United  
Women  
in Faith

From **Rhita Newcomb**, *District President*

Happy Spring United Women in Faith!

We have a new name! How exciting we are now United Women in Faith. Our name may be new, but our purpose remains the same, to help make lives better for women, children, and youth around the world. Over the last 153 years we have had more than twenty-five name changes each reflecting the times in which women lived their lives. We just celebrated 153 years in mission on March 23, 2022, and our new name signals a change in the way we engage the world in faith. Our new name will give our organization a fresh new look, a new feel, and new an improved programs designed to better nurture current members and welcome new women into our sisterhood. I like this quote in our response magazine: “We are a powerful, fearless force driven by God’s love and united in sisterhood with a focus on women, children, and youth. We act for justice and transform communities. We invite United Methodist and other like-minded women to join us, because love in action can change the world.” We have a new logo that represents the past, present, and future. The symbol refers to our Christian roots, the multicolored pieces of the cross represent diversity we aim for and the inward and outward reflection we engage as women of faith. Also, please check out our new website [UWFaith.org](http://UWFaith.org). I have included a page from response magazine with frequently asked questions regarding our new name, if you have any further questions, please contact me. This is an exciting time for United Women in Faith as we move forward into our future, and YOU are our future!

As we move forward, this change, this newness reminds me of what Easter means, a sense of newness, as spring returns it lifts our spirits and makes us feel like the whole world is new, the Resurrection of Jesus makes “all things new.” (Rev. 21:5) It means to see the world through new eyes – God’s eyes. Let us embrace these new changes and see the world through God’s eyes.

# Frequently Asked Questions on United Women in Faith

## Are we still a part of The United Methodist Church?

Yes! We are still the only official women's organization of The United Methodist Church, and our legal name will remain United Methodist Women.

## What do we call ourselves now?

You are United Women in Faith! It's okay to ease into it; it's a big change. We'll have the new logo ready for download on our new website, and other materials are available there to help us all and transition together.

## How were these decisions made?

Our new programs are fruits of the research the national office conducted over the past quadrennium along with prayerfully seeking to discern the times for our organization. The member-elected United Methodist Women board of directors, with input from the program advisory group, has guided the organization throughout this process.

We've conducted surveys, focus groups and interviews with more than 24,000 United Methodists and women of other denominations and Christian traditions. The changes and programs are data-informed and tested to address the needs and life stages of current members and new women.

## Will these changes impact me and my local unit?

All of our traditional structures on the conference, district and local levels—circles included—remain intact. These

new tools and programs are additional options available to you and your unit to help you better nurture current members, recruit new women into the organization and manage your unit's finances.

## Can we be members if our church leaves The United Methodist Church?

Yes. Changes to the bylaws allow for women to be involved and be leaders in our organization even if they become affiliated with another denomination. Our new name makes our organization more inclusive.

## Where can I learn about all of the changes underway?

New Wineskins resources available on the website at [uwfaith.org](http://uwfaith.org) will give you an overview of the changes underway. Changes include the new name, new website, templates for Soul Care retreats, innovations to Mission u and Leadership Development Days, a national membership option, more targeted giving options, new online tools for treasurers and new and improved resources.

## What is the New Wineskins Campaign?

United Methodist Women—now United Women in Faith—is again saying yes to being part of what God is doing in the 21st century by creating new and improved ways for women today to gather for faith, sisterhood and action for women, children and youth.

In other words, we are making new wine and new wineskins to fulfill our

role in God's mission today. The New Wineskins Campaign is about these exciting changes and spreading this great news with members during this time of transition.

## Why the rebranding?

*Brand* is a term most often associated today with commercial marketing, but in reality, everyone has a brand. Brand is just a term to describe what people can expect to experience when they encounter you. Branding encompasses the things we do—our look, our actions, our messages—that help let people know who we are and what we deliver.

Rebranding United Methodist Women means we are refreshing the way we tell our story and updating our programs, resources and outreach efforts so that we better nurture current members and are more attractive to and welcoming of women of diverse backgrounds and life stages by meeting them where they are.

United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so that they can inspire, influence and impact local and global communities.

From **Jamie Smith**, *District Treasurer*

Greetings: UMW – United Women in Faith Sisters!

