

# United Women in Faith

Uwharrie District\* Western North Carolina Conference \* United Women in Faith \*3<sup>rd</sup>Quarter 2023

Summer is here and that means it's time to bring out the flip flops, sunscreen, and charcoal. As people make their way to the beaches, as they gather for summer BBQs and sit out by the pool, it can be easy to allow the relaxed atmosphere of summertime to carry over into your walk with the Lord. Packed calendars, summer weddings, family reunions and squeezing in some sort of vacation can leave you needing a vacation from your vacation. It's very important to keep God on your mind while you are here and there going to your summer destinations. Jesus told us to let our light shine.

As UWF we shine brilliantly together. Let's keep our light shining brightly. Continue inviting, continue sharing, continue influencing, continue giving, continue letting your light shine for all to see.

There are problems and obstacles facing us in several directions now. One being officers needed for district teams, and churches disaffiliating as well as others.

This organization was started by 8 women and only 2 pennies and look how it has grown to over 800,000 women(the largest denominational faith organization for women). We cannot become discouraged, we need to continue to pray and ask for God's guidance as we strive to get officers for the District team and carry on other ministries for women, children, and youth locally, nationally, and internationally.

Have a wonderful summer and may God Bless you in all things.

Sarah Lee, Uwharrie District President

***As I am working diligently on our 3<sup>rd</sup>. quarter newsletter I am getting ready for our District Annual Meeting in August at Bethlehem UMC in Waxhaw, NC. I hope everyone is planning to attend as we have a Mosaic in Faith event with our devoted speaker Catherine Ritch sharing her richness of faith & grace. We will be celebrating all the accomplishments of all the units in the Uwharrie District for 2022. We will recognize outgoing officers for their service and introduce you to next year's Uwharrie District Team members. If you have not completed your Mission Today requirements, reading, Gift to Mission, etc. for 2022 you still have time. I know many units take the summer off so when you start your meetings back you can have an idea on what you want to complete by the end of November. Remember, we would love to hear from you, even if it is just to come to say hello at one of your meetings.***

***We are looking forward to seeing you at our Uwharrie District Annual Meeting on August 19<sup>th</sup>.***

***Proverbs 3:3-6***

***Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. Then you will win favor and a good name in the sight of God and man. Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight.***

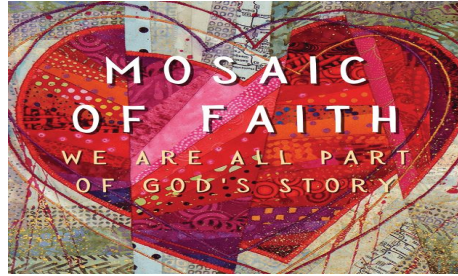

***May the grace of our Lord Jesus Christ, and the Love of God, and the fellowship of the Holy Spirt be with us all, now and evermore. Amen***

***May the Grace of God be with you,  
Vickie Brown - Vice President***

## Membership Nurture and Outreach

May is the time of year when we want to be outside working in our yard, watching our children playing ball, and **Walking for Missions**. Our first walk was Saturday May 6<sup>th</sup> with Central, Denton, United Women in Faith. They had 11 walkers and exceeded their goal by raising \$555.

We have 4 more walks scheduled for 2023 the dates are: May 27, Dan Nicholas Park Salisbury; June 3, Grimes Park Lexington; June 24, Belk -Tonawanda Park, Monroe; and our final walk July 29, at Randolph Mall, Asheboro. Each walk will be from 9:00 to 11:00 a.m. snacks will be provided.

You can always walk individually or with a group from your unit on a different day and have your treasurer send the money to Jeanette Mixon when she makes her quarterly remittance noting the amount for walks and how many walkers participated.

## APPRECIATION

*With never a doubt, United Women in Faith has your back, mine, and yours. We UWIF, go the extra mile in making others smile. We never turn away others, we continue to reach out and be kind, and thankful, as we provide others with inspirations of the Lord's Love. Thank you, ladies, for sharing your photos and stories as we try to share this with others in our District. You are greatly appreciated, and I say Thank you,*

*Vickie Brown - Communications Coordinator*

## Historian

**Persistence – to go on resolutely, despite opposition, tenacious, also enduring.**

**We grew up learning that doing the same thing and expecting a different outcome was not wise (some called it insanity). However, we rarely focus on the mirror image in the opposite positive way. Doing the same thing, with God as the guiding force and prayers to him are constant, often allows us to obtain the same GOOD outcome.**

**The ladies who met together to start this organization we now call United Women in Faith did not have a large gathering place or many people. The first meeting was not a packed auditorium but just a sitting room in a regular house. Many of us can identify as the numbers of participants does not seem as large as it once was.**

**At this point in our growth, we must remember that when 2 or more gather in God's name, He'll be there. Each of us has special personal memories to pass on to our newer sisters and the fellowship cannot be replaced. Let us continue the good work started by these women over 150 years ago.**

**Remember: With God, all things are possible and "it only takes a spark to get a fire going"**

## NASA Monitors Earth with Satellites

Human actions are changing the balance of nature. Habitats have been lost due to the loss of forests and climate change. Global temperatures have increased, and the oceans are more acidic. Heat waves, droughts, floods and wildfires have changed our environment.

Sadly, the climate is changing faster than species can adapt.

This is causing a decline in biodiversity. It has been reported that one million plants and animals are possibly facing extinction. For example, there are fewer birds now than previously. It is estimated that we have lost 3 billion wild birds. This is down by 29% from 1970.

NASA satellites are now able to monitor this change in the Earth. Scientists are working to find ways to reverse these climate changes.

The potential future effects of global climate change include more frequent wildfires, longer periods of drought in some regions, and an increase in the wind intensity and rainfall from tropical cyclones.

## Spiritual Growth

Thank you to all our sisters in Christ who attended the Prayer Breakfast on April 22, at Central Monroe. We had a wonderful time praising the Lord and renewing our spirit. We were blessed with a wonderful and thoughtful message from our Uwharrie District Superintendent, Rev. Laura Auten.

There was beautiful music performed by Trinity from Central Monroe. A huge thanks to everyone from Central Monroe for all their preparation of the wonderful breakfast served by the Women in Faith Circles at Central Monroe. Thank you to all who made this a special morning.

I hope everyone has made plans to join us at The Spiritual Growth Retreat at Lake Junaluska, Thursday, June 8th through Saturday, June 10th . It is not too late.

We are looking forward to hearing our Retreat Leader, Rev Jan Brittain will speak on our theme: Women Coming to Christ.

We are always in for a treat with our music when Rev Dr. Mark Barden and Catherine Ritch join.

We look forward to seeing you at the Lake.

Patricia Jarvis  
Uwharrie Spiritual Growth Coordinator
