Hands on Mission to Benefit The Meeting Place

Our project is making "Starter Kits" for transitional housing

They suggested a laundry basket as a base.

Inside, put:

- new silverware (4 spoons, forks and knives),
- a 12" skillet,
- a 2 qt pot,
- a cookie sheet
- and new plastic kitchen utensils (spatulas, etc).

For many of us this is a basic start but to someone who is going into society from homelessness, this is a blessing. Of course, a mop, broom, dustpan, soap, scrubbies will be helpful. I did not realize soap could not be purchased with EBT. We get up in the morning and expect a minimum of these items in our homes.

Other donation suggestions for the Men's and Women's Shelter include Laundry Detergent, Hygiene items (toothbrush, hairbrush, combs, shampoo). They also need towels, sheets (twin flat and fitted), pillows, paper towels, toilet paper, soaps. Anything along these lines would be appreciated.
