AppaLadies in Mission

President Remarks

Dear Friends,

It was such a joy to see many of you lovely ladies, as well as a few men, in person again at our Prayer Breakfast in March and at our Mission Study in February as we partnered with the Catawba Valley District and met at First Hickory where we were so graciously and deliciously hosted. We were able to gather and reconnect with many friends as some of us were once in the same District. We plan to partner with them again for our 2025 Mission Study. Our Appalachian District Prayer Breakfast was also a delicious and spiritual success! The UWFaith members of Millers Creek were wonderful hostesses for this event and the music was heavenly! We were all inspired and learned so very much about Mary Magdalene from our message delivered by Rev. Jan Brittain. One lady responded on the evaluations, "One of the best prayer breakfasts I have ever been to and I have been to a bunch!!!"

As I mentioned before, I would like to make a Slide Show that features each unit for our 2024 Annual Celebration. Please send me 1- 4 photos of your unit when you are doing something special or just having a routine meeting. You may send these via email or text any time during the year prior to mid-August.

Please see our calendar of events for the remainder of this year. We urge you to attend! The dates and places for these gatherings are now set. Our leadership team is working hard to plan our Annual Celebration and our MEMBERSHIP and Leadership Development Day (MLDD) in August and November. We covet your participation and we are striving to make MLDD a more interactive, exciting, soul care event again this year. We learned last year from your evaluations about aspects you liked and how we can improve. Everyone loved our main presenter, LaDonna Butts, with her chair aerobics, called Jazzercizing for Jesus, and she will be with us again in November.

Ladies, when you choose to come to these uplifting events that take months of prayerful planning, you have opportunities to bond and worship with your sisters in faith and form meaningful relationships. We are truly a sisterhood; we are connected by Faith! We act in faith to tackle the hard work of the world without hesitation. We believe love in action can change the world! We show up! We take action! We get it done!

Included at the end of this newsletter is an application for stipends to assist you with attending one of our Conference Events if you have never attended one of these. Please take advantage of this opportunity and send me your application! Our Conference Events are always informative and inspirational and you really get more passionate about our organization when you connect with other UWFaith ladies across our Conference.

One of our district team members is ever willing and delighted to visit your unit and provide a program for you or just be there to answer your questions and/or listen to your concerns. Feel free to contact me whenever you have questions and if I don't know the answer, I have some very knowledgeable UWFaith friends who do.

Love, peace, and joy,
Linda (LindaLu) Greer

Vice-President

Our Appalachian District Prayer Breakfast on March 16th was a wonderful time of fellowship. Millers Creek UWFaith provided an outstanding breakfast and Millers Creek UMC offered a beautiful worship space and amazing special music. At our memorial service, we celebrated 19 faithful UWFaith Members from 11 churches who graduated to the Church Triumphant in 2023. Thank you to Sherry Summerlin for this special tribute. Our speaker, Rev. Jan Brittan, presented an awesome and inspiring message titled “Broken”- focusing on Mary Magdalene and leaving us with the thought, “Don’t give up and expect change.” I encourage everyone to attend future District and Conference events – these events help us to inspire and encourage others, strengthen our own faith, and fulfill our UWFaith vision of turning faith, hope, and love into action on behalf of women, children, and youth around the world. Our next UWFaith event will be the Conference Spiritual Growth Retreat which will be held at Lake Junaluska, June 13 – 15. The Retreat Leader is the Rev. Marilyn Weiler from Yadkin Valley District. The retreat theme is “Bringing Light into a Darkened World.” We can always welcome a little more light into our world!

I continue to encourage each of you to check out the UWFaith digital platform (uwfaith.mn.co) which provides access to program resource and Mission u curricula and allows you to connect with members from across the country and around the world, sharing your ideas; you can connect with one another regardless of the distance between you and find inspiration through conversation and others perspectives. Each month a program from our Program Resource book, Food, Faith, and Fellowship, is presented on this digital platform for Community Gathering and digital program resource subscribers. You can also access “Faith Talks” (a UWFaith podcast) and “Voices from the Field,” webinars to learn about national and international initiatives that benefit from mission giving, as well as a reading enthusiast group providing interactive and online space for women to connect with each other and talk about the reading program books on this website.

If there is anything I can do to help you, please don’t hesitate to call, text or email me.

Blessings,
Jan Taylor

School-to-Prison Pipeline

The school-to-prison pipeline refers to policies and practices that push children, especially minorities, out of schools and into the juvenile and criminal justice systems.

How to avoid the pipeline? Schools and families have the power to divert students from the school-to-prison pipeline. It will take work and actions, but it can be done by taking several steps.

- Recognize positive behavior.
- Work with police departments and court systems to limit arrests at school.
- Explain infractions and the prescribed punishment to the student body.
- Train teachers using positive behavior modifications for at-risk students.
- Use home and family interventions designed to create modifications for both students and families.

