SPIRITUAL GROWTH:

Greetings,

With spring well underway and summer just around the corner, we are looking to the future with hope and enthusiasm. As we look at all the beautiful flowers and listen to the birds singing, we are reminded that, even though we have gone through some rough times, there is still hope. We have just celebrated Easter and we rejoice in the risen Lord who gives us hope.

On March 20, 2021, we had a very uplifting virtual Spiritual Renewal Gathering and Memorial Service. Through the Memorial Service, entitled "Unique, Useful and Different --- All in God's Light," we remembered forty-one of our beloved sisters who gained their heavenly home in 2019 and 2020. We will remember the legacy that each of these ladies left for us; they are "Precious Memories." Following the Memorial Service, Sandra Williamson, from the Northern Piedmont District, brought us a very inspirational and uplifting message. Thank you Sandra.

Now we need to focus on the rest of the year. Looking ahead, please put the virtual Spiritual Growth Retreat on the calendar for June 18-19. The program is entitled "You Lift Me Up." Then in July you won't want to miss the virtual Mission u. Mark your calendars for July 15-18 for this event.

Now as I close, I want to say that even though we are working under unusual circumstances, we are still a very strong group of women doing God's work. So let's stay the course and "expand concepts of mission through participation in global ministries of the church" (Purpose).

Social Action

United Methodist Women calls for sound stewardship of the earth and environmentally friendly lifestyles that preserve creation for the benefit of present and future generations.

MISSION EDUCATION AND INTERPRETATION:

Spring is definitely here and I love it (actually, would love it more without the heavy pollen!) I hope many of you were able to attend our virtual District Spiritual Growth Renewal (such a beautiful tribute to our ladies who have moved on to their Heavenly homes) and our virtual District Mission Study (where we heard such encouraging, inspiring, and persistent words from Rev. Lisa Beth White). We announced the Hands on Mission project for Spiritual Growth as school supplies for the Bethlehem Center, Winston Salem; and UMCOR Hygiene or School kits for the Mission Study. If any unit has collected items, please contact Sherry Summerlin or me and we will arrange to pick up the items and get them delivered.

Many of you attended last year's virtual Mission u when we learned ways of Finding Peace in an Anxious World. This year's Mission u will also be held virtually, July 15 – 18. The curricula will include:

Bearing Witness in the Kin-dom:

Pushout -Criminalization of Black Girls in Schools.

These curricula are intended to motivate, inform and enrich our commitment to be in ministry for a more just and equitable world, locally and globally. Mission u is where we learn together for the transformation of the world; I hope that each of you will prayerfully consider attending this virtual event. As more information becomes available, it will be posted on the WNCUMW website; you will also be able to register to attend on this conference website. Remember that attending Mission u and reporting information back to your unit and participating in one local and one Conference Hands-on-Mission project are both criteria that count toward earning your Mission Today Unit Award. You can find all 2021 Mission Today criteria by scanning the QR code on page 1 of this newsletter.

If you have any questions regarding UMW missions or need my help, please don't hesitate to call me!

Love and Blessings to all....

TREASURER:

Greetings to all!

YOU, as a United Methodist Woman have made miracles happen around the world for women, children, and youth due to your generous financial gifts to Missions. In the July/August 2020 response magazine is an article titled, "Photo Essay: Connected in Mission (pg 24-31)." "United Methodist Women members take care of one another and women and children around the world. This issue's photo essay is to remind you of the lives you have touched with your prayers and your giving, lives to which we are still connected even (and especially) in times of physical isolation. You change lives for the better (pg 24)." The photos, along with their captions, tell a story of miracles YOU made possible through United Methodist Women Mission Giving. Keep all of the United Methodist Women mission projects in prayer this year by continuing to support Mission Giving. Along with the response magazine, you will find stories in the Prayer Calendar, Program Book, and many of the books in the United Methodist Women reading list to help you understand where your giving goes and the miracles you have made possible.

