

Western North Carolina Conference United Methodist Women

Voting at 2020 District Annual Celebrations:

In these extraordinary times, we needed to provide a way for the necessary business of our districts (election of officers for 2021, and adoption of pledge to mission and budget for 2021) to be cared for in a virtual setting. Zoom Webinar provides that possibility, and we will be using the polling feature of Zoom to handle the necessary voting.

Very important: In order to vote at your virtual district annual celebration, you will need to do the following:

- **Register online for the Zoom Webinar** that will be hosting your District Annual Celebration. You can find the registration link for the Zoom Webinar in the section for your district on our District Celebrations page at: www.wnccumw.org/districtcelebrations/. We expect to open registration no later than two weeks in advance of your district annual celebration.
- **Using the confirmation email that you receive upon registration**, you will need to use the unique link sent to you to join the Zoom Webinar for your District Celebration...at the date & time shown.
- **You will need to be logged in to the Zoom Webinar using an internet connected device:**
 - A computer
 - A tablet
 - A Smartphone
 - **It will not be possible to vote by just dialing in like a conference call. You will have to be logged in using Zoom.**
