### **Hands-On-Missions for Officer Training (Details on Page 16)**

At our annual meeting we collected 50 Agape Shoe boxes.

And remember it's not too late to help our conference meet our 2019 goal:

***To Increase our Conference Giving in the Gift to Mission channel by at least \$3,000.***

Gift to Mission cards will be available for purchase at our training, just in time for the holidays. We still have time to make our goal and share a Gift in Mission card with someone, which helps share the love of United Methodist women with others.

## Presidents Message

Candy corn, caramel apples and pumpkin pie. Yum, all of my favorites. Fall has finally arrived. Just as the leaves begin to change colors and fall, **Fall** can also be the perfect time to reflect on our past as well as embrace change. It is the season that teaches us that change can be beautiful. When looking for scripture that represents the Fall season, I ran across Deuteronomy 24:19 which says: When you are harvesting in your field and you overlook a sheaf, do not go back to get it. Leave it for the foreigner, the fatherless and the widow, so that the LORD your God may bless you in all the work of your hands. As UMW, with all the giving that we do through our time, talents, prayers, and gifts, we are not only a blessing to others, but are truly blessed by the Lord himself with the work that we do.

The Uwharrie District Annual meeting was a huge success. Thank you, Bethany UMC, Lexington for your gracious hospitality. We enjoyed a delicious breakfast, heard from Anne Finch about her amazing sewing mission study in Guatemala, and conducted our business session, along with the installation of officers for 2020.

Those that missed our Annual Celebration at Lake Junaluska missed out on a great event. We had fun hosting, going out to eat, participating in projects, listening to excellent speakers, and participating in our late-night skit/slide show event. It was amazing seeing all the pictures of things that we have accomplished this year. Through our giving and mission work we certainly reflect the hands and feet of Jesus Christ at work.

Please remember to register for our local officer's training which is scheduled for November 16<sup>th</sup> at Bethany UMC in Albemarle. By registering, it will allow your officers to prepare an adequate number of packets and our host to have enough refreshments for those who attend. Registration will begin at 9:30 A.M. followed by our training at 10:00 A.M. Your year-end reports will be distributed and explained. All reports are due back to me by email or postal mail by December 15<sup>th</sup>. My mailing address is Cathy Ward, P.O. Box 807, Denton, N.C. 27239 and my email is [lward2004@triad.rr.com](mailto:lward2004@triad.rr.com).

One of our goals this year was to increase our nurturing partner visits. It is still not too late to invite your Nurturing Partner for a visit or have them to a program for you. Not only have I enjoyed my visits this year, but the relationships that I have made along the way are priceless.

As a reflect back over the year as your new President I know that I have changed. But more importantly I have seen change among many of you. Change that I see and feel that is good. Change toward how quickly many of you have responded for my help in hosting this year. You were right there when I asked and even volunteered before I had a chance to ask. And besides that, we got the nickname of "Hostess with the Mostess!" I have seen you have fun while working, building relationships and most importantly carrying that Big Smile while knowing that you are helping others.

Thank you for allowing me to serve as your President. I am looking forward to working with you again in 2020. Who knows what nickname we might come up with next year?

Your sister in Christ,  
Cathy Ward  
Uwharrie President

## ECONOMIC JUSTICE – A LIVABLE WAGE

One of our UMW social justice issues focuses on a livable wage for our workers, and UMW supports an increased minimum wage in the US. Here are some related statistics from a June, 2019 issue of the Asheboro Courier Tribune.

The National Housing Coalition shows rental market costs across the country, and cites a mismatch between available rent costs and renters' incomes. In North Carolina, our minimum wage is \$7.25/hour. This means that a minimum wage earner would have to work 94 hours a week to afford a simple 2-bedroom rental in places like Asheboro. Mecklenburg County residents making a minimum wage need to work 109 hours per week to afford that same rental!

These figures are based on workers not spending more than 30% of their income on rent.

The livable minimum wage issue is especially important for our working mothers and single parents, so please be alert to this problem and talk to our legislators and business people about it, and find out where they stand.

Helen Shore, Uwharrie District UMW Social Justice Coordinator.

## Mission Giving and the Five Channels of Giving

While not all United Methodist Women members can travel the world and participate in hands-on-mission, their mission dollars, as given through the five channels of Mission Giving, make a difference for women, youth and children on their behalf. It's not too late to participate in the Five Channels of Giving: Pledge to Mission, Special Mission Recognition, Gift to Mission, Gift in Memory, and the World Thank Offering. Just \$5.00 in each category will satisfy your requirement for participation in the channel.

This has been another generous year of giving from United Methodist Women in the Uwharrie District so far. I am optimistic that we will exceed our District Pledge of \$51,500. Remember that documenting a pledge to mission and then paying it is a requirement to be a Mission Today Unit.