I encourage your unit to give to the Five Channels of Mission Giving. The following units gave to the Five Channels of Mission Giving in 2020:

Arbor Grove	Friendship (Statesville)	Mount Hermon
Barbara Heck	Hiddenite	Mountain View
Boone	Hudson	New Covenant
Clifton	Millers Creek	Shiloh (Sparta)
Deerfield	Monticello	Union Grove
First North Wilkesboro	Mt. Bethel (Alexander Co.)	Wilkesboro
First Taylorsville		

If your unit has not sent in the blue "Pledge and Officer Information Form - 2021," it is not too late. To make a Pledge to Mission is the first criteria for becoming a Mission Today unit. The following units have sent in their Pledge to Mission for 2021:

Barbara Heck	First North Wilkesboro	Mount Hermon
Baton	First Taylorsville	Mountain View
Bethelview	Friendship (Statesville)	New Covenant
Boone	Gamewell	Shiloh (Sparta)
Christ Boulevard	Hiddenite	Sparta
Clifton	Hudson	Stony Point
Deerfield	Millers Creek	Union Grove
First Elkin	Monticello	Wilkesboro

Mt. Bethel (Alexander Co.)

Remember our 2021 Financial Goal is: "Each is unit will make at least one Gift to Mission of at least \$5.00, using any cards they have, in honor of one person in Mission listed in either the Prayer Calendar or a response magazine article.

Hope to see many of you virtually for Spiritual Growth Retreat and Mission u. More information is found in this newsletter concerning these two events.

If you have any question and/or concerns, or need more information about Mission Giving to share at your meetings, please let me know. You may email, call or TXT.

Nominations:

Happy Spring! What a special time of year when we can witness new growth and the rebudding of trees and shrubs! It signifies a time of renewal as we have traveled through Lent in preparation for the remembrance of the crucifixion and the celebration of the resurrection on Easter Sunday. During this time of reflection, we often consider ways to serve using the talents, the gifts that we have been given. Please prayerfully consider service with your Appalachian District UMW Executive Board. You may contact Penny Ledbetter, pennygriette@gmail.com or Brenda Kimberlin, bkimberlin@caldwellschools.com, if you would like to serve in one of the following positions: Nominations Committee(2) and Program Resources

FIRST TAYLORSVILLE UMW SPOTLIGHT

Although our First Taylorsville UMW has not met in person very often since March of 2020, we have remained active. We are blessed with ladies who have learned to use Zoom to meet, although many of us are in our 60's or older.

We are also blessed with an outside covered area at our church which allowed us to meet in person a couple of times last spring. We followed the WWW's (Wash, Wear, Wait) and made Hygiene Kits and School Kits for UMCOR, as well as some Hygiene Kits with a few items added, for women who needed to use the service of Shelter Home of Caldwell County. We are in Alexander County; however, we don't have a shelter here and our ladies who need this service are taken there.

We have had quite a few Zoom meeting

programs which included our Pledge Program and other programs from our UMW Program Books. We also had a Zoom meeting with a guest speaker from Shelter Home and another meeting when we viewed the Virtual Conference Spiritual Growth Event.

We have been so blessed to be able to remain in Mission and stay in touch even during this pandemic and we were even able to meet our Pledge to Mission! Thanks Be To God!

UMW Reading Program

The Reading Program is a cherished United Methodist Women tradition that brings together members in mission as they explore, share and discuss the written word. To participate, select one of the four plans—and start reading! From captivating mysteries and heartfelt biographies to urgent messages about issues like immigration, racism and mental healthcare, there's something for everyone. Reading Program books are divided into one of five categories: Education for Mission, Leadership Development, Nurturing for Community, Social Action and Spiritual Growth. Books are available for people of all ages and reading levels. Books that are suitable for children or youth will be listed among the five categories; look for "Suitable for children" or "Suitable for youth" following book descriptions. As you read, track your progress using the reporting form on page 24. When you complete a plan, you will be recognized with a Certificate of Recognition. Earning your Certificate of Recognition is just one way to show what you've gained from the Reading Program. The Reading Program is not meant to be completed alone, even when social distancing. As you read, consider taking one of the following actions:

- Promote the Reading Program. Share the program with United Methodist Women members and members of the community on listservs, online message boards or on social media. Help people obtain books and distribute this guide.
- Connect with Local and District groups. Start a virtual book club over Zoom, Google Hangouts, or another videoconferencing platform. Download books and present book reviews at virtual meetings, share a spreadsheet tracking progress (through Google Docs, for example), and post information in online groups.
- Pray. Books often raise concerns about people, countries and issues. Bring these concerns to God during your prayer time.
- Advocate for tangible change. Many Reading Program books address important social issues. And many address racism. Take action with United Methodist Women's anti-racist guide: [unitedmethodistwomen.org/ antiracistresource](https://unitedmethodistwomen.org/antiracistresource)
- If you're not able to engage in protest and other in-person activities, organize a remote task force to discuss ways to impact your community virtually
