

THE UMW APPALACHIAN DISTRICT NEWS

3rd Quarter 2019

President:

As we get ready for District and Conference Annual Celebrations, if you are curious about serving on a district team please contact myself, Penny Ledbetter or Brenda Kimberlin or any other officer and we will be glad to share the blessings you will receive from being on the team and getting to know your sisters in Christ better. If you would like to attend any district or conference event but do not have transportation, just contact us – we live all over the district and can help with putting you in touch with someone that is close to you. Look forward to seeing you at our future events.

Peace, Lorraine Burns, President

Vice-President:

Time to Share VP News:

It's time for our Annual Celebration. Join us on August 10th at Boone UMC for installation of new officers and our celebration of those units who have excelled in different areas within our Appalachian District UMW. We need to **Celebrate** our **Accomplishments** and our **Heritage** in "AH" moments. Join us and rejoice with us. As I begin my junior year at Queens University in Charlotte in August, I am excited to share so many "AH" moments with you and all of those who have supported me in the journey thus far. You have inspired me, nourished me, challenged me and accepted me with such love through these past four years. I have been to UMW events and know that the PURPOSE of UMW is alive and well in helping to mold women and youth into leaders. As Vice President of the Appalachian District the responsibilities are as follows:

Program Coordination/Vice President works cooperatively with the president and assists in fulfilling the Purpose. She will:

- guide the Leadership Team in its responsibility for planning and implementing programs and events to strengthen mission and fulfill the Purpose;
- serve as contact person for district program coordination designee or vice presidents, provide resources and conduct training at least annually, as determined by the Leadership Team;
- serve as chairperson of the Committee on Program;
- serve on the following committees: Leadership Team, Program, Finance and others as assigned;
- perform other duties, if assigned, such as perform the duties of the president in her absence.

Thank you for allowing me to serve and for the support and love you have shown me during my time as VP. See you in August!

Peace,
Katherine (Katie) Burns

Katie graduated from Caldwell Early College High School Class of 2019 Summa Cum Laude and Caldwell Community College & Technical Institute with an Associate in Arts and Associate in Science on May 11, 2019. She will continue her studies at Queens University in the fall.

Secretary:

Congratulations to Katie and thank you for your willingness to serve as our District Vice President these past two years. We wish you well and are confident that you will continue to excel!

There are still many opportunities to participate in District and Conference events. The 2019 Conference events flyer is on page 10 of this newsletter and additional information can be found on the Conference Web site listed at the bottom of the flyer. The remaining two District events for 2019 are noted below and the flyer for the District Annual Celebration can be found on page 4 of this newsletter. I look forward to the wonderful fellowship we always experience when UMW join together!

Communications:

We had wonderful fellowship and an inspiring study, “What About Our Money?”, at our District Mission Study. We discussed several social action areas that our UMW dollars support. Each group developed a collage reflecting that God provides what we need/All is God’s, and we ended with everyone completing four statements on post-it notes: 1) We will; 2) I hope; 3) I will; and 4) Someday; and sticking them on four posters. As suggested by our study leader, I wanted to share these responses in our newsletter.

We will:	I hope:	I will:	Someday:
Work together to help those who need a hand up	We learn soon enough to take care of the earth	Pray, advocate, and stand in the gap	Jesus will come & all will be perfect
Get involved	All people will achieve equality	Be less wasteful	We will see life clearly
All live in harmony	To see equality in my lifetime	Fight for the disenfranchised, the underdog	We will understand how to take care of the earth
Remember we are <u>all</u> God’s children and remember the gifts given to us by God	For a future for my grandchildren where respect and love of each other and our environment is more common than not	Work to conserve our water supply by not using bottled water	We will live in a world where God’s earth will be treated with respect and conservation.
Learn the hard way – I am afraid	I can make a small difference	Keep land clean	We will quit wasting our natural resources
Recycle	All killings will stop	Be more informed	No abortions
Share His love	Others will be more involved	Thank God daily for his blessings	I want to see equality of all people
Keep trying	Clean water and food for all	Keep on being vigilant – in being aware	All life’s problems will end
As UMW, continue to teach, have faith, and have love in action	We will love unconditionally	Be better consumers	We will understand the importance of natural resources
Work and stand together to save the environment/resources that God gave us to care for	To see the results of us caring for what God so generously gave us	Try to get more involved	
Appreciate each person for their positivity and worth as a child of God	People will learn to be considerate again	Work to be a caretaker	
Someday meet again.	And pray people will let God judge us	God’s kingdom will come	
Be better consumers	See everyone love each other	Recycle more and be more aware of waste	
	People will recycle more and resale and reuse-repurpose items. No to garbage dumps.	Someday die

Mission Education and Interpretation:

Hello to all my Sisters!

First, of all let me give thanks and praise unto our Lord for a beautiful Mission Study on Saturday, June 8th at Greitje Gardens. Our topic was: "What About Our Money." We had a setback regarding our study, but the Lord sent us another blessing. Our study leader was Laquetta Barbee from the Northern Piedmont district, and she was truly a blessing to us! Let me give thanks to Penny Ledbetter and the Union Grove UMW for hosting our study. The beauty of the garden made us closer to our Lord as we looked out over the gardens and could see His majesty at work! Thank you Sherry for stepping in and lending a hand, and all the other UMW sisters for your help!