Treasurers will be receiving their 4th quarter letter from me at the beginning of November. I will include a spreadsheet with each Unit's status on giving in the 5 Channels, including documenting of a pledge. I will also be including a 2020 Pledge Form for next year. Fourth quarter remittances should be mailed so I receive them by November 30th. With your 4th quarter remittances, you will also be returning your forms listing your mission recipients for 2019—Special Mission Recognition, Gift to Mission, and Gift in Memory.

Our Conference Goal is to increase giving in the Gift to Mission Channel by at least \$3000. If every UMW Unit bought just one additional \$5 Gift to Mission Card, we would exceed this goal. So, please consider this in Q4 if you have not already done so. (Or you can buy cards from me at Officers' Training to save postage.)

Speaking of Officers' Training, I look forward to seeing all Treasurers at our Uwharrie District Local Officers' Training on November 16<sup>th</sup> at Bethany UMC in Albemarle. This is very important if you are a new Treasurer, or even if you are a seasoned veteran. There are always changes and new things to learn.

Blessings, Diane James, District Treasurer

Revised 10/11/19

**Congratulations & thank you all for your hard work and participation in the 4 mission walks—we have exceeded our goal**

It could not have been possible without the efforts of each unit that participated in each walk. I greatly appreciate what each of you did to raise the money to help women, children, & youth locally & around the world!!

As the year is coming to a close please make sure that you have contacted your nurturing partner & invited them to visit with you at one of your meetings or even do a program!! District team members it works both ways—if they have not invited you, we need to contact each of our nurturing partners and ask what we can do to help them and can we come visit with them? Some examples of interesting programs that we can do for the units we visit are the following: an interactive skit on Human Trafficking, Ubuntu Journeys to different countries & how UMW helps in these countries, Maternal Mortality, Five Areas of Mission Giving, Legacy Fund, 125 Ways to Grow your Membership, and more!

Also as the holidays are approaching it is a good time to nurture your members in each of your Faith Community have collected can be used as a fun units. Think of things that you can do together that will help them grow spiritually during the Christmas season. Examples are an Advent By Candlelight Program, Nativity Show showing all types of Nativities that your members in your Faith Community have collected (can be used as a fund raiser & invite the community to come see them). With the Advent By Candlelight people can be asked to bring an item for those in need in the community. Whatever you choose to do, may God bless you and may you nurture your members as well as those in your church and within your local community. If I can help in any way please feel free to contact me at 704-984-0165 or [accnurse@rocketmail.com](mailto:accnurse@rocketmail.com).

Peace & blessings,

Sarah Lee, Coordinator of Membership, Nurture, & Outreach

September marks a change of season and also for many of our children, grandchildren as well as some of us. School is back in session. I am aware that my UMW sisters are knowledgeable on many subjects. Have you ever asked yourself how much of this knowledge is due directly or indirectly from reading? As adults we have the ability to expand our knowledge of the world and its people and deepen our spiritual world just by participating in the UMW Reading Program. If you attended Mission U and read the study books, you are already on your way to completing Plan 1 of the program. Think about the information which you have acquired from reading the books that are part of our program, and share that knowledge with your UMW sisters. Read, Read, Read! Your reward will be Great!

# THANK YOU OFFICERS!

The Nominations Committee has been busy completing our list of District Officers for the new year. We have a group of ladies who are dedicated to fulfilling the purpose of the UMW.

A special welcome to the newcomers to the team: Sarah Lee will be our Vice President; Pat Jarvis is our new

Nominations Chair; Elizabeth Lookabill is our new Secretary. We also welcome our newest members of the nominations Committee, Gay Smith, Wanda Craven and Cheri Murray. Carolyn Thompson will head the Membership, Nurture and Outreach.

These ladies have expressed being honored to serve and look forward to the opportunity.

Sincere thanks to those who are returning to an existing office or accepting a new office. Thanks to each lady who is willing to serve.

A note for all 2020 Officers...remember Conference Leadership Development Day for District Officers is a “must attend” event if possible. This year it will be held at First UMC in Granite Falls, NC. A flyer is included with the newsletter. The training will help prepare you for your job and answer any questions you have. It will help you get started on the right path for leading our District forward. Thank you to everyone who served with me on the committee. Blessings, Sis Bowers, Nominations Chair

## Hands on Mission Projects

### Two (2) Hands-On-Mission Opportunities for Leadership Development Day

**#1 SCHOOL DAYS SANITARY SUPPLIES** Do you remember how it felt when you were first learning how to cope with your period? Always worrying that you were going to spot through your clothes and that people would pick on you. And, that is for the girls who actually do get to school when they are menstruating. Many girls in our own communities are forced to stay home for lack of sanitary supplies. “In the US, nearly 1 in 5 kids aged 12- 17 live in poverty. At \$7 to \$10 a package, a month’s supply of something as simple as a box of sanitary pads or tampons can be one expense too many for struggling families.” (Newsweek, Wednesday, April 20, 2016) Let’s help ensure all girls don’t miss school because of their periods. So, for our Hands-On-Mission for Leadership Development we would like you to bring sanitary products for tweens and teens. We will distribute them to School Districts throughout our 5 counties.
