Praise the Lord, it is spring! I love spring! The flowers are in bloom, the warmth of the air is refreshing, and everything looks and feels more alive. Isn't it wonderful to feel so energized and invigorated? As United Methodist Women, let us remember that there are other ways that we can feel energized and invigorated. Do you like to walk and enjoy nature? Join us for a Walk for Mission at Aldersgate Continuing Care Retirement Community in Charlotte, May 5 from 9:00 a.m. until noon. Enjoy the outdoors and raise money for missions through sponsors. Do you enjoy the mountains and all their beauty? Join us at Lake Junaluska for the WNCC UMW Spiritual Growth Retreat June 15-16. What better place to meditate and feel closer to God. Do you enjoy reading and study about current issues and sharing ideas with others? Join us for Mission u at Pfeiffer University July 19-22 for the full session, or either July 20 or July 21 for a one-day overview. Being a part of United Methodist Women brings many opportunities to grow, reflect, and serve others! Let's live our vision of "Faith, Hope, Love in Action"!

Special thanks to the Pineville UMW for sponsoring the Metro District UMW Sewing Day, Saturday, April 7. Others are working on additional totes so that Metro District can meet its goal of 100 totes to take to Lake Junaluska in June. If you are willing to sew some totes, please contact Lynda Morris. Fabric is available for your use. All totes must be received by June 1.

Vice President

It is a privilege to announce that Catherine Ritch accepted our invitation to speak at the 2018 Annual Meeting. As many of you know, she is a bold Christian lady with many gifts to share drawing from a wide variety of experiences. Briefly, she is an author, composer, musician, missionary, inspirational speaker and more! In keeping with this year's Assembly theme, she will align her message with *Power of Bold*. Remember to mark your calendars for Saturday, August 25, and be prepared for a meaningful, exciting, uplifting morning, with, I suspect, a healthy dash of humor.

On another note, I had the pleasure to visit the ladies of Pineville United Methodist Church as they completed 45 School Tote Bags. It was a wonderful day of fellowship and networking. Although they have the process fully organized, they would like to share this opportunity with another UMW group. Please contact Lynda Morris or me if your church would like to host this event next year.

Blessings,

Nancy Ward

Program Resources

Looking for a new book to read? Check out *Without You There is No Us* by Suki Kim. This book is set in North Korea and gives us insight into a country that many of us may be unfamiliar with.

Suki Kim is a Korean-American journalist who, in 2011, took a job teaching English to college boys at the Pyongyang University of Science and Technology (PUST). She spent 6 months living in the walled compound of the college under the watchful eye of the government. Every day she watched the students march in two straight lines, singing praises to Kim Jong-il and North Korea: *Without you, there is no motherland. Without you, there is no us.*

During her time at the university, she was constantly watched by her minders and other staff members. Her letters were read by censors and she had to hide her notes and photographs from both her minders and the other teachers, many of whom are evangelical Christian missionaries who don't know why Suki was really there.

As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies, and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. (parts of this article were taken from a review of the book on Amazon).

Social Action

Hello My UMW Sisters,

I am having a great time interacting with you all at our district events. My plan for my time in this position is to visit more of you as we strive to put faith, hope and love in action for women, children and youth. I look forward to you all inviting me or any district officer to do a program for your unit or to just be present at any of your events. I will greatly appreciate if you can put me in contact with the social action coordinator for your unit.

Lest I forget ,the General Assembly will convene May 18 – 20 in Columbus, Ohio. The theme for the Assembly is “The Power of Bold”. During this time, we will focus especially on women, children and youth-groups often left behind.

Let us continue to focus and learn about our four-social justice priority for the quadrennium:

Maternal & Child Health	Climate Justice
Economic Inequality	Ending Mass Incarceration

Membership, Nurture and Outreach

Greetings Everyone,

It appears Spring has sprung. What better way to enjoy the lovely spring weather than to do a Walk for Mission. There will a "regional" Walk for Mission at Aldersgate Continuing Care Retirement Community on Saturday, May 5 from 9 a.m.-noon. The address for Aldersgate is 3800 Shamrock Dr., Charlotte, NC 28215. Participants are encouraged to bring their own water bottles. General information about the Walk for Mission and a sponsor form are included in this newsletter. Forms will also be available at my table at the Prayer Breakfast April 28, 2018. If you cannot walk, sponsor someone who can. We hope to have many of you join us. The event will be held rain or shine.