I would like to encourage all our units to bring the different mission kits to our district events. They are much needed

Please mark your calendars for our conference events.

(Mission U) July 18th-21st @ Pfeiffer University

NOTE: UMCOR has recently requested Hygiene kits for Solidarity of Suffering Children near the border. Our Mission u focus is School Kits, but we also will happily welcome Hygiene Kits.

Spiritual Growth:

A note from your Appalachian District Spiritual Growth Coordinator:

It is time to elect new officers in our Appalachian District for UMW. What are the responsibilities of the Spiritual Growth coordinator? This is a question I would like to answer according to our online information and our UMW Handbook. Here is the “scoop”:

Spiritual Growth Coordinator/Leader coordinates opportunities for spiritual and theological development as related to mission. She will:

- understand and communicate the connection between personal spiritual development and mission as expressed through social and global involvement;
- organize and promote special times and events for worship, prayer and meditation such as A Call to Prayer and Self-Denial, ecumenical worship, retreats and devotions at meetings;
- incorporate language and images into worship that are inclusive of and affirming to women, people of color, people with disabilities and thoughtful toward native peoples and social climates;
- equip women to engage in and lead biblical, theological and doctrinal study, utilizing the annual spiritual growth study, issues of response, New World Outlook, the Program Book, Prayer Calendar, Reading Program, and "Doctrinal Standards and Our Theological Task" in The Book of Discipline of the United Methodist Church, 2016;
- develop and curate spiritual growth resources (e.g. devotionals, worship services, retreat ideas, books, websites, etc.) to share with other units;
- attend each of the following events at least once during the course of her term: Leadership Development Days, Mission u, Spiritual Growth Retreat and Annual WNCC Celebration;
- establish relationships with local units that undergird the missional focus of United Methodist Women for the purpose of extending our reach and impact within our communities and the world;
- serve as contact person for spiritual growth coordination leaders on the District level, provide resources and conduct annual training as determined by the Leadership Team and maintain a database of member names, emails and addresses; and
- serve on committees as recommended by the Leadership Team.

As Appalachian District SG Coordinator the main event is the Prayer Breakfast held annually in March or April. The Prayer Breakfast is a remembrance celebration for our sisters in Christ who have passed during the preceding year. The SG Coordinator also helps with the conference level Spiritual Growth Retreat held in June by assisting the Conference Worship Center, assisting with the needed to make the event a special charge of the worship center for ALL Prayer Calendar and prepares a have been blessed in serving you and love will fill you to overflowing. Thank you for your support and your prayers.

Treasurer:

Greetings to my Sister's in Christ!

Please remember for your unit to get "credit" of giving in all five channels of undesignated mission giving, the unit **MUST** make a pledge and meet that pledge. If your unit has not sent in the "Pledge and Officer Information Form - 2019," now is the time to complete the form and mail to me. The form may be mailed with the third quarter remittance.

The Annual Meeting Love Offering brochures were mailed with the second quarter Treasurer's letter. As stated in the brochure, the 2019 Love Offering will be received at the Annual Celebration September 13-15 at Lake Junaluska as a Gift to Mission **"Celebrating 150 Years of United Methodist Women in Mission."** Lift this up at every unit event and encourage individual participation. Also, encourage your local unit members to attend the Annual Celebration and bring their Love Offering. However, if they cannot attend, offerings can be mailed directly to the WNCC WMW Treasurer: Nancy Reigel, Treasurer

375 Troy Norris Rd.

Boone, NC 28607

Make checks payable to: Treasurer, WNCC UMW. Love Offerings can be made online at www.wnccumw.org.

Continue to lift up the 2019 Conference Financial Goal "To Increase Giving in the Gift to Mission Channel by \$3,000." If each unit purchased one addition Gift to Mission card that goal would be far exceeded. Gift to Mission is such a powerful Channel. With each card the sender is thinking about Mission, the receiver gets a message about Mission, and a monetary contribution is made to support Mission. What could be better??

Hope to see many of you at the District Annual Meeting at Boone UMC August 10th and/or at the Annual Celebration at Lake Junaluska September 13-15. If you have questions at any time, or need more information about UMW giving to share at your unit's meetings, please let me know. Thank you for your commitment and for your work on behalf of women, children, and youth around the world through United Methodist Women.

In His Service,

Nancy Johnson, District Treasurer

From your Appalachian District Legacy Fund Energizer:

Good News Worth Repeating

At a recent WNCC Legacy Fund Team meeting, our committee leader Lynne Gilbert was excited to share just released information from the National Office. The news was about the Day of Giving on March 23, 2019. Although the information about the money collected on that day has been recently released on the UMW website and by Lynne through the WNCC emails, I thought that the news is worth repeating in our Appalachian District News. As hard as we try to reach everyone electronically, there are some members who rely solely on printed news. So please bear with me as I relay this wonderful news to you. Get ready for some surprising numbers!

