## PRESIDENT'S MESSAGE

Welcome to the world of Zoom! I don't know about all of you, but I have really missed seeing everyone. Maybe a lockdown is an INTOVERT's paradise but for those EXTROVERT's like me, I like my social gatherings and HUGS!!! But not only as a nurse, but also as a Christian, I will wear my mask and keep my distance for I choose **to do no harm**. Sound's kind of like someone we all know (John Wesley).

The Uwharrie District has already had 2 zoom calls and actually, after everyone figured out how to get on, it was fun. We were able to accomplish a lot in our meetings as well as sharing ideas, and even sharing what our pets look like. So, if you local units are not zooming, I encourage you to try it out. If you don't have access to a computer, call each other or send a card. Think of ways to be creative and stay connected.

Please pay attention to the page that discusses our Uwharrie District Annual Celebration. You must register online. We will vote on the 2021 Annual Budget including the A&MD and the Pledge. We will also vote on the 2021 officers. We will also be zooming for our Annual Celebration instead of going to Lake Junaluska in Sept. More information will be forth coming.

If you have not been in touch with your nurturing partner, please do so. They can update you on what is going on in the District and Conference level and will be glad to attend a virtual meeting and do a program for you. If you have not sent in your local PLEDGE to Diane James for 2020, please do so.

Uwharrie District Newsletter June 2020

In writing this article, I thought of all we have been through in the past several months and the scripture from Deuteronomy came to mind: Deuteronomy 31:6 ~Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you.

Joshua knew a few things about facing difficult situations. He inherited a nation of frustrated, tired, wandering Israelites and brought them into the Promised Land with many battles to face along the way. It is no surprise that the Bible documents many times where God comes before Joshua and reminds him to be strong and courageous. In Deuteronomy 31:6, God explains that the reason Joshua can be strong and courageous in struggles is because the Lord goes with him. God is on Joshua's side! No matter what he faced, Joshua could stand firm knowing that God was his Helper. We have that same hope. No matter what hardships we face, God is with us now. He has sent the Holy Spirit to move in our hearts and bring us peace. If it seems hard to imagine Joshua with all the power and protection of God at his fingertips, look no further than a mirror. God is with you and He is for you. You can stand firm in your faith when trials and struggles come, just like Joshua. Pray, thanking God for His presence in your life. Ask the Holy Spirit to renew a peace in your heart that passes all understanding and worship God for never leaving or forsaking you.

The United Methodist Women have shown that they are strong and courageous in several ways the past few months. There have been Zoom circle meetings, sitting in a front yard in a circle & having a unit meeting with social distancing, sitting behind sewing machines making masks, having a wonderful virtual Spiritual Growth Retreat, and having mission walks in parks & malls!! I'm sure there are some other creative means that have also been done as United Methodist Women continue to be strong & courageous as the Holy Spirit guides us in Faith, Hope & Love in Action.

The Uwharrie District UMW will be strong & courageous in planning the Annual Meeting for this year virtually. It does not look like it is going to be possible to meet with all of us in one building by August. But since we were able to have a Spiritual Growth Retreat virtually, I don't see why we can't have an Annual Meeting in that format. The date will be August 28<sup>th</sup> (Friday) at 7:00 pm and our speaker will be Barbara Brooks. Barbara (Barb) Brooks, born in Evansville, Indiana, is a commissioned deaconess in the United Methodist Church. A member of the First United Methodist Church in Myrtle Beach, South Carolina, she is presently serving as President of the United Methodist Women. In addition she has served as Vice-President & is now President of the Marion District United Methodist Women.

She graduated from the University of Evansville with a major in physical education and a minor in English. She holds a master's degree from Indiana University and taught school for several years prior to her acceptance by Global Ministries as a U.S.-2. She was assigned to Camden, South Carolina, where she taught for 13 years. She later spent a year with United Methodist Committee on Relief (UMCOR) following the Great Flood of 1993. Barbara, who speaks fluent Spanish, has also worked in Cali, Colombia, S. A., where she taught kindergarten through fifth grade. She has served on mission teams to Zimbabwe, Honduras and Colombia. In 2018 she led the Ubuntu Journey to Bolivia.

She has a second-grade reading buddy at the local elementary school and does arbitrations with juveniles. She loves to watch sports, travel and enjoys scrapbooking, but she said, “I don’t have enough time for any of them.

You don’t want to miss hearing about Barb’s many ways of being strong & courageous as she has worked with women, children & youth around the world. So be sure & mark your calendar for August 28<sup>th</sup> and I look forward to seeing you virtually !

Barb with the ladies of Bolivia

Vice-President Uwharrie District: Sarah Lee

### WE ARE ALL IN THIS TOGETHER

United Methodist Women have always been in the forefront of discerning areas of social and economic needs and injustices and acting to work for the well-being of all women, children, and youth. Now is a newly urgent time for us to educate ourselves and act for social equality and justice. The current pandemic and the protests against racism have affected our whole society, and we are all in this together.

