

Western North Carolina Conference United Methodist Women

Voting at 2021 District Annual Celebrations:

In these still extraordinary times, and with our commitment to the safety and participation of our members in mind, we needed to provide a way for the necessary business of our districts (election of officers for 2022 and adoption of pledge to mission and budget for 2022) to be carried out in a virtual setting. Zoom Meeting provides that possibility, and we will be using the polling feature of Zoom to handle the necessary voting.

Very important: In order to vote at your virtual district annual celebration, you will need to do the following:

- **Register online for the Zoom Meeting** that will be hosting your District Annual Celebration. You can find the registration link for the Zoom Meeting in the section for your district on our District Celebrations page at: www.wnccumw.org/districtcelebrations2021/. We expect to open registration no later than two weeks in advance of your district annual celebration.
- **Use the unique link in the confirmation email that you receive upon registration** to join the Zoom Meeting for your District Celebration...at the date & time shown.
- **Log in to the Zoom Meeting using an internet connected device:**
 - A computer
 - A tablet
 - A Smartphone
 - **It will not be possible to vote by just dialing in like a conference call. You will have to be logged in using Zoom.**