To commemorate the 150th Anniversary of the United Methodist Women, a huge media campaign was launched around the country to ask units, districts and conferences to observe the March 23rd Day of Giving with special events and monetary donations to the Legacy Fund. Expectations were exceeded – over 3,500 individual gifts were received. This Day of Giving broke all preceding giving records by raising \$496,451. This amount is 84

percent more than was given in 2018. Donations to the Legacy Fund Endowment now total \$26,543,021. We are getting close to reaching the halfway mark of the \$60 million goal by the end of 2020.

Anniversary/Birthday celebrations were too numerous to mention here, but we can continue to plan special events all year long. And please continue your fundraising events all year long. Helping women, children and youth in need is what the UMW is all about. Providing Faith-Hope-Love for the next 150 years is what we are all about.

Membership – Nurture – Outreach:

What is missing from your UMW???

- * younger women
- * older women
- * diversity
- * community

Often our units wonder how we add these missing components to our group. From time to time we think we have the answer; if this has happened to your unit and you have that answer, please share it! I am always available to spread the word. As we all search for answers, sharing what works is imperative to the health of all units! If you have a story, please email me and we can showcase your unit!

Remember your Nurturing Partners are always available. Call us!

The following was written by one of our conference leaders. This might answer some of your questions.

Why have district or conference officers come to your local unit?

- The officers can answer questions you might have about: the work of United Methodist Women; what we are doing as a district or conference; how you can participate even more fully in mission with women, children and youth; where does the money go; what is Mission Today; how can we grow as a unit; what can we do about social justice issues; etc.
- You will build a stronger relationship with the officer, district and conference.
- The officers are here to support YOU. Each member and local unit of the United Methodist Women is vital to the mission work that is done with women, children and youth.
- The officers can bring resources for you to use in your local unit.
- The officers can tell you about all the district and conference events. What is Mission u? What do we do at Annual Meeting? What is Ubuntu? What is the District Mission Study?
- The officers can help if you feel you need leadership development, creative programming, growing your unit, etc.
- This gives you an opportunity to share any thoughts or concerns you may have.
- This fulfills criteria #20 to be a Mission Today unit.
- The officers want an opportunity to get to know you! You are invaluable to our organization and we want to say “Thank You.”

I hope to see you at Mission U!

Denise Harris

Program Resources:

I am sorry that I missed the rescheduled Mission Study, but I was out of town. I heard reports of how well it went. At a recent meeting, I heard another member give a great testimonial to the book “Threading My Prayer Rug” by Sabeena Rehman. She had ordered it for her unit, but it was so good, she gave it to her daughter and had to order another one. I have already ordered one for my unit. I just hope that I didn’t make a mistake by not ordering two.

One book that I would like to highlight is from the 2018 book list. Three Feathers by Richard Van Camp tells a wonderful story of three Native American boys that are caught when they vandalized their community. They are sent by its Elders to live nine months on the land as part of the circle sentencing process. There, the young men learn to take responsibility for their actions.

So far the exchange program is going slow but I think it is good for those who have participated. At our recent meetings, everyone enjoyed the ability to exchange old books that the local units have read and are willing to exchange with others. So again, look through your books, and if there are some that you have all read, bring them along to swap with another. This is a nice way to save some money, and help other units out.

Last year, I gave the challenge to increase the number of members who completed at least level one of the reading program. Please don’t let me down. Whether you read one of these books or another, please read, report to your local unit and enjoy your faith through the written word. If you need help with the new ordering system, please feel free to contact me.

I look forward to seeing you again or meeting you on August 10th in Boone.

Micki Earp, District Program Resource coordinator

Nominations:

“Hello ... Hello ... Are you there?” Ummm ... “Oh, there you are. So glad you picked up. You see, we need Appalachian District UMW members who have a passion for service and are willing to be a part of the Appalachian District UMW Officer and Committee team. We have three potential officers on our slate to be presented at our Annual Celebration for election in August: **President:** Annette Echard; **Vice-President:** Sherry Summerlin; and **Nominations Committee Class of 2021:** Sherry Mabry. What positions are still needed to be filled, you ask. Well, we still need a **spiritual growth coordinator, communications coordinator and 2 nominations committee members (Class of 2022).**” Pause. “I’m glad you asked what these positions involve. The **spiritual growth coordinator** is responsible for planning and coordinating our District Prayer Breakfast, helps with the conference level Spiritual Growth Retreat held in June by assisting the Conference SG Coordinator in setting up the Worship Center and assisting with the program, is in charge of the worship center for ALL district events, and shares the Prayer Calendar and prepares a devotional for all district events. The **communications coordinator** gathers news articles from the district officers and committee chairpersons for the four quarterly district newsletters published each year. She also keeps a data base of local unit officers and committee members. Members of the **nominations committee** seek out District UMW members to serve in available positions each year. You say you’ve never served at the District level. If you have the willingness to serve, other members of the District UMW Officer and Committee Team will nurture, support and assist you. Yes, praying about this is important. Please contact either Brenda Kimberlin at bkimberlin@caldwellschools.com or Penny Ledbetter at pennygrietje@gmail.com if you feel led to serve. Look forward to hearing from you.”