Membership, Nurture, and Outreach

Greetings in the name of Jesus! For this article, I wanted to share some thoughts about building membership. As units of United Women in Faith, we need to think about what it is that makes our organization unique. What is it that your local unit has to offer? What needs for belonging and service do women in the churches and your community have that your unit can meet? What needs are there in your local area that your unit could address which might draw new women to your group?

I would like to challenge your unit to think about these questions and plan to host a “bring a friend” meeting or event this year. Consider the questions above when planning an activity.

In Christ,
Jane Long

Mission Giving - STAY THE COURSE

Treasurer

If you are like me, you have been reeling from the rush of “bad news” that seems to be exploding over the news channels in our direction in a seemingly non-stop stream. Whether it is human actions or “natural” causes, it can seem overwhelming. And, I expect, you, like me want to “HELP” in some way....but in what ways? how? who? You have searched for ways to help but seem to continually end up feeling and wondering, “will this really be the best way, the most effective way? Are these the most pressing issues or am I just reacting to the headlines and not addressing the root cause?” So many questions with no definitive answers. Now, I confess, I do not know “THE answer” and I believe that means there is no “THE answer.” So the trick is to find the answer or answers that offer the greatest probability of effectively addressing the issues that most trouble my and your hearts. And let’s face it, these can vary significantly. That is when we go looking for information and insight from those we know who have studied and researched the issues. As United Women in Faith we are fortunate to have member leaders who have committed time and resources to doing just that. These are the leaders who help direct our UWFaith Mission Giving toward the missions that best fulfill our Mission and Vision, to nourish and support the well-being of women, children, and youth.

In other words, by continuing and increasing our commitment to UWFaith Mission Giving, we are indeed really directing our funds in the best way, the most effective way to help. So what should we do in these challenging and very troubling times when we are continually bombarded with the crisis de’ jour? **STAY THE COURSE.** If you and your units are directing the majority of your funds into undesignated UWFaith Mission Giving (Pledge, SMR, Gift to Mission, Gift in Memory, World Thank Offering) you just cannot go wrong. Your response is effective, efficient, and constructive. And what better time than now to *STAY THE COURSE*, when there is so much turmoil, so much conflict? In the words of Sally Vonner, our General Secretary and CEO of United Women in Faith, it is in times of great uncertainty we can make the most difference. She encourages us, members, to seize the opportunity to stand together in our giving. Now is the time to act, now is the time to GIVE.

Looking at the calendar, I see that you should be reading this article at the beginning of the second half of our giving year. What better time to take stock of where you and your unit are in your giving and make a plan for the rest of the year? This is our time to “seize the opportunity” to stand together whether it be your unit deciding to plan and hold a fundraiser for Mission, or you personally setting more aside for Mission by giving up a small indulgence, it all matters and makes a difference. I close with a segment from the Pledge to Mission Service in the 2024 Program Resource: ***We have a legacy of more than 150 years in mission giving, mission service, and mission advocacy. Why do we continue to give?***

*All: We pledge to give because of God’s blessings in our lives. We believe in the parable of the boy who gave two fish and five loaves of bread. What we have may not seem like much, but **when we yield it to Jesus’ touch, our financial gifts multiply over and over to change the world.***

Kudos to Nancy Reigel, our District Treasurer and District Legacy Energizer!

At our Southeastern Jurisdiction meeting recently in Chattanooga, Tennessee, **Nancy** was recognized by Deaconess Christi Campos, Executive for Development and Donor Relations, as the one and only member in our jurisdiction who is a Legacy Builder, an 1869 Society Member, and a Friends of Legacy Member. Thank you, **Nancy**, for your leadership and example!

Legacy Fund Giving Matters Today, Tomorrow, and Years into the Future

“I’ll be there for you.” Sound like words to a song don’t they? Well, actually, those are your words when you donate to the Legacy Fund because that is exactly what you are doing. As a permanent endowment, the Legacy fund endures into the future to provide a stable foundation on which our UWFaith Mission can rely. Think of those words: Permanent, Endures, Stable, Foundation, Rely, words that convey Faithfulness, Trust. In essence, it, the Legacy Fund, will be there for those who count on it. As a donor to the Legacy Fund, YOU are “there for them.” Today, Tomorrow, Years from now, your gift endures. What a powerful reality!

Now, a few facts about our/your WNCC UW in FAITH LEGACY FUND GIVING: Did you know? Western North Carolina Conference United Women in Faith members...YOU...gave \$40,934 to the Legacy Endowment Fund in 2023? As of the end of 2023, you, Western North Carolina Conference members had given a total of \$514,488 to the Legacy Fund since it began! Thank you! And in total, the Legacy Endowment Fund was \$36,596,855. Our national goal is to raise \$60,000,000. Together, we are making it happen! In 2024, as of the end of the day, March 23 Day of Giving our WNCC giving was \$187,780. What an excellent start to another year of fulfilling our continuing mission in building our Legacy. Every gift counts, every gift endures.

