Women  
in Faith

Western North Carolina Conference-United Methodist Women- 3<sup>rd</sup> Quarter 2022

Well as I was watching the local news this morning, I realized the temperature was going to be 95 in our local town and even above 100 in surrounding areas. Whew! Whenever I go outside to walk my dogs the neighbors on my right as well as the neighbors on my left have a pool. Well for me and my dogs the closest thing we have to a pool is a water hose! But believe me the water that comes out of that hose is cool and refreshing on my dogs as well as my feet. I may not have a pool, but I thank God every day that I have a home that has air conditioning. I pray for those that do not. Check in on your neighbors and make sure they at least have a fan. Keep your friendly 4-legged inside if at all possible.

It was so nice being able to go back up the mountain for our Spiritual Growth retreat. It is always so refreshing. It is a place where you can sit and look out over the water, look up toward the mountains and the sky and pray. It's like being alone with God. Psalm 72:3 says the mountains will bring peace to the people, and the little hills, by righteousness. And right now, our world needs to be at peace with one another. If you are still not comfortable traveling, I hope you watched it online. Our speaker was dynamic.

Don't forget to sign up for Mission U July 14<sup>th</sup>-16<sup>th</sup>. It is going to be virtual this year due to low registration numbers (See enclosed flyer). You can sign up anytime right up to the day of. So, sit back and enjoy in the comfort of your home. The theme this year is **Who Can We Be Together?**

Our District Annual Celebration is coming up August 20<sup>th</sup>. (see enclosed registration form). Join us as we celebrate our accomplishments of 2021, elect, and install our 2023 Slate of Officers, and listen to our speaker Rev. Mark Barden. End of the year reports will be handed out at our Annual Celebration. If someone from your unit is unable to attend, the reports will be mailed to the local President along with a Pogram book.

Also see enclosed the flyer with registration link for our Conference Annual Celebration to be held at Lake Junaluska September 9th-11<sup>th</sup>. Our theme is **Turn It Up**. Come celebrate and see how us United Women in Faith have been turning it up in 2022.

We have had some great mission walks this year. Thanks Carolyn Thompson. I would love to see some of you come out for our last walk at Randolph Mall on July 30<sup>th</sup> from 9-11AM. I challenge you to invite someone to come with you. Try to get a young person to come. I know I bring my grandson with me. Bring your 4-legged friend, just come, and walk for missions.

Please remember to invite your nurturing partner to one of your UWF (United Women in Faith) meetings. We would love to come and do a program for you or participate in your UWF Sunday.

Remember our giving through our mission money is a way to turn faith, hope and love into action. If you have not yet given to the Legacy Fund, I hope you will consider giving. Through your giving it will provide the assurance that United Women in Faith can provide the life-affirming, compassionate care and support that heals, restores, and empowers populations of women, children and youth in the years and decades to come. You can make a gift to the Legacy Fund by sending your money to our Treasurer Diane James.

I am attaching article X11 Guidelines for a local unit becoming inactive found in the WNCC-UMW standing rules on pages 26 and 27. Remember that one does not have to belong to a United Methodist Church to be a member of United Women in Faith (UWF). Make sure to check out our new website [UWFAith.org](http://UWFAith.org).

Stay safe and know that we hold each of you and your Church in our prayers.

Blessings,  
Cathy Ward

**ARTICLE XII GUIDELINES FOR A LOCAL UNIT BECOMING INACTIVE** In the very unfortunate case that a local unit makes an informed decision to become inactive or their church closes, the following steps need to be taken:

- A. The unit president shall notify the district president of the plan to close, the reason for closure and the effective date.
- B. The unit treasurer shall remit all money in the treasury to the district treasurer in the: 1. Pledge channel 2. Gift to Mission, Gift in Memory, World Thank Offering, or Special Mission Recognition 3. Legacy Fund 4. Designated United Methodist Women projects (i.e. Brooks-Howell Home, Bethlehem Center Charlotte/Winston-Salem, etc.)
- C. A letter shall be included with the remittance indicating the date of disbandment. (Local units must understand that all the money the unit has is “mission” money and is ONLY to be used for that purpose. This is NOT money to be given to the church or used by the church.)
- D. The unit treasurer shall close the unit’s United Methodist Women checking account and any other financial accounts, which should have a zero balance at this point.
- E. The district president shall send a letter to the local unit president recognizing and thanking the members of the unit for their years of service and mission support. Include suggestions for joining a unit in a nearby church or forming a district unit. Encourage ladies to keep in contact with United Methodist

Women through the website and participate in district and conference events. If individuals choose to keep their name on our email list, they will continue to receive 27 | Page updates. In the event of a church closing, members of United Methodist Women are encouraged to join a unit of United Methodist Women at the new church they join. Remember, one does NOT have to belong to a church to be a member of the United Methodist Women unit of that church. One is not required to be a member of any United Methodist Church to be a member of United Methodist Women.

F. The district treasurer shall remove the unit from the list of functioning units. G. The district communications coordinator shall remove that unit's officers from the hardcopy mailing list.

## ***\$\$\$ Notes from the Treasurer***

Our Q2 remittance was sent to Conference in early June. Year-to-date, we have paid \$15,024.75 against our Pledge to Mission so far, which is 30%. This is behind where we were hoping to be by this point, but we will count our blessings. Year-to-date Mission giving paid to Western North Carolina Conference, including designated gifts is \$20,275.71. We have also paid \$62.38 to National for Legacy Fund. On a high note, we have collected \$2685.25 from Mission Walks already so far! Thank you Uwharrie District on behalf of all the women, youth and children you are helping!