At this writing (6/21/20), there are two major forces converging in our society: the Coronavirus pandemic; and the protests and marches against police brutality and racism. Both forces have awakened the public conscience and awareness about our systemic racism. Huge gaps in our healthcare system are becoming more evident as the uninsured, rural, poor, and minority communities suffer inordinately from a health system overwhelmed by the virus. With school closings due to the virus, poor and rural communities and communities of color don’t always have access to computers and hotspots as teachers provide instruction online, and thus, these students struggle and become further behind in their education. Economic gaps in our society have become more evident as the pandemic unduly hits poor and minority people who work without a living wage or paid sick leave and face special struggles to make a living. And the recent police actions have brought a new focus on criminalization – and death – of people of color.

Both the pandemic and the recent police brutalities have shone a new light on areas of social and racial inequality interwoven into our culture. We as United Methodist Women must honor our tradition and unite together to advance social and racial fairness and equality as we move forward to a better society and world.

Questions regarding motions:

**Is the motion in order?**

Our motion must relate to the business at hand and be presented at the right time. It must be obstructive, frivolous or against the bylaws.

**May I interrupt the speaker?**

Some motions are so important that the speaker may be interrupted to make them. The original speaker regains the floor after the interruption has been attended to.

**Do I need a second?**

Usually, yes. A second indicates that another member would like to consider the motion. It prevents spending time on a question that interests only one person.

These are just a few questions and answers in reference to motions.

I will continue with more questions and answers at a later date.

No one should give the answer that it is impossible for a man occupied with worldly cares to pray always. You can set up an altar to God in your mind by means of prayer.

And so it is fitting to pray at your trade, on a journey, standing at a counter or sitting at your handicraft.

## **\$\$\$ Notes from the Treasurer**

Greetings during these unprecedented times; I hope you and your families are staying healthy.

Although most of you have not been meeting with your units, thank you for continuing to send in your pledges and donations to UMW. In this time of intense pressure on local services due to the Covid-19 Pandemic, please remember that this Pandemic is being suffered across the globe. That means those Missions we United Methodist Women have been supporting in far less robust health systems are even more pressed to confront the disease than we are locally. So, our support of those Missions is even more critical than ever.

As always, I will still accept your checks covering your Unit's quarterly pledges and other mission gifts. But if needed, we have also set up an on-line donation process on the WNCC United Methodist Women website. It can be found on the very top line on the Home Page "GIVE NOW" or at <https://wncumw.org/online-mission-giving/>. Donors will be asked to enter their name, church and district, so that their gifts can be credited back to their Unit and District. If this process is better for you, please take advantage of this new way of contributing.

Our Uwharrie District Pledge to Mission for 2020 is \$51,500. Through Q2, which ended 5/31/20, we have sent in \$20,248.77 to Conference, which gets us to 39%. We were right on track through Q1, but Q2 was obviously more impacted by COVID-19. I am hopeful that this is just a temporary setback, and we can get back on track soon. The work we do is so critical to women, children and youth around the world.

If you need any Gift to Mission Cards or Special Mission Recognition pins, please don't hesitate to contact me. I have all the cards on hand and can order pins, so I can get them to you easily.

I really miss seeing all of you since we have not been able to hold in-person events, but I look forward to seeing some of you during upcoming virtual events. And, I hope to be able to see you all again in the near future at an in-person event.

If you need anything from me or have any questions, please feel free to call, text, or email me.

Spiritual Growth – In the April District Newsletter, I had mixed feelings about cancelling the planned District Prayer Breakfast due to Covid–19. As time has passed, we have experienced a multitude of delays plus cancellations as the virus continues to spread. At the Prayer Breakfast, we remember our deceased UMW members from the previous year. The following names and churches were submitted by the UMW president of each church. God bless the memory of all 2019 deceased United Methodist Women. A list of those we lost during the past year are included in this newsletter.

The Spiritual Growth Retreat – June 12 – June 14 at Lake Junaluska has also been cancelled. The following information will provide access to the programs presented virtual on Friday, Saturday, and Sunday. I encourage you to gather as you can, and enjoy the ministers and the special music. You will be blessed. Of course we miss not being at Lake Junaluska, but hopefully we can return in 2021.

While we were not able to enjoy the lake and our fellowship with our UMW sisters, we did enjoy our Virtual Spiritual Growth Retreat on June 12th, 13th and 14th. If you missed it, it is not too late. You can go to the website: <https://wnccumw.org/events/spritual-growth-retreat-2020> to enjoy the music by Rev. Dr. Mark Barden and Catherine Ritch, along with messages by our 3 wonderful speakers: Rev. Pam Blackstock, Rev. Dr. Suzanne Michael and Rev. Lisa Beth White.

In closing, I encourage you to keep using the “Recipe for Hope” as a daily devotional.

Blessings,  
Betty Hunt  
Spiritual Growth Mission Coordinator
