Celebrating 150 years of United Methodist Women

Letter from the President

Well, just got back from the Spiritual Growth Retreat at Lake Junaluska. I would have to say it was the best one yet! I want to thank all of the ladies that agreed to be hosts. Those who wore the red aprons, handed out fans and helped guide people to the break-out sessions. I have heard so many positive comments about how helpful and friendly we were. (note pictures in newsletter).

I hope you are planning to attend Mission U July 18th-21st at Pfeiffer University. If you cannot attend all of the sessions sign up for one.

There are 3 interesting topics to choose from (see flyer). Don't forget we are the hosts for this event also.

We have had 2 great Mission walks with 2 remaining. Come out and walk for a great cause. (dates in newsletter)

If you have not heard from your nurturing partner, please give them a call. They will be glad to do a program for you. If you do not know who your nurturing partner is, please give me a call and I can let you know.

Our Annual meeting is coming up in August at Bethany Church in Lexington. Please join us as we celebrate our accomplishments of 2018, elect and install our 2019 Slate of Officers and listen to our speaker Anne Finch. Our music will be provided by Ashley Woodard. Trust me you do not want to miss hearing these two ladies. (see registration form).

If you have any questions you can e-mail me at lward2004@triad.rr.com or call me at 336-880-1057.

Your sister in Christ,

Cathy Ward, Uwharrie District President

Our Mission Walks have been a wonderful way to raise money in support and help for women, children and youth around the world!! Thank you for your time and support to collect donations and/or walk for missions. We have had two walks so far and are a little less than halfway of reaching our goal of \$3500!! So far we have raised \$1700! Last year we went over our goal & I know that we can do that again this year!!

Remember the unit with the most people walking is entered in a drawing for a mission recognition pin to give to whomever they choose!

So far at Dan Nicholas Park, Providence UMC had the most walkers with 3 & at Grimes Park in Lexington, First Lexington had the most with 9 walkers. There was \$900 raised at the Lexington walk which was fantastic!! Encourage your units to come out and walk to be eligible to win the pin! The last two walks are at Randolph Mall on June 29th and then July 27th at Monroe Mall, both from 9-11 am.

Also think of creative ways to raise money: one group got buckets from Kentucky Fried Chicken and placed them in Sunday School Classrooms & asked for donations!! They received over \$200 this way! You can have walks at your church & have people sponsor you or walks in your community. You can collect money for missions after church one Sunday or place jars around your church and ask people to put their spare change in them and then add it all together and put in one check from your church. The money collected does not have to be from only the walk at the park or mall the day of the event. Think "out of the box" of ways to collect the money so that women, children & youth can be helped around the world!

If you are having difficulty with ideas for a program, please call your nurturing partner or (they will be contacting you) and ask them to provide a program for you. They have many different ideas and would be happy to visit your unit and do a program for you.

Please continue to think of new ways to bring in younger women to UMW. Could you start a teen circle at your church, or a young mother's circle. Also women in nursing homes miss going to their circles & would love for you to start a circle in the nursing homes or assisted care facilities! This enables them to still feel like they have a connection with their UMW from their church. Continue to "think out of the box" as you grow new circles for your unit!

Peace & blessings,

Sarah Lee (Coordinator for Membership, Nurture & Outreach

Program Resources

Summer has come "officially" and the days are longer and the time seems to move more slowly. This is a great time to READ. Whether you prefer the cool mountain air, the sunny, sandy beach, or your favorite spot indoors by a fan or air conditioning, reading can take you to far away places and increase your knowledge of the world. I would like to pass on some book favorites that YOU have recommended. Since I am just exposing this idea to you, I give you suggestions from my home church, Central-Monroe. Nancy Gustafson recommends "A House In the Sky". This memoir details the true life adventure of a Canadian imprisoned in Somalia. Less stressful is "A Bus to Corinth" which follows the footsteps of Apostle Paul. Try these & let me know your favorites to include in the next newsletter. Have a GREAT summer & be aware of God's presence every day in your life and the lives of others around you. *Cheri Barker, Program Resource Coordinator*

MATERNAL MORTALITY

According to the UN Office of Human Rights, maternal mortality has become a looming human rights issue in our world, and now especially in our USA. Alarming,ly, twice as many pregnancy-related deaths occur today in our country as there were in 1987, whereas, according to UNICEF, world-wide maternal deaths have decreased by around 54% between 1990 and 2015. The CDC (Center for Disease Control) reports that our country's black and Native American women have the highest mortality rates of all groups, as well as women between the ages of 34-44. Our various states also have widely ranging statistics. For example, Louisiana has 58.1 maternal deaths per 100,000 births per year, whereas in California there are only 4 per 100,000 deaths per births. In California, maternal death rate has been cut in half since 2006, when the state prioritized maternal and child care, and has instituted consistent safety practices.

Our UMW is supporting the proposal to establish Maternal Mortality Review Committees. Collecting data on pregnancy-related deaths across the country has often been haphazard or non-existent in some hospitals, and those who do keep data do not have a standardized system country-wide to share data and come up with standardized, improved care approaches for all pregnancy providers.

Sadly, in our country the majority of pregnancy-related deaths could be preventable. They are often due to various pregnancy and delivery complications, inadequate diagnoses, and failure to tend to emergencies. Other factors at play for pregnant women are lack of insurance, high costs, inaccessibility to clinics/ hospitals due to distance, time or transportation, lack of education about prenatal self-care, and lack of medical post-partum follow-up.

To find out more, check out our UMW Website and [Response Magazine](#), where most of this information came from.

Greetings from Spiritual Growth.

Spring has arrived!! The District Prayer Breakfast was well attended on a rainy Saturday morning. However, the blessings and love of God was felt by attendees enjoying appetizing food and fellowship. FUMC of Asheboro UMW and Pastor Lynda Ferguson were very gracious and welcoming to all.

What a blessing to hear the 3 young girls sing for the Memorial Service, "They Will Know We Are Christians."

I deeply appreciate all participants and a big "Thank You" to each UMW member who completed the program evaluations. I think we all experienced how "Transforming Lives Together" can be accomplished from Pastor Ferguson's message.

Hope many of you had the pleasure of attending the Spiritual Growth Retreat. Looking forward to seeing you at Mission U in July.

Betty Hunt, Spiritual Growth Mission Coordinator, Uwharrie District UMW