If your unit is still not meeting in person, you can give on-line on the WNCC UMW website. It can be found on the very top line on the Home Page "GIVE NOW" or at <https://wnccumw.org/online-mission-giving/>. These online gifts WILL be credited back to your Unit. Or, anyone can send a check directly to me towards their Unit's giving. Just note your Unit on your check. (Of course, if your unit is meeting, you can still give through the normal quarterly remittance process.)

Local Treasurers, your Q3 Remittances are due in by August 31<sup>st</sup>. You will be receiving a letter from me in early August with additional information.

I hope everyone enjoyed the Spiritual Growth Retreat on June 9-11! It was wonderful to be back at the lake & to see everyone! I tell you I have been to a lot of Spiritual Growth Retreats, but this one was the best I have ever experienced!!! The music was beautiful & so spiritual and the speaker/minister was awesome!!! There was definitely a spiritual awakening during each of her sermons!! The activities were good and the Friday night movie of *The Shack* was wonderful! The next day as I celebrated Pentecost during my worship service at my home church, I reflected back to the movie & the explanation of the Trinity and the role that the Father, Son & Holy Spirit each plays in our lives and with our relationships with each one. If you have read the book, as I had, but have not seen the movie, or if you have not read the book, I strongly encourage you to see the movie—it is very, very good!! (presently on Netflix)

So we have already started the summer in exciting ways with mission walks & the Spiritual Growth Retreat!! But there is more to come!!! In July we will be having Mission U virtually and on August 20<sup>th</sup> at Salem UMC we will be having our Annual Celebration!!! You don't want to miss either of these! The theme of our celebration will be "Turn It Up" which was also used at Assembly in April! So that is what we will be doing! Pastor Mark Barden from Norwood First UMC will provide the message and there will be something new, different, & exciting—hopefully which are in the plans for the music part of the program. We will be "Turning It Up"!!

Please mark your calendars July 14-16<sup>th</sup> for Mission U & August 20<sup>th</sup> for District Annual Celebration! As we go through the rest of the hot summer season, reflect on the thoughts of this Spiritual Devotion below:

We are deep in the heart of summer. The days are long and hot. The sun washes everything in glowing light. Gardens of vegetables and flowers are growing high and colorful. The pavement is blisteringly hot, and it feels good to wear sandals and wiggle our toes. It is truly the definition of summertime right now.

A few years ago I was walking to church and noticed on my last few steps along the sidewalk before turning to go to the front doors that a tomato plant had somehow started to grow in the crack of the pavement. It was sprawling along the edge with several small, green tomatoes. I couldn't believe that this plant had been able to take root, grow, and thrive in the midst of the hot, steamy sidewalk and was even producing fruit. I watched over it the next few weeks as more fruit grew from its branches and ripened into lovely red tomatoes. I showed my daughters and we picked ripe tomatoes to share with congregants at church. When we would explain where the tomato was growing, everyone was always amazed and would head out to take a look.

There is beauty in the world right around us, and sometimes we don't even realize it. Walking down the street there are signs of God's creation growing at our feet. Whether we are in the city or the country, the suburbs or the farm, God's creation envelopes us every day. The heart of summer is a wonderful time to experience the Creator. We feel the summer sun, the heat, and

remember how God created “the greater light to rule the day and the lesser light to rule the night.” We see and smell the deep green vegetation around us and know that God has provided all we need. We hear the twitter of birds and feel ourselves surrounded by all creatures great and small. We feel the cool water of the pool, the lake, the hose, or the stream and know that God has washed us in living waters.

*Dear God, we praise you for creating the world. We thank you that we are part of that creation. We see, hear, smell, touch, and taste the wonders of nature. Thank you for giving us the beauty that surrounds us today and always. Amen.*

## GLOBAL DISPARITIES WITH GLOBAL WARMING

Today as I am writing this, it is 94 degrees and rising; it will be hot all week, and it is only June. Due to the global warming, scientists says that this overheating will only increase over time throughout the planet, as well as other kinds of extreme weather. And poorer people will suffer the most.

As one article stated, "Climate change is one of the most profound inequities of the modern era," (NYT-6/2/22). The poorer countries, like nations closer to the equator and less industrialized, are suffering the most, yet those countries basically aren't contributing much to the warming. For example, India has almost a fifth of the world's population, but only emits 3% of the world's warming greenhouse gases. This past 3 months, India has endured a devastating heat wave to the point that sometimes birds have fallen from the air from being overheated. Many people have died due to heat, crops are being affected, and prices are rising. Work productivity, schedules, and school hours have all been dramatically decreased to help accommodate for the heat. And only 10% have air conditioning! Poorer countries are also impeded in accommodating to climate change because they don't have money and resources needed to adapt.

A parallel can be seen in our country. Poorer people, many of whom are elderly or people of color, have less access to air conditioning, shade trees, pools, or other things that would ease the heat effects this summer.

Please pray for other countries who are suffering this summer, and please check around your neighborhood to see if someone needs a fan or help in some way.

***Helen Shore, Social Action Coordinator.***