Nancy Reigel

Mission Education and Interpretation Coordinator

Greetings to everybody! My name is Terri Williams, the Appalachian District United Women in Faith Mission Education and Interpretation coordinator. First, let me express my gratitude to every one of you for your support of our mission programs. In 2024, our district contributed to several mission projects. As you can see, with your support, United Women in Faith is on the move in 2024. Please continue to walk faithfully forward unwavering in our commitment to the Legacy Fund and the Five Channels of Giving. We brought in items valued at \$1,464.00 to our mission study by collecting 61 menstrual hygiene kits, each worth \$24.00 and 19 hygiene kits (\$12 each), all worth \$228.00. There were also some extra kit components for menstrual hygiene kits donated. The total value of UMCOR Kits collected was \$1,716. We contributed a value of \$553.00 at the Prayer Breakfast by collecting \$483.00 worth of supplies and \$70.00 in cash donations for the Bethlehem Community Center.

Terri Williams

Spiritual Growth Coordinator

Greetings,

Thank you to all who participated and assisted with the Prayer Breakfast at Millers Creek United Methodist Church. It is always special to remember our sisters in Christ who have completed their earthly journeys and to celebrate the lives of these faithful servants. As Psalm 147:3 reminds us, “He (God) heals the brokenhearted and binds up their wounds.” We can be assured that they rest from the brokenness of this world.

As we prepare for our Western North Carolina UWFaith Spiritual Growth Retreat, please come with the purpose of a spiritual refreshing of the soul and bring your light. Bringing the Light into a Darkened World is our theme. The Reverend Marilyn Weiler will be our retreat leader.

Be ready to sing with our music leader, Rev. Mark Barden, and pianist, Catherine Ritch. Bring Hygiene Kits for UMCOR. June 13, Thursday – June 15, Saturday, will be our time of renewal.

Contact me if I can be of assistance to you or your unit.

Blessings and peace,
Sherry Summerlin

A Note from your Parliamentarian

Hello,

As you watch your unit’s P’s and Q’s remember to assist with keeping everyone focused on the issues at hand. Thank you for keeping meetings functioning smoothly.

Secretary of Program Resources

The Reading Program helps us learn about ourselves, our faith, our missions, and others who are very different from ourselves. It challenges us to grow spiritually and as leaders, makes us more willing to take part in transforming the world we live in and supporting other women to do the same.

Did you know in addition to reading books, you can get credit for listening to the Faith Talks podcast? 1 credit in Spiritual Growth for 2+ episodes, listening to the Voices from the Field podcast: 1 credit in Education for Mission for 2+ episodes, reading Response magazine: 1 credit in Nurturing for Community for reading one year (6 issues). Reading Program reporting credit can also be earned for being part of a Mission u study: 1 credit in Spiritual Growth for reading a Mission u study on your own or 2 credits in Spiritual Growth for joining a Mission u study together with others, as a leader or participant.

I usually don't watch podcasts, but I was pleasantly surprised at how much I enjoyed watching my first "Faith Talks: Women of the Bible and Women Today" on Thursday, March 7th, appropriately the day before International Women's Day. It was amazing to see greetings from members all over the world and I was blessed and challenged by the three guests.

First, DR. GLORY DHARMARAJ, former director of Spiritual Formation and Mission Theology for United Methodist Women, shared that during this Women's History Month we should be sure to remember the many women from the Bible and through current times who are never recognized or remembered by name. We are a sisterhood of women who join together with our feet planted in our local units and our wings spread over the entire world. We become the change makers by doing and being.

Next J. ANN CRAIG, formerly Spiritual and Theological Development executive for United Methodist Women, shared that we are walking in the history we inherited. She challenges us to speak out loud in our respective walks. We are called to touch those we are in contact with and create safe spaces for women who are separated as different because of their skin color, social standing, and sexual orientation. Jesus is all about inclusion. Everyone is a child of God. Accept people where they are and listen to those even if they are disagreeing with you. Our lives are not nice tidy boxes. Never underestimate the power of God. Go to people where they are, don't expect them to come to you. Value who you are and don't be afraid.

Finally, DR. ASHLEY BOGGAN, General Secretary of the General Commission on Archives and History, United Methodist Church, reminded us that American United Methodist Women have fought for rights throughout our history, including during the civil rights movement and pushing for Women's voting rights. Strong women around the Wesley brothers helped form Methodism. Their mother, Susanna Wesley, was a theologian and they often sought her input to settle their disagreements. Sarah Ryan, a woman who was divorced and without a man, was taken in by John Wesley to help lead the Methodist Movement. Methodist women form a tight kinship, unique in depth of spirituality and broad in their missions. People are hungry for connection. We find energy in our small networks to do great things. Come together to get people to the polls. Call out inequality. Spend time with God. Pray for courage, wisdom, and boldness. Greet a stranger and say, "I am interested in your life". Be embarrassingly bold. God is action, let us be like God.

What wonderful words of wisdom. If you want to be uplifted and inspired, listen to the whole episode on the website <https://uwfaith.org/event/faith-talks-women-of-the-bible-women-today/>.

If you have any questions about the reading program or accessing other resources please let me know.
