

Internationally

United Women in Faith supports partners that are enhancing the capacities of local and regional women leaders and supporting economic development programs for women and youth. We provide academic scholarships and support regional missionaries. Our international work empowers women and youth to find local solutions and make positive, measurable change in their communities.

United Women in Faith interprets
the Biblical passage from

Jeremiah 29:11

to emphasize the importance of
our work to

future generations. “For surely

I know the plans I have for you,

says the Lord, plans for your
welfare, and not for harm,

to give you a future of hope.”