As we hear less about Covid 19 and Omicron, I hope that all of us are once again having *in person* meetings and beginning to be able to *carry on* as we once did!

However, if you read the March/April issue of **response** magazine you know there are changes of our going forth! If you have not read the issue, I will share some information from “**response - the magazine of women in mission**”. In Tara Barnes “thank” article, she tells us we have been “United Methodist Women” since 1972, after the Evangelical United Brethren Church merged with the Methodist Church to become the United Methodist Church and the Women’s Society of Christian Service and Wesleyan Service Guild became one organization. In the **response** article “We are United Women in Faith!”, by Yvette Moore, states “in 150 years in mission, our organization has had more than 25 names, each reflecting the varying times, ways women lived their lives and the states of union or our many predecessor denominations”. We United Women in Faith just adds to the number of names we’ve been!

Our Conference Treasurer, Nancy Reigel, has a lot of information and answers to some of the many questions we may have in the latest “Conference Gram”. Sharing some of her “news”, you should know that the National Treasurer says: “Checks to local, districts and conferences should continue to be payable to United Methodist Women so that your checks can be deposited at your banking institutions”. For Yadkin Valley, this means you still make checks payable to “YV UMW”!

There are “new ways for giving, new giving options.” Our traditional ways of giving remain ABSOLUTELY the SAME and continue to be vital and critical channels of support for our Missions. We still have all our traditional five channels of undesignated giving and all other designated giving options as before! Our options for giving have expanded, not reduced or closed. The new and old will go forward hand in hand, supporting Mission as we have done all along. We are keeping what is good and adding more.

Our Local, District and Conference Treasurers will CONTINUE to follow the quarterly Remittance process with **NO** changes required. That means the current forms and giving options continue to function. We continue to urge members and units to give in all five channels of Undesignated giving. We continue to urge our members and units to support our National Mission Institutions and International mission projects as Designated Mission Giving through their quarterly remittances.

And now in 2022 we are “declaring our bold future as **United Women in Faith**, connecting and nurturing women through spiritual formation, leadership development, creative fellowship and education so that we can inspire, influence and impact local and global communities”. Is not that what we’ve been doing since 1869? Only the name has changed!

“Without change there would be no butterfly”, change can be beautiful! Let our light shine as we approach the days ahead that others may see us for what we are: United Women in Faith!

From **Camille French**, *District Social Action Chair*

### **United Women in Faith – Advocacy Initiatives for April – Social Justice**

We continue our focus this month on the national initiative to end the school to Prison Pipeline and to end pushout in schools for our girls of color. As Christians, advocacy should be at the heart of what we do and how we use our talents to secure justice for others. This was Christ's example for us: to advocate for those who cannot advocate for themselves.

There are two ways that we are asking you to advocate immediately. One is to help us end the School to Prison Pipeline. By supporting the Counseling not Criminalization in Schools Act, you will help to advocate providing resources to shift the course correction from punishment to funding for additional resources like counseling for students. You can advocate that your representatives support this bill by using the link below. There are several races in this year's elections that also speak to these issues. We can also ensure that we vote in persons who will align with these initiatives.

The other way to advocate is to help end pushout and criminalization of girls of color in our schools. The book Pushout continues to be on our reading list and describes how girls of color are discriminated against and treated unfairly in schools. Our district also had a mission study on this very issue last year, highlighting its importance in our faith journey. Join United Women in Faith by contacting your representative and asking them to support the Ending PUSHOUT Act. In addition, pay attention to the upcoming primary and general elections here in Forsyth County and surrounding areas. In Forsyth County in particular, we have heavily contested school board races. Take the time to engage those candidates and see how they plan to support this bill and advocate for equality in our schools.

You can find out more information about these two things and how to act using the link below. Continue advocating and fighting for others as Christ fought and advocated for us.

**Women as Disciple-Makers in the Global Church**

From **Cathy Smith** , *Mission Education and Interpretation*

The Yadkin Valley District UMW held our District Mission Study on March 5, 2022 at Pine Grove United Methodist Church. This was the first event held in person in our conference since the pandemic stopped personal gatherings in 2020. It's interesting to note that our District held the last in person event in our conference on March 7, 2020 prior to the shutdown caused by the pandemic.

