Zoom Etiquette

MISSION U 2021

- Please keep your microphone muted during the meeting unless you are speaking.
- If you would like to speak, first “Unmute” by clicking the microphone in the bottom left corner. You will want to turn on your microphone when we move into breakout rooms.
- Video content will be shared that may require you to adjust your volume.
- We will use the Chat function to share comments and ask questions.
- Because we are a large group, we suggest that you set your view to speaker view, instead of gallery view, so that you can see our speakers.
- As always, thank you for your patience! We are glad you are here!