Those unable participate in this Walk are encouraged to have their own before the end of the year. Our aim is for some other regional walks to be set up to encourage participation.

A reminder on members in the United Methodist Women. If a circle disbands or a member is inactive or leaves a circle they are still members of the unit unless they specifically ask to be removed from the roll. Unless a member passes away, changes units, or moves out of town they remain in your unit and need to be counted in your membership report.. I hope this clears up any confusion on this matter. If you have questions let me know.

If you have questions or need information about United Methodist Women or need a program invite your Nurturing Partner or other District Officer to your unit for Local Unit Visitation (LUV). She is a great resource. We want to visit your units and see what you are doing for Missions. It also fulfills requirement #20 for Mission today. A list of Nurturing Partners and Officers is in this newsletter.

Peace to you,
Debbie Eudy
Membership, Nurture and Outreach Secretary

Secretary

Sure hope that by the time you get this newsletter, Spring has come! Spring is a good time to CHECK things. Have you and your unit "Sprung" ahead with things you need to do? Make sure as secretary that you have sent your list of officers to anyone in the Metro District. We need an updated list of all officers of each unit.

Check your minutes and see that you have been able to record information as accurately as possible. Only use last names and just put in the necessary facts - you do not need to add all the discussion.

The District Prayer Breakfast will be on April 28th at North Davidson UMC located at 1026 E. 36th Street in Charlotte. The hands on project will be diapers and wipes. Hope to see you there.

Please contact me if I can be of any help.

Parliamentarian

A Parliamentarian is an expert in rules of order and the proper procedures for the conduct of meetings of deliberative assemblies.

What is Parliamentary Procedure? It is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion.

Well we can take out the expert part because I am not that, but I do know that for a meeting to be successful everyone needs to be heard. Please keep that in mind at each meeting and try to give everyone the opportunity to speak.

Legacy Fund Endowment

FUNDING THE VISION

TWO CENTS: All that was asked of each member of the missionary society in 1869 that was to eventually become known as United Methodist Women. Two cents, a *vision* and a *determination* to facilitate change in the lives of women in India.

United Methodist Women has *always* been an instrument of change in the lives of women, children and youth. Though times change, the needs are greater than ever. The Legacy Fund is our *vision for the future*.

THINK: What is *your* vision of the future for United Methodist Women today? Are the members of your unit aware of the Legacy Fund? If they are, what is *their* vision? What is **OUR** vision for the future? I have been feeding my Legacy container with spare change. It is not fancy, but it gets the job done. I counted today. There is \$9.28 so far. Not a lot, but it all mounts up. Join me in saving change *for* change

Share the Legacy Fund Vision with your circle members, your church friends and others. Tell *your* story of why you are in United Methodist Women. Together, we can do this!

Check out the following link. It goes to show what can be done when all work together. WHERE ARE YOU in the vision for United Methodist Women? <https://wnccumw.org/a-legacy-fund-story-we-did-it-00/>

I am available for questions or programs.

Your sister in Christ,

Nominations

Blessings Sisters!

The Metro Committee on Nominations is working diligently for you all to fill positions that are currently open with an “Immediate Need” on the nominations team along with a couple of other key elected positions. **We need you. Can you help?**

- *While he [Jesus] was at Bethany in the house of Simon the leper, as he sat at the table, a woman came with an alabaster jar of very costly ointment of nard, and she broke open the jar and poured the ointment on his head. — Mark 14:3*

The woman who anointed Jesus was a woman of action and faith. She saw the need for Jesus to be appropriately honored and filled it, even if it meant breaking cultural taboos and risking her most precious possession.

When we take on any mission task we look through the eyes of faith at the needs around us, within our group, church, community, country and the world. Then, we look at what we have: our unique talents, resources and creativity, and then we listen to the call of God. When we find the places where these intersect we find our way to fulfill the Purpose. Like the woman with the alabaster jar, sometimes this means breaking with tradition to appropriately honor Christ by addressing the needs that we see. *

If you yearn to know more about how you can help, or you know of anyone in your Unit or in another Unit within the Metro District that you feel would make a good addition to the District Team. We invite you to consider your future. Consider how you will use the gifts that God has bestowed upon you to put Faith, Hope & Love in Action! **We Need You. Can Your Help?**
