

Internationally

United Women in Faith supports partners that are enhancing the capacities of local and regional women leaders and supporting economic development programs for women and youth. We provide academic scholarships and support regional missionaries. Our international work empowers women and youth to find local solutions and make positive, measurable change in their communities.

Nationally,

National mission institutions are community centers, colleges, and residences providing vital services to vulnerable communities – empowering women, caring for children, and offering residences for special needs children and youth.