The mission study was entitled ***Pushout: The Criminalization of Black Girls In Schools***. It was based on the book by the same name written by Monique Morris. Our own Joyce Irby (WNCCUWF Social Action Coordinator) was our speaker for the mission study. The 57 ladies in attendance learned many facts that may have been previously unknown to them and how to promote racial equality going forward.

The ladies at Pine Grove provided a continental breakfast for those in attendance. We certainly want to thank them for their hospitality. An offering was taken for Undesignated Giving through United Methodist Women. The Hands-On Mission Project was non-perishable foods and sanitary supplies for girls to be donated to the Open Arms Community of the United Methodist Church in Winston-Salem, NC. The items collected filled the bed and back seat of Dwight Smith's truck. We extend our thanks to Dwight for loading and transporting the food and sanitary items to the Open Arms Community.

Thanks to all who participated in this event and contributed to the Hands-On Mission Project.

Greetings United Women in Faith,

We have a new name, but we are still the same women of faith in action. This year I and my committee are in charge of planning the Annual Celebration. The theme will be “Finding Joy in the Journey”. The people on this committee are Barbara Crotts, Martha Gwynn, and Vickie Morrison. Our guest speaker will be Catherine Ritch. We have heard her play at conference events and I am very excited that she will be able to be with us and provide us with a program of music and encouraging words. For the last two years we have had some troubling times. It will be nice to have a moment of joy in music and words. The hands on project will be items for Project Agape. We will also have the Annual Celebration at Faith United Methodist Church in Rural Hall. Please mark your calendars for this event. More information will follow. See the announcement below.

Wishing you and your family a blessed Holy Easter.

Spring is here, with changes in the weather and flowers blooming and new growth. We as United Methodist Women are also changing....we are now United Women of Faith. We are UNITED as women who have a purpose. We have FAITH that we can make a difference.

We are WOMEN who work to make lives of women and children better.. We empower women to be leaders in their churches and communities. We need more women to join us and make our organization stronger. We need more women who will share their faith and who will help continue the work that began 150 plus years ago. We are all leaders in our own way, and I ask all to take a more active role in our local and district positions. Your talents are vital to making this UNITED WOMEN OF FAITH the best that we can be and to do all we can to support the work of this organization.

From **Deborah Brooks**, *District Communications*

Hello Yadkin Valley United Women in Faith!

Updated officer information is important so your officers can receive UWF communications. Some units do not elect officers until the new year. If this is your unit, please submit your 2022 officers so I can get their names and addresses updated in our list as well as the conference list. Also, if one of your officers had passed away any time during the year, please let us know so we can remove her name from the list asap. I hate finding out that we sent communications to one of our deceased members.

As you have read by now, our organization has a new name and look. If you submit articles to your church's newsletter or having a UWF Day or Children's Sabbath, let your congregation know about the change as well as using the new name and log. The use of the name and logo should also be used in your communications within your unit. Yes, it will take a while to get use to saying UWF or United Women in Faith. Do you know how many times I have had to correct my typing to change the M to a W? It takes practice. We can do it!

The new national website is now **UWFaith.org**. We will let you know if there will be any changes to the Western Conference website.

From **Rhita Newcomb**, *District Legacy Fund*

Greetings Sisters in Christ,

Together We Are Building Our Legacy!

On March 23, 2022, we celebrated 153 years in mission! Our foremothers raised money to send a doctor and teacher to India as missionaries to reach underserved women and organized the Woman's Foreign Missionary Society. Our organization has grown into the largest denominational organization for women. Many lives have been changed for the better thanks to women in mission, and members of United Women in Faith as we continue to put faith, hope, and love into action for women, children, and youth in our communities around the world.

The Legacy Fund is a forward looking permanently invested endowment. The earnings from this endowment will strengthen our organization for the future to continue changes lives for the better to those in need.

One of the ways you can help to build onto our foundation that our foremothers started is to become a Legacy Builder. A Legacy Builder makes a monthly gift of \$18.69 or more to The Legacy Fund Endowment Campaign. For more information visit [www.unitedmethodistwomen.org/donate/legacybuilder](http://www.unitedmethodistwomen.org/donate/legacybuilder).
