Sometimes it will be as simple as a loaf of bread and some water to drink. But in all we do, prayer is the key.

WELCOME TO THE 2012 SCHOOL OF CHRISTIAN MISSION!!!

The School of Christian Mission Committee welcomes you to our 2012 school. We are excited about the studies and know that everyone will have a rewarding experience. Each study will bring challenging discussions, thought-provoking ideas, and interchanges that stretch us to new understandings. Months of preparation have brought us to this place and time. Relax, learn, and enjoy this time of study, reflection and fellowship with other United Methodist Women. We are glad you are here!!!

SAFE SANCTUARY AT THE SCHOOL OF CHRISTIAN MISSION

According to the General Board of Global Ministries' website, "Safe Sanctuaries is an overt expression of a congregation in making a congregation a safe place where children and youth may experience the abiding love of God and fellowship within the community of faith." We are committed to providing Safe Sanctuary for all participants—children, youth, and adults—here at the School of Christian Mission. Please prayerfully covenant with us to be a congregation free from physical, emotional and sexual abuse and/or harassment.
